FADE IN:

**MOVING THROUGH A DENSE, DARK FOG - NIGHT**

Nothing is visible but a wet, thick blanket around us until we catch GLIMPSES of CITY LIGHTS. Looming. Finally, we emerge from the fog to find --

Independence Hall. Market Street. The Liberty Bell. Welcome to *Philadelphia*.

**EXT. BRIDGE - DUSK**

Fog rolls across the bridge; its massive weight seems suspended on a bank of clouds. A ship's FOG HORN blows. HAZY police lights.

WE drift high through the CABLES and slowly descend as finally we reveal --

*JIMMY, 18, outside the safety rails, holds a knife against a COLLEGE GIRL'S throat. His breathing ragged, expression desperate, gazing down into...*

The dark, churning waters two hundred feet below them. A POLICE BOAT, its spotlight trained on....

The bridge's cordoned off for the press hordes, dishes beaming coverage skyward. ONLOOKERS.

DET. MALONE, 40s, African-American, rumpled. Cynical, burnt out, tries to reason with him.

NEGOTIATOR

You know why we're here? It's to help. Do you understand? Help.

A Porsche 911 TURBO races up.

*DR. ANGELA KRIEGER, 40s, jumps out, hastily put together in terms of hair, blouse, skirt, weathered trenchcoat. The consummate presence of a tiger pacing in a cage. Ferocious, calculating, and in the end, impossible to take your eyes off of.*

DET. MALONE

Can I help you?

Angela, a vaguely English accent.

(CONTINUED)

CONTINUED:

ANGELA

Yes, I'm Dr. Krieger. Jimmy  
Duncan. He's a patient of mine.

HOSTAGE NEGOTIATOR

You know this nut?

ANGELA

That's judgmental language. He's  
an obsessive of highly suggestible  
mentality. Might respond to  
suggestion.

Reluctant, hands her the mike to the PA system.

INTERCUT ANGELA AND JIMMY

ANGELA

Listen to the sound of my voice,  
Jimmie. Watch the light.

He recognizes her voice. He's responding, becoming  
increasingly hypnotized.

ANGELA

That's it. You will do nothing but  
listen to my voice...and watch the  
light. You want to do as I say.  
You trust me, Jimmie. You know I'm  
here to help you. Your eyes are on  
the light. You cannot do this,  
you're tired. Loosen your hands.  
Your hands...

A few tense moments, almost imperceptibly unravels his  
hands, the officers who latch onto Jimmie, take him down.

ANGELA

Let them help you. Help you.

EXT. NEIGHBORHOOD - NIGHT

The street is quiet, empty of people and traffic...

A stocking-faced man in a suit and overcoat, navigates  
the deserted street, staying close to the walls,  
preferring the pockets of shadow and concealed area...

His gloved-hand snapping his Zippo lighter open/shut.  
Until something else catches his eye...

**EXT. STREET - NIGHT**

Angela exits a shabby complex, saunters in a less-than-desirable neighborhood, shrugs on her weathered trench coat.

She thinks she hears faint footfalls behind her. After two or three more steps, she stops, listens. It stops.

It might be someone, it might not. She looks back, nothing. She shakes it off, continues, her senses are heightened, ours too.

She unlocks the door of her Porsche 911 Turbo parked along the curve with an audible CHIRP, reaches for the door handle.

The Rapist grabs Angela who screams: "Hel--" before he clamps a hand over mouth-- drags her into --

**EXT. BACK ALLEY - NIGHT**

Down the trash strewn alley...

And suddenly he pulls her toward him, tearing open her silk blouse. She tries to scream but he's now out of control, a 'rape is in progress.

Angela, is strong, manages to fight him off at first but he's too powerful. He rips her panty hose. She tries to scream, but his hand finds her face, a crumpled pink panty tight against her mouth and nose.

She struggles fiercely. The chloroformed panties takes effect; she slips towards unconsciousness...

He UNDOES HIS ZIPPER and goes to PENETRATES HER when--

A BUM stumbles into the forlorn alley, holding a 40 oz, crashing against garbage cans.

Angel and her rapist acknowledges the bum's presence.

He reaches into his coat, swings a .357 through a quick 90-degree arc, fires an inch above the bums head.

A brick shatters, sprays down on him, and the RICOCHET SCREAMS. The bum runs. She wrestles free.

Angela seizes the moment, slams her knee up between the Rapist's legs, momentarily paralyzes him. Gasping.

(CONTINUED)

She breaks loose, follows through with a heel-palm to the sternum, grabs his arm, gives him a judo twist, sends him on his ass, nearly breaking his arm.

He fights for breath, slithers down the alley.

**INT. PUBLIC RESTROOM - NIGHT**

The incessant rumble of a passing SUBWAY TRAIN, shakes the cramped cubicle. Lights flicker. Graffiti riddled.

A wet Angela sits on the edge of the sink, a feet propped up on the toilet. She slips off her fuckme pumps which elongates her sexy legs, takes off her torn panty hose.

Wraps them in a ball, goes to throw them away. Notes her moist fingers. Then, seemingly out of nowhere: Holds them to her face, inhaling her scent.

She checks her skirt for come stains, takes off her trench coat. Her blouse is soaked, erect nipples visible.

Grabs paper towels, wets them, liquid soap and takes a whores bath. She throws the paper in the toilet, flushes it, pulls down her skirt.

**EXT. KRIEGER'S HOME - NIGHT**

A very attractive home in a fairly-affluent suburb of Philadelphia. Angela pulls in. She deboards, fumbles through her clutch for keys.

**INT. KRIEGER'S HOME - LIVING ROOM - NIGHT**

Equestrian trophies, medals, and plaques on the mantel.

BILL, 40s, ivy-league handsome, wears a bow-tie and sweater, and glasses, watches, as Angela makes her stealthy way into the room

She freezes, spots Bill in his Lazy-boy, grading essays.

She watches herself on TV briefly, enters the circle of lamp-light, exhaling on the sofa, slips off sexy shoes, massages her feet, presumably they hurt..

BILL

My students were impressed. They watch the news, read the papers.

(CONTINUED)

CONTINUED:

ANGELA

I assume I made the grade? I'm surprised you're up.

BILL

I'm up. You can't sleep when I snore, so I can't fall asleep before you.

ANGELA

I could sleep in the guest room.

BILL

No you can't. House guest. He's a former student of mine.

He hands her a file - reluctant, Angela peruses it.

ANGELA

Pretty lurid details. Battery on a Person. Resisting an officer. B&E, First-degree robbery: A registered sex offender.

She glares at Bill - as if he's got a major screw loose.

**INT. KRIEGER'S HOME - MASTER BATHROOM - NIGHT**

A romantic bedroom suite, at the moment, a little untidy. Bill is in bed, grading essays, absorbed in some notes.

Angela stands in the doorway in a white satin and lace trim slip and pumps; *a great recreation of the look Liz made famous in "Cat On a Hot Tin roof."*

She nurses a tumbler of whiskey on the rock.

ANGELA

How is his manners? Is he possible?

BILL

He had a football scholarship. Went to a reform school for boys.

She joins him, kisses Bill. He kisses her forehead and goes back to grading papers. Sighs. This is her life.

ANGELA

It's okay. You've had a crazy day. You're tired. I am too.

(CONTINUED)

CONTINUED:

BILL

Don't do that. Don't start  
psychoanalyzing me.

ANGELA

That's my job, Bill.

BILL

You're not at work. Screw you.

ANGELA

You never seem to be able to  
anymore.

**INT. KRIEGER'S HOME - LIVING ROOM - NIGHT**

Light from the pool bouncing off the walls, casting  
bizarre shadows across the dark room.

Angela uncaps a bottle of scotch, pours herself a drink.

A man, silhouetted, seated in a chair, flips the top of  
his Zippo open and shut. Snap. Snap. Snap.

Angela jumps, splashes scotch. The lamp clicks on.

JAREK, 20s, plays cat's cradle with a string. He's good,  
creating intricate patterns and undoing them. He wears  
drawstring pants. No shoes. No shirt.

His eyes linger on her slip that makes no secret of her  
body. He smiles up at Angela.

Angels doesn't return it. Her demeanor is all icy,  
controlled professionalism, but there's fury below that  
surface.

She pours herself another scotch.

ANGELA

I see you've made yourself at  
home.

JAREK

Oh, you don't approve.

ANGELA

It doesn't matter what I want.  
He thinks your worth saving.

JAREK

And you don't?

(CONTINUED)

CONTINUED:

ANGELA

I don't mind this little experiment. Although I think it's a waste of time. But you interest him, so I'll do all I can for you... whether it's therapy, or teaching you proper etiquette, but this is my house too, and I won't tolerate your shenanigans.

She studies his eyes, overcome with a sense of deja vu.

ANGELA

Have we met before?

JAREK

Don't think so.

Jarek squirms like a convict waiting for sentencing. Angela isn't satisfied, but lets it go for now.

She flops down on the sofa, grabs a pack of cigarettes. Realizes no lighter.

Jarek moves towards her, flicks his zippo's flint wheel and ignites the celluloid.

Reluctant, she leans in closer as he lights it.

Angela's distracted by the big cock lurking beneath his pants. A 10-inch anaconda, pushing the underwear's fabric to the limit. She covers her subtle jaw-drop.

JAREK

You're English, aren't you?

ANGELA

And you're little Caesar!

His face ices over. He sits down. Angela notes his bruised wrist. How he favors his arm.

There's a flash of recognition on Angela's face, but she stays mum. Bill has stepped into the room.

BILL

I see you two have already met.

ANGELA

Twice. Good night.

**EXT. SKYLINE - DAY**

Then, as the SUN RISES over the Philadelphia skyline --

**INT. KRIEGER'S HOME - BATHROOM - DAY**

The lavish master bath. Classic walnut and marble and a huge vanity with a big mirror/separate power room.

Angela saunters past, *NAKED*, slips into the lavish stall. Turns on the shower, *preheated water RAINS DOWN*, as STEAM BEGINS TO MIST THE GLASS...

After a beat we realize, she's touching herself, bringing herself to orgasm. But we stay out here where...

Jarek has been masturbating in the steam while he watches the suds accentuating her curves. Angela comes to a noisy climax. Done, she feels watched.

Peers behind her. Wipes condensation from the glass, no one's there. Jarek's lone gone.

**INT. KRIEGER'S HOME - KITCHEN - DAY**

A Better Homes & Gardens kitchen. Angela enters to find -  
- Bill woofs down breakfast.

BILL

How's our guest doing?

ANGELA

Keeping his hands to himself.

**INT. PENN PRESBYTERIAN - PSYCH WARD - DAY**

Angela escorts Malone through an antiseptic corridor with metal doors either side. A prison ward.

ANGELA

Jimmy has been diagnosed with everything from being a recluse to a schizophrenic with paranoid tendencies. Raging to the bizarre.

DET. MALONE

What does that mean?

ANGELA

He's a tough nut to crack.

(CONTINUED)

CONTINUED:

She opens a hatch. Malone peers into a cell. Iron bars on a window. Jimmy cowers, mumbling to himself.

DET. MALONE

You ever used hypnosis on him?

ANGELA

Never. Jimmy's a criminal of high suggestibility, low intelligence. I used simple suggestion.

DET. MALONE

But you did put him in a trance.

ANGELA

I used no hypnotherapy.

BETH, attractive, a Top Gun psychiatric nurse in *full official regalia -- blue coat, I.D. tags, stethoscope, hands a coffee to Angela.*

Beth shakes out a couple of tablets, dry-chewing them.

ANGELA

What've you got there, Beth?

BETH

Tums. You give me heartburn.

(re: Malone, joking)

Now there's a real tiger for you. Just don't let her sink her claws into you. Once she gets a hold, she never lets go.

Suddenly Jimmy jumps up right in front of the hatch!

Malone stumbles backwards, letting out an involuntary scream! Angela smirks, slams the hatch shut.

ANGELA

It's OK, if you're not paranoid -- you're crazy.

(pager beeps)

Another consult. ICU. Excuse me--

**INT. KRIEGER'S HOME - SECOND FLOOR - DAY**

Angela escorts Jarek, notices him still rubbing his arm.

ANGELA

Hurt yourself?

(CONTINUED)

CONTINUED:

JAREK

Old rotator cuff injury.

ANGELA

Of course, my judo training.

*A raspberry-like "chuffing" from a TIGER(her ring tone).*  
Angela checks her cell. Hits ignore, ushers him into --

**INT. KRIEGER'S HOME - ANGELA'S OFFICE - DAY**

A pleasant wood panelled psychiatric office. It's dark, windowless, but intimate and cozy. Meditation-Spiritual books line the shelves.

Behind her desk, AN EPIC DEER HEAD MOUNTED ON THE WALL BEHIND HER, grotesque. One of her hunting trophies.

Jarek lounges on a recliner. Angela sits across from him, her legs crossed suggestively. She writes with an Apple Pencil on an iPad Pro.

Catches him admiring her legs. Jarek doesn't register any embarrassment. If anything, his eyes continue to linger.

A psychiatric beat... as they both wait for the curtains to part, and the inner drama to begin to play itself out.

JAREK

I'm afraid I'm not good at this.

ANGELA

That's okay. I am. How many crimes the police don't know about have you committed?

JAREK

I'm not a murderer.

ANGELA

You tried to kill that bum?

JAREK

No! I just wanted to scare him.

Jarek glances up at the DEER HEAD ON THE WALL.

JAREK

That's what? A ten point?

(CONTINUED)

CONTINUED:

ANGELA

Twelve. There are two drop tines coming off the back. Can't see them from this angle.

JAREK

Nice. Rifle?

ANGELA

Muzzleloader.

JAREK

My father use to take me hunting.

ANGELA

Big game? Deer? Buffalo? Moose?

JAREK

Naw, Rabbits. Squirrels. I hated it. My mom would tell me to suck it up and do it for my dad. Hell, that bastard would threatened to shoot and kill my pets. Honestly, I tried to enjoy it, but I always felt guilty from the killing. When I was in fourth grade I threw a rock over a fence at a robin during recess. I thought it would fly away or my aim would just be off, but I hit that fucker and he fell over dead. I still feel bad about it to this day.

ANGELA

Remorse show us we're not a psychopath.

**INT. KRIEGER'S HOME - LIVING ROOM - NIGHT**

Angela lounges on a sofa, drinking gin and tonic and commiserating with Bill -- in a Lazy-boy, engrossed in a crossword puzzle.

BILL

What's a five letter word for psychological Aberration.

ANGELA

Crazy.

BILL

(amused)  
Yea, it fits.

(CONTINUED)

CONTINUED:

The wide GLASS DOORS look out onto the backyard where Jarek exercises. Shirt off - toned, sweaty. Angela stares at him lustily.

ANGELA

Beth want be to keen on us having a criminal as a house guest. I'm not so sure, either.

BILL

What do you think?

ANGELA

He's a bad boy with a bundle of anger. But he's far more intelligent than he lets on. And i think frightened under that hard shell of his.

(laughs)

More like frightening. But that's what makes him so interesting.

BILL

If you don't like the idea we can call the whole thing off.

ANGELA

Well it's one thing to treat a patient on a prison ward, it's something else to have one in idea circumstances. If I can find out what makes him tick I can probably straighten him out. Besides we've never had a criminal for a house-guest. May be interesting.

BILL

Could be dangerous.

ANGELA

Quick tempered too. And I'm not a bit scared.

**INT. SWANKY HOTEL BALLROOM - NIGHT**

A Psychiatric Society cocktail party. Across this glitzy, black tie/diamonds crowd, people play a skewed version of "SNIFF and STRIP" *pass-the-orange-without-using-your-hands game*.

*It's a pretentious, hilariously gaudy affair.*

(CONTINUED)

Angela stuns in a skintight white gown with an open back to die for. Just then, Beth, in a sexy mini dress, grins, then places an orange under her chin. Angela smiles gamely.

They go at it in a sort of frontal half-nelson. It's difficult. Beth affectionately grabs Angela's ass, it lingers, Angela doesn't seem to mind.

Alas, Angela grips the orange under her chin. She spins --

MILES, 30, a bull of a man. Leans in, gets frisky. Grabs her ass. She breaks free, tosses her drink in his face.

Pissed, Miles dabs his face and suit with a handkerchief.

BETH

Miles, that's a tiger tail you're reaching for.

ANGELA

Miles! Look at me! Do this.

And-- in four quick, sure motions she's fanning herself. Snaps her fingers, simultaneously, standing at attention.

Miles freezes, wide-eyed, and stands at attention. Angela gives his hand a downward jerk, not too much force...

ANGELA

Sleep!

Miles falls limply into her arms. People are aghast, in some cases, amused. She struggles to hold him up, looks for help. They sit him down.

ANGELA

That's good, just feel yourself relax. Now when I count to three, you will open your eyes. Pull down your pants, and do the hokey pokey. One... two... AWAKE!

He comes to, dazed, disturbed, drops his pants, mooning the audience as he does the hokey pokey. The partygoers react-- gasps and laughter.

**EXT. KRIEGER'S HOME - NIGHT**

Headlights sweep the house as Beth's vintage SPORTS CAR races up the driveway. Angela stumbles out, giggles. Moves to the drivers side.

(CONTINUED)

CONTINUED:

They kiss. Too passionate for a public, but they're rather tipsy. Unlike with Bill, it's passionate.

BETH

What was that? No tongue.

ANGELA

You lose points for hooking up with that guy riding pine for the sixers.

They laugh. Best friends? Lovers? Hard to tell, but the *residual sexual tension between them is palpable.*

BETH

'K bye.'

Beth peels off, burning rubber.

Angela fumbles through her clutch for keys. She tugs surreptitiously at her too-tight gown.

**INT. KRIEGER'S HOME - LIVING ROOM - NIGHT**

Angela strolls in from the foyer, the house is quiet. Jarek's in a comfy chair shuts a book *with a PHOTO OF ANGELA on THE COVER.* The awkwardness is palpable...

A FLICKER OF PANIC crosses Angela's face. She moves in such a way to conceal the split in her gown, which isn't easy, or possible

JAREK

Sorry, I didn't realize you were --

ANGELA

Oh, um...it's all right, just help yourself to anything you want.

JAREK

Anything?

Is he hitting on me? Angela seems interested, then pulls back as she uncaps a bottle of scotch, fills a tumbler.

ANGELA

Of course.

He lifts a photo of Angela on a horse, holding a trophy.

JAREK

Maybe you could take me for a ride.

(CONTINUED)

CONTINUED:

ANGELA

Perhaps?

ANGELA

I'm sorry, Mr. Spector, if I gave you the wrong impression. I do hope you're comfortable.

JAREK

Why?

ANGELA

Why? Because you're a guest in my house.

JAREK

No, I'm not a guest, Mrs. Krieger. I'm a prisoner. A condition of my parole was court-mandated counseling. Either this, or go back to prison. Why pretend it's anything else?

ANGELA

One more and it's time for bed.

JAREK

Is that an invitation.

ANGELA

There also needs to be boundaries, Mr. Spector. And we both know you've never been good at that.

JAREK

I've always enjoyed the challenge of self-improvement.

ANGELA

Can I offer you some advice?

JAREK

Everyone else is.

ANGELA

Don't mistake my kindness for weakness.

He sits in front of the piano, begins to riff on "*Piano Concerto Number Twenty-four in C Minor*." He plays passionately.

Angela listens, caught up in the beautiful music... enjoying him play.

(CONTINUED)

ANGELA

Don't stop. I love Mozart.

(Jarek resumes)

Did you know when he wasn't writing one of his masterpieces, he wrote kinky letters. In one to his cousin, he told her he wanted to "shit on her nose" and watch it "drip down her chin.

Angela gestures towards the piece Jarek plays.

ANGELA

That's right, the same genius that wrote "Piano Concerto Number Twenty-four in C Minor."

A beat, then - Jarek gets up, moves closer to her.

ANGELA

What? You thought you were the only one with an utterly depraved sex life. When Einstein wasn't sciencing the shit out of everything -- he was pulsating his dick into as many women as humanly possible.

Then asks the burning question:

ANGELA

Would you have raped me if I hadn't gotten away?

JAREK

Yes. Why do you ask? Does it fascinate you.

As she eases herself up from the sofa, her displeasure is evident, but him as a potential prospect intrigues her.

ANGELA

No, it makes me sick. I despise criminals. They're not the one bit glamorous. There just wild, stupid animals who belong in cages. I can respect a rebel if it's intelligent rebellion but...I hate stupidity.

Angela downs her drink. Gracefully as she can, Angela saunters past him. Jarek stares, drawn, drooling...

(CONTINUED)

She cavorts up the stairs and the true nature of the advert is revealed, flashes her bare ass in the MOST revealing backless dress we've ever seen.

**INT. KRIEGER'S HOME - HALLWAY - DAY**

Angela saunters down the hall, looking hot in Equestrian riding outfit that fits like a glove, but pauses outside the guest bedroom door first.

She cracks it just a sliver, enough to peek in at -

Jarek grips a bar, fastened to the doorjam. Pull ups. He locks eyes. Angela heads out. Jarek hurries out of his room, catches up with her.

JAREK

Hang on. I'll come with you.

ANGELA

If you want.

**EXT. OPEN FIELD - DAY**

The stallion jumps the fence, gallops into the field. Angela rides hard, Jarek clinging to her torso.

**EXT. HORSE BOARDING FACILITY - DAY**

Jarek hops off, helps Angela down. Reluctant at first, she accepts. They are a little closer together than is socially acceptable.

Before he can respond, Angela heads for her Porsche.

**EXT/INT. PHILADELPHIA - PORSCHE - DAY**

Angela drivers. Jarek rides shotgun. He casually throws his arms around the back of her seat.

ANGELA

That's not necessary, Jarek.

JAREK

(removes his arm)

Oh, I'm sorry.

ANGELA

It's neither cute nor innocent.  
Like back there. But you can't  
help it. You are what you are.

JAREK

Am I that easy to read?

ANGELA

It's really not that hard.

JAREK

You can afford to be smug. Where  
as I...am the product of a broken  
home. A child of divorce.

ANGELA

Well, that doesn't give you a  
license to commit crimes.

JAREK

It's a mitigating circumstance.  
Ask any psychologist.

He grins. His arrogance, or rather his acknowledgement of  
his arrogance, is oddly charming. Angela rolls her eyes.

JAREK

I had no mother to guide me in my  
formidable years. And when my  
father was sent to prison for the  
second term I suffered a trauma.  
And my aunt tried to bring me out  
of my acute melancholia  
schizophrenic tendencies by  
showing me how to rob stores.

ANGELA

And you thought this would cheer  
you up. And make life rosier for  
you, huh? You looking for pity?

JAREK

You don't like me, do you?

ANGELA

Like? You don't matter to me.  
You're just a pet project. Here  
today. Gone tomorrow.

(off his look)

What? You think you're the first  
reclamation project he's brought  
home for me to rehabilitate?

ANGELA (CONT'D)

Or try? What I don't like is what you stand for?

JAREK

And what is that?

ANGELA

Something sick.

JAREK

You sound like my parole officer.

ANGELA

They think you had a bad childhood. It's just an excuse. Lots of people come from broken homes.

A long agonizing beat.

ANGELA

I got a raw deal too. Still am. But that hasn't made me bitter. I've learned to embrace everything that happens to me in life with open arms and try to make the best of it.

She pulls into the driveway. He grabs her arm. She tries to pull away, but he holds tight.

JAREK

Dr. Krieger, you're fake. I know your type so well. Cool, calm, sophisticated, icy and untouchable. But beneath the surface lies an inner fire.

ANGELA

Inner fire?

JAREK

Don't get me wrong. I like the updo. It's just that it's a little... tight. Almost like you feel the need to bind yourself up, because you're afraid of what might happen if you just let it all go.

Her face ices briefly before she recovers.

ANGELA

Quite the speech. You practice it beforehand? Understand this: I'm your *ticket out*. Remember that!

**INT. KRIEGER'S HOME - ATTIC - DAY**

A dank attic crammed with storage boxes. A section of the ceiling sags precipitously. A thrift store bed with a bare mattress.

Jarek, jeans, t-shirt, drops his tool bag on a work bench. Rips a piece of molding on a table saw.

Angela approaches with sandwiches and an ice cold beer. She looks around, satisfied, at his progress.

JAREK

About time, I'm starving to death.

She points out the sound a door makes when you close it.

ANGELA

This squeaks and needs to be adjusted.

JAREK

You're in a good mood.

ANGELA

Why shouldn't I be?

JAREK

What's for dessert?

ANGELA

Well big cats are subject to sudden shifts in mood. Playful one second. Deadly the next.

**INT. KRIEGER'S HOME - LIVING ROOM - NIGHT**

Jarek watches a Sixers game on the TV, he's bored stiff. He flips off the TV with the remote, then rises, paces.

He glances at his watch, debating... In the b.g., Angela studies him from the staircase.

Jarek sits at the piano and plays a wonderful piece.

Angela curls up on the sofa with a kindle book. She listens, enjoying him play. He stops.

JAREK

So, what'cha reading?

She reads from her kindle, "The Road Not Taken" aloud.

ANGELA

*"I shall be telling this with a  
sigh somewhere ages and ages  
hence: Two roads diverged in a  
wood, and I took the one less  
traveled by, And that has made all  
the difference."*

JAREK

Ah, Robert Frost's "The Road Not Taken." It's about life and taking chances.

ANGELA

Ha, Is that what you think? It's about a path in the woods. How is that about taking chances? Ha, that's a laugh. Whatever a fool believes...

JAREK

I take it you don't?

ANGELA

It's about... a dirty old perv who leaves his wife for a virgin.  
*"...long I stood and looked down  
one as far as I could to where it  
bent in the undergrowth."* That's his wife. She's old. Bent over.  
*"Then took the other, as just as  
fair, and having perhaps the  
better claim, because it was  
grassy and wanted wear..."* Grassy and wanted wear. That's the virgin. That's how I look at it.

A beat, Jarek stops playing, moves closer to her.

JAREK

Not a whore, a virgin. A whore would make no sense. How is a whore a road less traveled?

ANGELA

Was. Now she's just a whore.

There's something deeper to that statement.

JAREK

You ever been locked up?

ANGELA

Not the way you mean.

JAREK

I don't care what way it is. Some people can stand it and some people can't. The ones who can't would kill themselves and anybody else just to get out for five minutes.

JAREK

Sure, I've hurt people that stopped me from doing what I wanted to do.

ANGELA

And what's that?

JAREK

Get away. Escape.

ANGELA

Perhaps I know what you're talking about.

**INT. KRIEGER'S HOME - MASTER BEDROOM - NIGHT**

Angela and Bill are in bed together, she reads a kindle. He grades papers. No eye contact. No words exchanged. Just two people who were once in love, but now merely roommates.

**INT. CHOP SHOP - NIGHT**

Stolen cars in various states of disassembly are being worked on in the bays. One GREASY MECHANIC is pounding fenders, another is spray painting a hood.

A third - POPEYE, 20s, a beefy/Latino thug, dismantles a Bentley, pulling off its rims. Jarek looks on.

POPEYE

They're caged up. You Man so waddup? Is it me? Or is it we?

JAREK

A guy need a reason. For practice. A man's gotta keep his chops up.

**EXT. NEIGHBORHOOD - NIGHT**

The buildings are run down. A SUITED MAN passes an alley, a thug grab him. Drag him into --

**INT. ALLEY - NIGHT**

Jarek and Popeye. Both are stocking-faced. Popeye pins him against the wall, his forearm pressed hard against the base of his neck.

JAREK

Hey, looks like we got a good one.

SUITED MAN

Take it easy. I'm not putting up a fight.

JAREK

That's good.

Popeye puts him in a full nelson and roughly turns him to face Jarek, who reaches inside the man's jacket, removes his wallet. Pulls out wads of cash.

Popeye punches him, knocks him out cold.

**INT. KRIEGER'S HOME - MASTER BEDROOM - NIGHT**

Angela hasn't slept well, listening to Jarek and a woman having very vocal and savage sex. Bill, a pillow over his head, blocking out the world.

**INT. KRIEGER'S HOME - BASEMENT - NIGHT**

An unfinished basement. Of all the repairs and upgrades their home needs, its the most neglected. Cement floor. Exposed insulation.

Angela, barefoot, with an armload of laundry, bounds down the steps. Pulls the chain on a hanging bulb, the light illuminates...

A small laundry room. Tight quarters. A clutter of washers and dryers churning in steady rhythm. The room... hot. Steamy hot.

She tosses clothes into a washer: She notices lipstick on the collar of Bill's dress shirt.

Angela stares, her face reveals nothing. She pulls the dry load out and places it into the basket on a machine. As she sorts through clothes...

Suddenly a washer starts acting like a caged animal, roaring and bucking wildly, trying to escape the closet.

She just stares, then panics, tries to contain a terror in her eyes, even if we don't know exactly why.

Angela flushes as some sort of transitive euphoria pumps through her.

Presses her body into it. Holds onto the washer. Stares at a crack in the ceiling, the sensation overwhelms her.

**INT. KIMBER HOME - KITCHEN - NIGHT**

A post-sex KIMBER, 45, an aging sorority girl crosses to the refrigerator. She opens the door. Light spilling out to reveal her naked, sweaty body.

Grabs two beers, Kimber jumps upon seeing Angela. She drops a bottle and it SHATTERS.

ANGELA

Visiting hours are ending, honey.

**INT. ANGELA'S HOME OFFICE - DAY**

Angela looks on as Malone takes the grand tour of our office.

ANGELA

So what brings you here?

DET. MALONE

Mr. Spector. I'm aware of your professional interest in cases like these...in view of his record I thought it would be nice for us to have a little chat. Has he been behaving himself?

ANGELA

I've kept my eye on him.

DET. MALONE

That's not what I asked.

(CONTINUED)

ANGELA

Look, if I am to gain his confidence, I can't leave him caged up. He's got to be given a certain amount of freedom.

DET. MALONE

In my opinion, he's far too dangerous to be living under your roof.

ANGELA

You're entitled to your opinion, detective. He should be here soon. Care to talk to him?

DET. MALONE

That won't be necessary. I'm sure I'll see him soon enough.

She stares at Angela, who smiles to mask her annoyance.

**INT. ANGELA'S HOME OFFICE - DAY**

On her desk, a display of Newton's pendulum have grabbed Angela's attention. She can't resist, grabs the balls and starts playing with them.

A long beat. Jarek enters. She gets up, slams the door shut... none to pleased.

JAREK

Excuse me? Is this where I go to get my head shrunk?  
(off her look)  
Look, I just lost track of time.

ANGELA

Not buying it.

JAREK

A perceptive woman. You know a fabrication when you hear one.

ANGELA

Yea, it sort of comes out like a lie.

JAREK

Precisely, because I told a lie because you expected to hear one. It's human nature as predictable as sunrise and sunset.

(CONTINUED)

ANGELA

Boundaries, Mr. Spector. I'm your therapist, not part of your posse. You show up at your appointment times -- not before, not after.

(takes her seat)

Mr. Spector, why don't you have a seat? We should get started.

Jarek gives her a wan smile as he sits across from Angela who subconsciously does lots of shoeplay, heel-popping, heels dangling, it's hot.

ANGELA

Bill tells me you found a shorter path from the hot water heater, so there's less waste as it warms. Who taught you how to work with copper?

JAREK

Yea, my old man.

ANGELA

He teach you anything about wood?

JAREK

He was a carpenter by trade.

ANGELA

What happened to him?

JAREK

(beat, reluctantly)  
He took off when I was sixteen.

ANGELA

And your mother?

Jarek doesn't answer. His silence speaking volumes. *Angela shifts through inkblot cards.*

JAREK

So what is a Rorschach?

ANGELA

*Oh, ummm... It's a psychological test. Of perceptions. Interpretations. You know... The ink blots. You look at them and without over-thinking things, You say what you think you see.*

Angela hands him one. He studies it.

(CONTINUED)

JAREK

*Well I was a student of art. When I look at them the thing that comes to mind is negative space. Like the image was trying make me see something that ain't there.*

ANGELA

*Humor me.*

JAREK

*Ok. I see a war is over and two people are getting bodies ready for burial. These two people they love each other and they wanna kill each other but if one of them is to die the other one is to die too.*

She hands him another.

JAREK

*I don't know why you're showing me such mixed up pictures, and I don't think I want to look at any more.*

ANGELA

*Just one more. I promise.*

*This card has a rough "V" shape, looks like faces staring at each other, maybe "bunny ears."*

JAREK

*Looks like...um...two females helping each other lift buckets of water with a butterfly flying in between them. Perhaps a fat vagina if you look at it hard enough.*

Angela senses she may finally be getting somewhere.

**INT. ANGELA'S OFFICE - DAY**

Beth does paperwork. Angela paces. On a desk computer; voice recognition software types everything she dictates.

ANGELA

*The patient seems somewhat resistant to therapy. His answers are evasive in general. Nevertheless the session had some interesting preliminary results.*

Beat, then...

ANGELA

The amnesia seems quite considerable, so... it may be necessary to use a different method. To get access to those repressed memories.

A beat, Beth scrutinizes inkblot cards. Turns it every which way, can't make heads or tails out of it.

BETH

Apparently I have dissociative personality disorder because I see an accual inkblot. Rather than an imagined image. Thankfully I think all of this is a pile of piss that can't possibly indicate a specific personality trait. My other personalities disagree though.

ANGELA

He basically said the same thing.

BETH

If you ask me, he's displaying the traits of a classic covert narcissist, presenting the face of kindness and compassion, but underneath a psychopath.

A beat. There is something else.

BETH

Maybe it's wrong to tamper with people. Maybe he'd solve his own problems if he was left alone.

ANGELA

You think he should be left alone?

BETH

You tell me. You're the one with the God-like complex - and don't pretend you don't like winding people up like toys.

ANGELA

You think I like to wind people up like little toys?

BETH

You say that with your authoritative tone, and even though I know better, I almost believe you. And like a toy that's been wound too tightly, they eventually explode.

Angela glares at Beth, trying to read the tea leaves.

**INT. KRIEGER'S HOME - STUDY - DAY**

Books. Awards, framed Doctorates for Education. Bill in robe and slippers, enjoy a tray of milk and cookies.

Bill unscrews caps of half a dozen different bottles of prescription meds - he begins taking them with water.

**EXT. OPEN FIELD - DAY**

Jarek and Angela riding their horse along a peaceful landscape. Can't make out their conversation but its animated. The air is thick with temptation.

JAREK

Raising livestock teaches you a few things about life. You learn how to compassionately end a life. And you learn about sex. Roosters are horny little beasts and, if given the chance, will fuck all sorts of hens all day long. That mares' vaginas wink at you when the horse is in heat. Why? Because every farm animal we've ever owned had rough sex. Uh huh. The males push the females around where they want them. When they mount, they place love bites up and down the female's back. Hell, stallions pull their mares' hair. And you know what? I love every one of those things when I fuck. Every. Single. One.

She flushes as a transitive euphoria pumps through her. This is a side of Jack she's never seen. And likes it.

(CONTINUED)

ANGELA

It's a power thing. I get that, you're tapping into your primal animal urges. But in rabbits, if the females don't want to breed, they won't. The buck may throw a fit. They may, literally, kick and scream and bite, but the doe won't put out unless she wants to. All human sex should be safe, sane, and consensual. Period. No questions. No gray area. But that doesn't mean it can't be rough. Because, in my thoughts, it's supposed to be. Sex is carnal. Instinctual. Primal. It's raw and vivid and lewd. Yes, gentle, passionate and sensual sex is fine. But... rough sex is where it's at. It's getting late.

Angela nods, picks up the pace as Jarek races to catch up – alpha female and alpha male trying hard not to compete, but competing just the same.

**INT. KRIEGER'S HOME - KITCHEN - DAY**

Angela cooks dinner. She stares at Jarek.

He buries himself with removing light fixtures. The kitchen is steaming and the wife beater looks practically painted onto his muscles.

ANGELA

Aren't you supposed to shut the power off before you do that?

JAREK

Not if you know what you're doing.

She tries to look away but she can't. She's in lust.

The heat overwhelming her, she grabs the ends of the counter to prop herself up and finds herself holding A LARGE RIPE PLANTAIN.

She stares at it, then at Jarek. She heads into..

**INT. KRIEGER'S HOME - UTILITY CLOSET - DAY**

Locks the door. Her back against the wall, we see the plantain disappear beneath frame, her eyes roll to the back of her head. She bites her lip, to stay quiet as...

**INT. KRIEGER'S HOME - HALLWAY - NIGHT**

Barefoot, Angela, in a sexy black satin lace trim slip that accentuates her body, stands in the doorway. She nurses tumbler of whiskey. She's a bit tipsy.

Jarek changes the sheets - her speech is slurred.

JAREK

You look like you might be feeling slightly promiscuous tonight- ?

ANGELA

No different than any other night.

(re: bed)

Wet dream?

(off his nod)

Well, you see me in the morning, you see me at night. So you shouldn't be surprised that I started popped up in your dreams.

Jarek, thrown by her directness. Angela blinks - didn't entirely mean to say that out loud.

JAREK

I'd like to talk more about dreams. I think there are more to them than most people think, don't you?

ANGELA

So did Sigmund Freud.

He steps forward, presses his body against hers and kisses her. Angela's eyes open wide, caught unawares.

ANGELA

Wait, what are you doing?

Feeling his erection, she takes a giant step back. Jarek's embarrassed to have so misread the signs.

ANGELA

Goodnight.

**EXT./INT. FREEWAY - ANGELA'S PORSCHE - DAY**

Jarek drives. Angela, sipping a fast food milk shake. She laughs, spontaneously. She wears a little white summer dress.

She laughs, spontaneously. Subconsciously, crossing and uncrossing her legs, her dress rides up her thighs.

**EXT. ZOO - DAY**

Jarek and Angela stroll the meandering walk-aways between cages and habitats. A mist falls throughout the scene. The mist has become a drizzle.

They pause before a habitat. A TIGER pacing in its cage - 200 pounds of coiled muscle and rippling haunches. It's beautiful and terrifying.

She's staring back at Angela, mesmerized. Almost like a warning. No fear in its eyes. But none in hers, either.

ANGELA

Have you noticed why they use every space in the cage? They're making it as large as they can.

JAREK

He's looking for a way out.

ANGELA

It's a she.

Jarek can't hide his embarrassment - manages a smile.

JAREK

I don't usually make that mistake.

ANGELA

Not any more. She's just waiting.

JAREK

For what?

ANGELA

Her keeper.

The day has darkened, a downpour accompanied by a thunderclap. It's one of those showers that comes on fast and strong. They run for cover.

**EXT. REPTILE HOUSE - DAY**

Jarek and Angela wait it out. They're soaked to the bone. And since her dress is white, it's completely wet, you can pretty much see everything.

Jarek kisses her -- just like that. Fast. Before she can stop him. The rain around them gets heavier and heavier. And so do they.

The feelings get too intense for an aroused Angela suddenly disentangles herself, turned off, breathless, so is Jarek - sexually frustrated.

Angela runs off. He watches for a beat then following.

**EXT./INT. KRIEGER'S HOME - PORSCHE - DAY**

Jarek climbs in. Angela beside him. Suddenly, it's intense in the small space... body heat fogging the windshield as rain hammers the car, falling even harder.

JAREK

I don't know what to do with everything I feel about you.

ANGELA

Not this. And even if I were interested, it's against the law. Not to mention unethical. I have responsibilities with my patients and I've almost abused everyone of them with you. Look, I care about you. But this can't happen. 'We' can't happen. I'm sorry. The answer is 'no.

Angela feels bad saying it, but not as bad as Jarek does hearing it.

JAREK

... Did I get the wrong impression last night or... ?

ANGELA

I'm sorry. I just -- had one too many.

JAREK

Fucking great. Now you're starting to sound like my mom.

She stares. Realizing belatedly... that's the gist of it.

**EXT. KRIEGER'S HOME - DAY**

Jarek pulls up. The rain is really coming down now

Angela jumps out fighting WIND and RAIN, shoes in hand, runs across the wet lawn and in through the front door.

**INT. KRIEGER'S HOME - ENTRYWAY - NIGHT**

Angela gets to the door to find Malone.

ANGELA

What can I do for you, detective?

**INT. KRIEGER'S HOME - HALLWAY - NIGHT**

Angela saunters along, her legs thresh open her long silk robe to reveal she's naked underneath. Those sexy bedroom stilettos are hot as fuck.

**INT. KRIEGER'S HOME - BATHROOM - NIGHT**

Steam fills the room like a dense fog. The shower runs. Jarek, towel around his waist, shaves before the mirror.

Angela slips inside, leans back against the door, locks it. Sips from a tumbler of whiskey and ice.

She's for sure a little drunk already, but she has a look in her eye. A born interrogator.

ANGELA

Can I talk to you a minute?

JAREK

Sure. Your house, your rules.

ANGELA

Where did you go the other night?

JAREK

Oh, wasn't aware I had a curfew.

ANGELA

Seems there's been a rash of robberies. You know anything about them?

JAREK

What do you think?

She sips her drink. Finally:

ANGELA

I was at the zoo once when I was twelve years old when I saw a tiger escape from his cage. The keepers tried to heard him back in. And he got confused and charged. He really couldn't see them. He thought nothing could stop him. He was magnificent to see. You're like that full of blind arrogance. They had to kill the Tiger.

They eye each other. She backs up imperceptibly. There is a knowing in her eye. He sees it. He takes a deliberate step toward her. She moves to her left...

ANGELA

I understand, but tell me something. What were you thinking of? I'm not that kind of woman. I am married and respectable. And perhaps that simple fact has less importance for you than it has for me.

JAREK

And I don't appreciate being manipulated. Does it give you some kind of perverse thrill to lead me on, always staying just out of reach.

Angela hauls off and slaps him. Really lets him have it. Angela spins and tries to run out, but Jarek's quicker.

He grabs Angela. She twists away, doesn't have time to turn around before his hand pins her head down on the sink, his other hand lifts the bottom of her robe..

He takes her, doggy style, right there. She let's out a primal moan. He thrusts so fast and furious, it looks like he's having an ass-spasm. She's not complaining. Her face turns into one of enjoyment and extreme lust. It is the first hint of emotion Angela has exhibited...

Angela catches her reflection in the densely fogged mirror with the humid residue of desire. she stares at it, a wild look in her eye, like she's afraid of herself-- she starts to panic.

It's the look she had in the laundry room.

He's rekindled something in her she can no longer control, something hushed, disquieted that arouses her.

JAREK

What's the matter, hon? You were great. Terrific. A tiger.

She looks back at him, shit-faced, a wild, feral look in her eyes as if deciding whether to fuck him or kill him.

ANGELA

(in the throes)

Do it Jarek! Do it now! I can't stand it any longer! I've got to have a fuck! I've just got too! Please, Jarek! Stick it back in and fuck me! Finish what you started!

**INT. KRIEGER'S HOME - BEDROOM/BATH - NIGHT**

Angela showers. She rubs her neck - shoulders, it's red and sore. She leans against the tile. She's breathing heavily, fighting desire, fear, longing, pain. Trying to push it all away--

**INT. KRIEGER'S HOME - MASTER BEDROOM - NIGHT**

Dawn just creeping in...

The headboard slamming into the wall, chipping away at plaster, as Angela and Jarek have rushed, morning sex. As a middle-aged woman, Angela's desperate to believe she's still got it. Her esteem has metastasized into a bit of an angry chip on her shoulder.

And from here on in, all this comes out when she fucks.

**INT. KRIEGER'S HOME - KITCHEN - DAY**

Angela, trying to juggle a chaotic morning routine; slides bacon onto a plate of over easy eggs and pancakes in front of Jarek.

He shakes salt and pepper on them.

ANGELA

They're too runny. I can do them again.

JAREK

It's okay. Pancakes are good.

Bill panting and sweating from his morning jog enters.

ANGELA

Good run?

He goes right for the coffee press and finds it empty.

BILL

No coffee?

ANGELA

I was busy this morning.

**EXT. KRIEGER'S HOME - DAY**

Jarek is alone in the driveway, shooting baskets. Badly.

And ogling Angela as she unloads groceries from her Car. The damp bottom of one bag falls out, SPILLING ORANGES and FRANKFURTERS on the ground.

Jack rushes over to help unload more groceries.

**INT. KRIEGER'S HOME - KITCHEN - DAY**

Angela grabs a bottle of vodka, pours herself a drink. Jarek deposits more bags. They embrace, converse between kisses.

Angela walks away, LAUGHING.

ANGELA

You have no shame. I respect that. What's shocking is how bad you are at hiding what a pervert you are.

JAREK

So is it -- y'know -- great?

ANGELA

Beyond.

JAREK

Better than Bill?

ANGELA

The best. Ever.

JAREK

If you do decide to tell Bill? You may want to leave that part out.

Angela laughs and rolls her eyes. Grabs an orange out of the fruit bowl. Looking at it, holds it up to his nose.

ANGELA

Great sex is about feeling sensual, and indulging our senses switches them on. Start by smelling that orange, strong in scent and taste, to get you in the mood. Sounds bonkers, but arousing your senses before sex helps you be in the moment -

She kicks off her sexy shoes, puts away groceries. Jack opens the fridge, pounds Tropicana straight from the carton. Puts the juice back.

ANGELA

Thought I'd make meatloaf for dinner.

JAREK

It's my favorite meal.

ANGELA

Really?

JAREK

It was the one thing they served in prison I could tolerate.

ANGELA

Want to work up an appetite?

Jarek grins, takes her by the hand, leads her out.

**INT. KRIEGER'S HOME - BEDROOM - NIGHT**

The lights are out. Bill reaches for Angela in the dark. He starts to press himself against her. She lets him for a moment, then...

ANGELA

I don't really feel like it tonight. I'm sorry. I know you do, if you really want to, go ahead...

Bill's sound asleep and snoring like a lumberjack. With a book on his chest and indestructible glasses on his face.

The sounds through the wall grow louder. They are clearly SEX SOUNDS. LOUD SEX SOUNDS. Grunting and headboard banging. Angela screams.

**INT. KRIEGER'S HOME - GUEST BEDROOM - NIGHT**

Jarek and Angela lie there, spent, having made love.

She has to work at it to get his zippo to light. Finally it does. And lights up, inhaling the sweet, fleeting carbon monoxide relief.

She passes the cigarette to him.

ANGELA  
 (re; zippo)  
 You might want to pull up the wick  
 and trim it.

JAREK  
 Already did. It running low on  
 fluid.

ANGELA  
 I'll just get you a new one.

JAREK  
 No, it has sentimental value.

This surprises Angela who lays it the zippo on a bedside table processing what she just heard.

JAREK

You don't have to take it home with you.

ANGELA

What was your mother like?

JAREK

I'm sorry. I'm under a lot of stress.

ANGELA

You want to know what your problem is?

JAREK

No, I want to remain in the dark.

ANGELA

Jarek, can I be totally, completely honest here? Therapy is part of this, too. If you don't want help, or to be here, let me know now before I waste any more time.

He wants to open up, not sure how.

JAREK

Angela. I want to be here. I... Face it, you're in love with me.

He kisses her. She sighs again..and suddenly she's grabbing for him. A moan as her hands run all over him, he's kissing her everywhere...

ANGELA

Don't change the subject. I totally get it. But we still need to see some progress here.

**EXT. NEIGHBORHOOD - DAY**

Angela sits in her Porsche, outside a college campus apartment building. She waits. Bill exits an apartment with HANNA, 20s. *If we've been paying attention she's the hottie, the one Jimmy tried to kill.*

Angela watches them go to his car. They drive off.

**INT. PENN PSYCH WARD - ANGELA'S OFFICE - DAY**

Hanna's relaxed in the Eames chair across from Angela who swivels her chair back around. The first few buttons of Hanna's blouse are undone.

ANGELA

Smoking's just a symptom, I was asking about your boyfriend.

HANNA

Still married. And thanks for bringing it up.

ANGELA

It's kind of my job to bring it up. Last week you were ready to call it off.

HANNA

Waiting on him to leave his wife will kill me faster than smoking, I know it. But if I can't even quit cigarettes, how will I get the guts to leave him?

ANGELA

Take a deeper breath. Now, let your eyes close tighter, and imagine you're staring at a wall... now look down. You're holding a paintbrush. See it? You can repaint. Any color you choose...

HANNA

I choose red... a sea of red.

**EXT. A BEACH - NIGHT**

She readies her stethoscope in her ears, checks Hanna's heartrate. Hanna's eyes move rapidly behind her eyelids, her jaw grows slack.

ANGELA

And when you awaken, you will be ready to tell him what he needs to know, without any fear whatsoever. Have you finished painting yet?

Hanna lifts her INDEX finger - their signal.

ANGELA

Good. Now, let's talk about Bill.

Off Angela, calm and confident, Hanna in her hands...

**INT. ANGELA'S HOME OFFICE - DAY**

LOGAN, 40s, a parole officer, unshaven, - is with Angela. The two stare each other down, icy.

ANGELA

Is there any chance -- any chance at all -- that you can let him off with a warning?

LOGAN

No, Dr. Krieger. He missed another appointment. He violated his parole. Those are the rules.

ANGELA

How about this? You let him go with a warning this one last time. And I will personally see to it that he gets there on time and early. I'll bring him myself. No harm, no foul, right?

LOGAN

Seriously? Why? I mean -- why?

(CONTINUED)

Logan studies her, something complicated playing behind his eyes. Angela thinks better of it, shakes her head.

ANGELA

Here's the thing. May I call you Logan? There's a sleeping tiger. The wild impulses that sleep within us, awaiting to be awakened.

Angela flashes a checkbook. Logan stares, unmoved.

ANGELA

All of us are capable of anything given the right circumstances. You see -- Jarek was abused as a child and it almost drove him to kill. And I'm trying to destroy his urge to commit crime.

LOGAN

Bribery is a felony in California, punishable by a year in prison.

ANGELA

Oh c'mon... there must be something you want.

Logan's already made up his mind. His eyes travel up and down Angela lasciviously.

**INT. KRIEGER'S HOME - KITCHEN - DAY**

Angela slices vegetables. She hears the front door open and close, and then Jarek comes in. She eye-fucks him, not pleased.

Continues slicing. Jarek embraces her from behind. She flinches a little.

ANGELA

You have a good day?

JAREK

Mm hm.

ANGELA

You do anything special?

JAREK

Nah.

JAREK

Oh, shit. I'm sorry. I completely-

Angela stabs the air to emphasize her point.

ANGELA

This is the second time this month. What's your problem, you're illiterate? How hard is it to make a simple appointment?

Jarek steps back and Angela advances on him with the knife. She's kidding, of course, but it's hard to tell.

JAREK

Could you put the knife away?

ANGELA

I'll put the knife away. You want me to put the knife away?

Slam! She **SHOVES** him up against the fridge, making out furiously... ravenously. Magnets **CLATTER** to the floor. He sniffs her, deep, close, a rabid dog ready to pounce.

JAREK

You smell like sex.

ANGELA

Um... women usually feel more open and wet and are hotter and smell like sex even if she has washed.

(off his look)

Yep, men are like dogs you'll can tell... But that's not all bad for some men. A lot of women love to have sex with several men in the same day to feel she's being accepted. It is taboo and women love taboo, Jarek -- just like in the garden when Eve went and talked with the devil and let herself get beguiled. Some say that Satan tickled Eve's ass! I'm thinking that sex was the fruit maybe.

**INT. POOL HOUSE - DAY**

Crammed room. It's disaster area. Pool equipment strewn. There's a dingy bed, with a dirty bare mattress.

Angela walking in. Jarek, sweaty - replaces the stained sandstone.

ANGELA

There you are. I've been looking everywhere for you. Why isn't the water working? It's bad enough I'm late, but now I have to use the bathroom and there's no water!

Just then, Popeye appears, tool belt on. He eyes Angela lustily.

POPEYE

You can go in the bushes.

Angela fixes Popeye with an icy glare.

ANGELA

That's real nice of you, but I'm gonna have to pass.

**EXT. KRIEGER'S HOME - BACKYARD - DAY**

They trudge back towards the house in an awkward silence.

ANGELA

Geez, can we get real for a second? Seriously, Jarek. You have shitty taste in friends.

JAREK

Popeye. Best buds since grade school. He's good people.

ANGELA

You mean Benji Garcia. His name was in your file. He's the one who took you joy riding in that stolen car. The one that sent you to juvie. What is he doing here?

JAREK

Helping me build your gazebo.

ANGELA

JAREK

So now you get to choose my friends?.

ANGELA

No, just him.

She moves in close to him for a second, heads close, foreheads touching, lingering. They kiss. She goes.

**INT. KRIEGER'S HOME - BATHROOM - DAY**

The SHOWER runs. Jarek's clothes lay in a pile on the floor. He is already in the shower -- the new mechanical shower heads swirl and spin - Misting and steaming.

Angela hurries in, undressing, a little flushed with transit and maybe a little excitement.

She joins him. They crush together, kissing passionately.

ANGELA

The water pressure is amazing.

**INT. KRIEGER'S HOME - BEDROOM - NIGHT**

Thunder and rain. Angela and Bill, asleep. Until there's movement near the bed. Suddenly, a lightning flash reveals --

Jarek, naked, a *HYP-NO-TIZED* zombie, pulling back the covers, pulling up Angela's sexy nightdress. He's on top of her, moving frantically, as fast as he can.

Angela jerks awake. Reflexively pushing him off when she see there's no life in Jarek's eyes. Then it dawns on her... he's sleepwalking.

Jarek seems shocked by her response, by the very fact that she awakened. Stares at her in horrified disbelief. Bill snores himself awake.

Angela, with a wave and a "shush" gesture. In a quavering, intense, sharp voice...

ANGELA

I'm trying to wake him. I need to be careful.

He could become angry, violent.  
Possibly hurt himself or us.

Bill, none the wiser - reluctantly nods.

ANGELA

Mr. Spector?

Jarek snaps out of it, stares at her, then Bill.

**INT. KRIEGER'S HOME - GUEST ROOM - NIGHT**

A disturbed Jarek in boxers sits on the edge of the bed.  
Marla returns with a stocking.

JAREK

I swear...I don't even remember  
getting out of bed. It won't  
happen again.

ANGELA

How? How can you promise not to do  
something you can't even control?

She touches his lips, shushing him.

Angela ties a stocking around his wrist before tying the  
other end to his bedpost. No sleepwalking tonight...

ANGELA

Just for tonight. I'll write you a  
prescription for benzodiazepine in  
the morning.

**INT. KRIEGER'S HOME - BEDROOM - NIGHT**

Bill and Angela have just turned out the light, Angela,  
wrapping an arm around him, getting ready to sleep. Bill  
looks up at the ceiling. A beat

She smiles, begrudgingly, then addresses his suspicion.

ANGELA

Sorry. I should've told you  
before, he has a sleeping  
disorder. Yes. Parasomniacs like  
him can do almost anything while  
asleep that they do while awake.  
Preparing food, driving, murder!  
They just won't have no memory of  
it.

BILL

Wow... Is that even possible? To drive while asleep?

ANGELA

If they're familiar with the route, or if they've been there before. It gets stored in the subconscious. Like a GPS lodged in the mind.

BILL

So he's been in are bed?

Angela responds with a searing fuck-you glare. She deliberates for a beat. *"How do I squash his suspicions."*

BILL

Just kidding.

ANGELA

It's not funny.

**INT. KRIEGER'S HOME - KITCHEN - DAY**

Angela sits at the island, her laptop open, sipping coffee. Jarek searches the fridge finds some bacon, a hotdog, some luncheon meat.

Dumps all of it in the same frying pan. Angela gives his food the stink-eye.

JAREK

Prison. You sort of get use to it.

ANGELA

I know with a good amount of certainty that you've sustained some sort of trauma in your past.

JAREK

Trauma. Like what?

ANGELA

I don't know. You may be the only person who knows what it was.

JAREK

I'm sure I don't

Sleepwalking, or violent dreams.  
Clearly whatever happened has been  
repressed by your consciousness.

JAREK

Why?

ANGELA

To avoid pain. It's not uncommon,  
Jarek. I've had patients who were  
abused as children for instance  
you can't remember a thing in  
their life before the age of ten.  
The human body has some very  
powerful defense mechanisms.

Jarek's awkward expression says it all: weird.

JAREK

Well I wish whatever it is would  
just stay there because I can't  
deal with it.

ANGELA

That's the problem you see -  
trauma that's been repressed are  
usually too powerful to be  
forgotten. So that manifest  
themselves through different ways  
like in sleepwalking.

She studies his worried face.

ANGELA

We have to work hard on trying to  
get you to remember whatever it  
was and then we can deal with it.

**EXT. PHILADELPHIA STREET - DAY**

Angela pays for two Philly cheesesteaks with the works  
from a sidewalk vendor. She hands Beth one as they walk  
and talk.

They laugh. As they walk, Angela and Beth enjoying, no,  
relishing Philly cheesesteaks and fountain drinks.

ANGELA

His behavior suggest some trauma  
and when I ask him about his past  
nothing seems to be out of the  
ordinary.

BETH

Hypnosis. Do you think that a help?

ANGELA

I'm not sure but I'd like to try though.

She shakes pills from a prescription bottle, pops them in her mouth, takes a swing of her drink.

BETH

First Amphetamines to stay awake and then downers to calm your nerves... what's gotten into you?

ANGELA

I'm a doctor. I know what I'm doing.

BETH

Doctor's make their own worse patients.

**EXT. KRIEGER'S HOME - BACKYARD - DAY**

The concrete slab is set and the wooden framework is mostly complete for a GAZEBO but there's not even a roof yet.

Angela approaches with a tray of sandwiches and an ice cold beer, Jarek, jeans, tool belt on, gladly accepts.

ANGELA

Roast beef on rye. The house specialty.

Jarek gives Angela the grand tour. She smiles, pleased...

**EXT. NEIGHBORHOOD BAR - NIGHT**

A shot-and-a-beer place with a low life look...

**INT. POOL JOINT - NIGHT**

A dark, smoky, honky-tonk with a jukebox. Bad things happen here. Drugs, sex. Jarek and Popeye shooting pool, drinking beer.

Angela loiters nearby. An eternal teen-ager. Sexy tight mini dress. She throws back some beer, savors the last drop.

Jarek kisses her neck. She squirms but loves it -- him.

ANGELA

Your old stomping ground, huh?

JAREK

Yea. I did time with those animals. You feel me?

He notes the hickey's on her neck and shoulders.

JAREK

Sorry, hopefully he won't notice.

ANGELA

I doubt it. And, if he does, I'll just tell him their souvenirs that came with my sore pussy.

Popeye plops down on the stool beside Angela and finishes his beer. She eyes him with utter contempt.

ANGELA

This is a private conversation.

POPEYE

Not when you're talking that loud. Your language is a little raw.

ANGELA

Sounds like you'd be happier a few stools down.

Jarek excuses himself to go to the bathroom.

Angela reaches into her back pocket, pulls out several tickets, hands them to Popeye who grins.

ANGELA

That should make it easy. Courtside Sixers' tickets. With parking.

POPEYE

That's nice, but I'm gonna have to pass. I'm a Lakers fan.

Popeye can't help but chuckle at his own joke.

Angela sees Jarek with KIMBER, 40ish; an aging sorority girl, and there's something cosy about the way they're talking. Almost intimate.

ANGELA

I have two options. Do nothing or do something. And the first one isn't really an option.

POPEYE

Whoa, you sound like his mother.

Fuck the niceties she gets in his face.

ANGELA

I know right? Here I am busting my ass to get him right. So, I'm going to need you to stay away from him. Don't you get it. I'm trying to save his life.

POPEYE

Bummer.

ANGELA

Look, sleazebag. You really don't want to piss me off.

He gropes her ass. Whack! Angela smashes a beer bottle against his head, shattering it. Popeye buckles.

ANGELA

Asshole, that's a tiger tail you're reaching for.

He flashing a nasty-ass blade. Jarek gets between them.

JAREK

Easy, now. Popeye, chill.

POPEYE

If I were you, Jarek, I'd have tranquilizer darts on hand for that type of tiger or she'll end up in a very different kind of cage.

Angela takes Jarek's arm and heads for the exits.

**EXT. DRIVE -IN THEATER - NIGHT**

A graveyard of slanted INTERCOMS and Angela's Porsche is parked before a giant film SCREEN in an antique drive-in theater. The lot is glaringly empty; stark and desolate.

A forgotten relic of yesteryear.

**EXT/INT. ANGELA'S PORSCHE - HIGHWAY - DAY**

Jarek and Angela make-out hardcore as a classic porn movie "DEEP THROAT," quietly sounds from the SPEAKER BOX affixed to the Porsche's driver's side window.

Jarek, shirt undone, pulls up his pants. Angela, hair tousled, dress unzipped. Fairly obvious they've just finished a quickie.

The slice of passing headlights casting fractured light across their faces.

ANGELA

Apparently we're not the only ones  
you think up places like this.

JAREK

God, I'm so in love with you it  
makes me nauseous.

ANGELA

You love me? What about that skank  
back there?

JAREK

Kimber? What's the matter with  
you? You know how I feel about  
you.

ANGELA

Do I?

JAREK

Unless you're a fool. She means no  
more to me than Bill does to you.

ANGELA

He does though. Peace and  
security.

JAREK

It's the money.

ANGELA

Partly. But there's another kind of security that Bill can give me. Without him I'm afraid of those things I'll do. Afraid of what I might become. Bill is goodness and safety.

JAREK

And what am I?

ANGELA

You're strength, excitement, and depravity! There's a certain corruption inside of you that would drive most women away, but not me...

They look at each other. There's something intimate between them. RAW, SLIGHTLY UNPLEASANT, BUT REAL.

**INT/EXT. ANGELA'S PORSCHE - NIGHT**

Jarek, an intense look in his eyes, drives down the long rural road, knuckles white on the steering-wheel, jaw taut.

Sounds of a sloppy and enthusiastic blowjob. After a long moment, he shudders, relaxes.

SCREEEEEEEECHING out of a hard turn through an intersection. They've just cut off a PICK-UP TRUCK, its HORN BLARING.

Angela lifts her head from his lap under the steering-wheel, pulls kleenex from the glove box, wipes cum off her to see the wheeler chasing them. Fuck!

The truck RAMS them from behind.

The Porsche swerves out of control and jumps a curb. A stop sign SNAPPING in half across the hood, then coming to a stop.

**EXT. STREET - NIGHT**

The TRUCKER, 30s, a whale of a man, climbs down from the cab, a tire iron in hand, runs towards the Mustang and --

**INT/EXT. ANGELA'S PORSCHE - NIGHT**

He smashes the driver window with a tire iron.

They recoil from the shattered glass. Jarek PUNCHES his face - the trucker yanks him out the window - Drops him on the pavement.

Jarek's a beast, a full on brawl. He smashes the trucker's head against the side of the car -- several times, finally denting the door panel.

Angela scrambling from the Porsche - watching the brutal beating through STROBES OF headlights from passing cars.

Jarek yanks him up like a rag-doll, slams his head repeatedly on the hood of her car.

JAREK

You wanna fuck with me?! Take  
that you sonofabitch!

The vicious assault continues, Angela watches in horror. There's a crazed look in Jarek's eyes, it scares Angela.

A beat, she struggles to pull Jarek off...

ANGELA

YOU'RE KILLING HIM!!!

Sirens in the distance. Angela ushers him towards the Mustang, they get in. She's at the wheel... tries to start it, no dice. *Shit. Shit.*

After several more attempts, the engine fires up and they get the hell outta there.

**EXT. CHOP SHOP - DAY**

Angela's damaged Porsche turns into the yard. Popeye working under the hood of a car nearby. He looks up and comes to greet Angela as she climbs out.

His eyes roam over her, fresh meat for the taking.

ANGELA

Can you fix it.

POPEYE

Give me twenty-four hours.

**INT. KRIEGER'S HOME - FOYER - DAY**

Angela gets to the door to find Malone and TWO UNIFORMED COPS with him.

ANGELA

What can I do for you, detective?

DET. MALONE

Dr. Krieger? If it's not too much trouble,

Malone reaches into his jacket pocket, produces a warrant, hands it over to Angela.

DET. MALONE

Search warrant. We'll start in his room.

Angela attempts to hide her concern.

**INT. KRIEGER'S HOME - LIVING ROOM - DAY**

She slides off her sexy shoes, pours herself a drink. She's suddenly conscious of Bill, directly behind her.

BILL

A suspect in a string of robberies.

ANGELA

They're just doing their job.

BILL

You believe that idiot?

ANGELA

Please, just... give him a chance. Don't ostracize him even more.

A silence stretches between them.

BILL

Do you believe him?

ANGELA

It's a little more complicated than that.

BILL

What's so goddamn complicated -

he'd already be under arrest.  
Let's not jump to any conclusions.

BILL

I'd like a vodka, please. With a  
splash of lemon juice.

ANGELA

And maybe a twist of Xanax.

**INT. KRIEGER'S HOME - HALLWAY - DAY**

Bill smashes Jarek in the mouth, hard enough to knock him unconscious. THUD. His face slams into the wall.

Bill's behind him, forearm around his neck. Bill whispering in his ear:

BILL

You little prick. Don't forget why  
you're here. We better not have  
this talk again.

Angela appears, rage in her eyes, gets between them, anger directed at Bill now. Jarek is spitting blood.

ANGELA

*Enough*. What the hell is wrong  
with you?

Bill, just stares at Angela. Grabs his keys, and leaves.

**INT. KRIEGER'S HOME - DINING ROOM - NIGHT**

Bill, Jarek, and Angela sit around the dinner table eating lasagna, and *Caprese salad with Pesto Sauce*. She pours herself more wine...

BILL

Okay, enough of the artsy-fartsy  
mumbo-jumbo. Let's just get down  
to brass tacks here.

JAREK

The wall in your sun room is a

BILL

Jarek, slight change in plans. I  
want you to re-pipe the house.

ANGELA

Oh, the bed keeps banging into the  
wall. Is there anything you can do  
to stop that from happening?

Bill grows quiet, intense. She wants Bill to know she's  
fucking Jack, she wants him to know they're enjoying it.

**INT. KRIEGER'S HOME - KITCHEN - NIGHT**

Angela is working through a mountain of washing up.  
Jarek, scraping his dinner plate in the trash.

ANGELA

I'll kill myself if I ever have to  
eat Italian again.

JAREK

I still want us to try Greek.

She laughs spontaneously.

ANGELA

Can we not go there again? It  
isn't up for debate.

Start kissing like crazy. It's sexy and intense. He  
slides his hand up her dress. Between kisses.

JAREK

Tonight? My room?

ANGELA

Yes. And yes.

The sound of footsteps. They separate as if nothing  
happened and walk in opposite directions, Angela casually  
straightening her dress.

**INT. POOL HOUSE - DAY**

In the semi-darkness, squeaky bedsprings, clothes strewn on the floor.

Our amorous couple are FUCKING. They are sweating profusely. She lies on her belly, holding onto the sides of the dingy BED with a death grip. It is suggested that Jarek could be sodomizing her.

She smiles through gritted teeth as a TEAR of repressed agony rolls down her cheek. They both moan. Orgasm.

**INT. KRIEGER'S HOME - KITCHEN - NIGHT**

Angela cracks raw eggs, dumps them into a glass of milk. Pulls a box of green tablets from her attractive robe, drops two into the drink.

**INT. KRIEGER'S HOME - GUEST ROOM - NIGHT**

In bed, Angela stares at Jarek as he's dozing, smiling post-coital peace. His eyes open, unnerved, then smiles.

She looks into his eyes, kisses him tenderly. She's really falling for him.

She tosses the zippo on a bedside table processing what she just heard --next to a box of green pills, Rohypnol.

ANGELA

Baby, relax. I gave him enough of that to knockout an elephant.

Angela dips a hand beneath the sheets, gently caressing, but his mind is elsewhere.

ANGELA

You okay?

She means his dick. It's not getting hard.

Jarek flicks his zippo's flint wheel and ignites the celluloid, again and again.

ANGELA

At this rate, you're going to run out of fluid if you keep that up.

Finally:

Jarek is a tad insulted by the direction this is going.

JAREK

ANGELA

You are. You need money-- come to me.

**INT. KRIEGER'S HOME - MASTER BATH - DAY**

Angela opens a cabinet and grabs prescriptions meds with "Bill's name on the label.

Maybe we can see the absolute rage and fury burning like molten steel in her eyes. Maybe we can't, but...

She dumps two tablets out, flushes the toilet, watches his pills circle the bowl before disappearing into obscurity.

Then pulls a handful of pills from her pocket and dumps them into the empty bottle. Presumably placebos.

She recaps the bottle and returns it to the cabinet.

**INT. PIZZA PARLOR - DAY**

A locals-only spot. Plastic, checkered tablecloths.

Jarek watches, annoyed, as Angela sips a Diet Mountain Dew. A half-eaten pizza on paper plates in front of them.

ANGELA

You never asked me once about that inkblot. Aren't you the least bit curious?

(off his look)

It's supposed to reveal how you really feel about your mother. Virtually everyone sees two girls or women.

Jarek goes to speak, but she cuts him off.

ANGELA

Let me finish, Jarek. Please.  
Your deprecating answers suggest  
poor maternal relations. Not to  
mention a vulvar fixation.

A waitress TERRI-JO, 40, a MILF re-fills their glasses.

ANGELA

I want you to talk under hypnosis,  
please cooperate with me.

JAREK

I'm pretty sure hypnosis will not  
work for me, so don't waste your  
time.

ANGELA

Let me be the judge of how well  
you perform under hypnosis.

JAREK

I can't be hypnotized.

ANGELA

Some are more suggestible than  
others. There's a test for it,  
actually. Would you like me to  
give it to you? If you pass -- you  
win. If you lose -- you have to go  
under.

He bites into her slice of pizza, shrugs, agreeing.

ANGELA

Follow my lead.

She interlaces her hands as if in prayer, then lifts her  
index fingers so they're aligned, but not touching. Jarek  
does the same. Terri-Joy looks on.

ANGELA

I want you to imagine a powerful  
magnetic force is pulling your  
fingertips together. You're  
fighting it, but you can't resist.  
It's getting stronger. Even  
stronger. It's too strong. *THERE!*

His fingertips close. Jarek shrieks and jumps back.

TERRI-JO

Whoa!

JAREK

That's just -- I was just going along with what you were saying.

ANGELA

Exactly. Most hypnosis is self hypnosis.

(off his look)

Besides hypnosis is a hell of a drug. I wanna give you the most mind-bending, dick-splitting orgasm found anywhere on the planet. I'm going to literally blow your mind.

**INT. PENN PSYCH WARD - ANGELA'S OFFICE - DAY**

Jarek plops into the Eames chair across from Angela who swivels in her chair. She starts to unbutton his shirt.

ANGELA

Don't get any ideas. I have to monitor your vitals. A few years ago I had a patient under, while we progressed he starting having heart palpitations. Almost lost him. Since then I've made it a requirement.

A beat, she kisses his chest, as she undoes his zipper and slips a hand inside, smiles conspiratorally...

ANGELA

The side effects can be dangerous. Panic attacks, a distorted sense of self, sexually aberrant behaviors, unexpected trance-like state, delusional thinking. I'm not screwing around. If you're not paranoid, you're crazy!

Jarek nods, settling in. Angela's voice is low and even.

ANGELA

Why don't we begin.

ANGELA

Take a deep breath. Now, let your eyes close, and imagine you're staring at a wall. Now look down. You're holding a paintbrush. See it? You can re-paint Any color you choose...

ANGELA (V.O)

*When the wall is covered in this new shade of blue, you'll be completely relaxed and at ease.*

**INT. PENN PSYCH WARD - ANGELA'S OFFICE - DAY**

Back with Jarek, Angela's voice fades down as her inner thoughts become audible in V.O. We cut back and forth between Angela's serene office and the ocean waves.

ANGELA (V.O.)

"Where is the little boy when not awake? Victorious and glorious in his dream state..."

Angela, calm and confident, Jarek in her hands, slips off her sexy pumps.

Angela's head moving in and out of focus in front of him. Beat. Angela looks up from her efforts, gently caressing his cock.

ANGELA

And when you awaken, you will be ready to tell Dr. Krieger what she needs to know, without any fear whatsoever. Have you finished painting yet?

Angela lifts her head from his lap. His heart is beating through his chest.

Angela readies her stethoscope in her ears, checks. His heart races, pounds, flutters. Her concern is evident, she makes a decision.

She whispers something in his ear...

ANGELA

Ok, Jarek, your hypnosis is now concluded; I will count to ten, and bring you out of the trance...ten... nine... eight...

Jarek, back from the dead... woozy, awash in the glow, almost dizzy-no, giddy-with enjoyment.

JAREK

Jesus. Doesn't even come close to describing it. It's like being completely sober and on three hits of ecstasy at the same time. Where did you learn that?

ANGELA

As a child, I'd open a Cracker Jack box and wolf through the molasses nubbins and nuts to get to the prize. I have simply swapped to a less sugary snack.

She pours water from the dispenser, drinks. Comes back with another cup, hands it to Jarek, who drinks thirstily

JAREK

Such a head enthusiast.

**INT. KRIEGER'S HOME - STUDY - DAY**

Bill enters his study, quietly frantic, cell pressed to his ear, waiting. The dead ring of an unanswered call throbs on the other end of the line.

Bill struggles to stave the violence he feels surfacing within him. He rubs his hands hard through his hair, as if physically trying to hold on to himself.

**INT. KRIEGER'S HOME - BASEMENT - DAY**

The naked lightbulb barely illuminates the clutter of washers and dryers churning in steady rhythm.

Angela is fucking Jarek on a wash machine. Her limbs wrapped tight wrapped around him. They're naked and damp with sweat.

Suddenly the washer kicks into it's spin cycle, roaring and buckling wildly. She bites and screams and holds on for dear life. The banging noise, their grunts and moans, and it's so fucking loud...

ANGELA

Jarek, oh god ...

Bill's face freezes in horror.

Despite her shock it soon becomes clear that Angela do not stop having sex with Jarek when she sees Bill.

He's fuming. His violence comes closer to the surface. Now Jarek sees him, uncouples himself, grabs his pants.

Bill slams Angela against the wall, choking her. Jarek tries to stop him, but Bill's grip too tight.

JAREK

Are you out of your mind?

ANGELA

Well, that's not the clinical description, but yes, he is, actually.

She holds Bill until he passes out -- he's not dead.

**INT. PENN PRESBYTERIAN HOSPITAL - CORRIDOR - NIGHT**

Bill, gagged, restrained, thrashes as he's wheeled on a gurney through a corridor. The gurney crashes through the doors marked: '*The Farm.*'

Believe it or not, sweetheart, it's for your own good.

He screams as ORDERLIES talk, they gag him. Angela injects him. His face relaxes.

ANGELA

If you'd remember to take your pills, we wouldn't have to go through this.

**INT. KRIEGER'S HOME - LIVING ROOM - NIGHT**

Jarek sits there. He bites a nail, nervous. Something is clearly bothering him. Angela fixes herself a scotch.

ANGELA

Mmm hm. The placebos were already taking effect. All I did was speed up the process.

ANGELA

You wanna tell me what else is wrong?

JAREK

What you did was cruel.

ANGELA

What *I* did was cruel?

Her eyes flash with anger for a sec then she backs off.

ANGELA

It's what we wanted. I was just the only one with enough guts to do something about it. You're welcome.

She holds his look a moment too long, then turns back to her drink. Angela continues--

ANGELA

I cant help feeling sorry for him, worrying about him, but you wouldn't understand that.

JAREK

Is that why you married him?

ANGELA

Perhaps. Or maybe it's like you said, for money.

Angela takes her drink and relaxes on the sofa.

JAREK

Paying him back for that?

ANGELA

I loved him, only he didn't realize it until it was too late.

JAREK

Why didn't you leave him?

ANGELA

I was going to, but he wanted to try again. That's like Bill, he's always breaking something and trying to put it back together. He insisted if we were alone things would be different...didn't work out.

Empty the register. Put it in a  
sack. Keep the change, old man.

**INT. GETAWAY CAR - NIGHT**

Popeye watches Jarek in the store. Looks at his watch,  
then back at Jarek. What the fuck is taking so long?

**INT. LIQUOR STORE - NIGHT**

A TEENAGE GIRL exits the restroom unaware of what's going  
on and startles Jarek, who pivots, the SOUND of a DOUBLE-  
BARRELED SHOT GUN snapping shut.

Jarek swings back around, too late.

The Old Man has a gun trained on him. He blows one  
barrel, sending Jarek scurrying under a hail of shot and  
exploding liquor bottles.

The terrified Teen-age Girl runs back into the bathroom.

Another hail. Jarek ducks. Raises the gun over his head  
and unloads without looking. Glass and debris settle.

The doorbell tinkles. Popeye hurries in, pops off a few  
rounds. He approaches the counter, leans over it, looks  
down. The Clerk lies there motionless.

Jarek rises up from behind the aisle, stands there. Fuck.

POPEYE

I'll be goddamned, Jarek, would  
you look at this shit.

**EXT. STREET - NIGHT**

Jarek runs. Police sirens wail. As the police sirens get closer, Jarek hurls himself into a garbage dumpster and the lid crashes down. The cop cars pass. Jarek opens the dumpster lid and climbs out, dirty.

**INT. GETAWAY CAR - NIGHT**

Popeye drives. Jarek rides shotgun. He fucked up. He knows it. Popeye knows it. His cell lights up with a new text.

POPEYE

Your phone's been blowing up. Who the hell keeps calling? You're girlfriend?

JAREK

She's not my girlfriend. She's got her claws in me. I can't stand it.

POPEYE

You gonna pout like a bitch all night?

JAREK

Goddammit. You didn't have to shoot 'im?

POPEYE

We. Suck it up, goddammit. It was either him or us.

**INT. KRIEGER'S HOME - GUEST BEDROOM - DAY**

Jarek lies awake. Shaking, snapping his Zippo open/shut. Angela walks in, staring at him.

ANGELA

What's going on Jarek?

Jarek, considering the question.

JAREK

I don't know.

ANGELA

I don't know? You run out in the middle of the night and don't come back until eight in the morning, no phone call, no explanation, looking like someone tried to murder you? Don't tell me I don't know.

**INT. KRIEGER'S HOME - LIVING ROOM -DAY**

Angela is transfixed by the TV, scanning news channels: a car chase seen from a helicopter. A store being robbed by two masked men.

For a split second, she hesitates. Then, quickly --

**INT. KRIEGER'S HOME - GUEST BEDROOM - DAY**

A panicked Angela cases the room, drawers, closet, the bedside tables, tearing it apart... desperately searches for something, while she speed dials her phone with her thumb.

Until she notices the mattress. She looks under it, finds a bundle of cash and a gun.

**INT. ANGELA'S HOME OFFICE - DAY**

Angela paces throughout like a caged animal.

A beat as she takes in his face. From her drawer she pulls a bagged gun, cash, throws them at him.

ANGELA

You lied to me.

JAREK

Trust me, Angie -- sometimes the truth is worse than the lie.

JAREK

You don't own me.

ANGELA

No, but let's just say I invested heavily.

JAREK

Oh, is that all it was an investment?

ANGELA

That's what it looks like. And a bad one at that.

Now they're at each other's throat.

JAREK

Shut the fuck up, Angie, you're not my fucking mother!

She looks back at him, unsure how exactly she wants to tear him apart.

ANGELA

Shrinks didn't even exist until a hundred or so years ago. You know who people listened to before then? Their *MOTHERS!*

(then)

You're a guest in my house. Don't you talk down to me like you did again. Ever.

JAREK

No, prisoner. I might as well be back in jail.

ANGELA

That's exactly where you belong. It's like you don't care. You have absolutely no passion for anything but screwing me to the wall.

She grabs a snow globe, hurls. The globe barely misses the head of Jarek as it explodes against the wall:

Angela has had enough. It's time for some tough love.

ANGELA

Tell me. You're going to tell me. Or you can tell it to the police.

That freaks Jarek out.

JAREK

Look, Popeye's in debt to some big time drug dealers. We just needed some quick cash-- shit went south. We've pulled jobs like that a dime a dozen. He went crazy and just shot him -- I swear. I screwed up. You'll fix it. You always fix it.

Angela takes him in, sighs. That's his perspective and she doesn't want it to crumble.

**INT. KRIEGER'S HOME - LAUNDRY ROOM - NIGHT**

Angela, barefoot, rushes in, looking like she's just rolled out bed in a tank and Grandma panties.

She opens a washer, shifts through the wet load, finds Jarek's shirt. The one he wore the other night.

She takes out and lays it flat. Spattered with blood. A beat, Angela disappears out the back door.

**EXT. KRIEGER'S HOME - BACKYARD - NIGHT**

ON A FIRE PIT as it ignites in a fireball with a tremendous. WHOOOMF!

Angela stares at the flames for a moment before tossing Jarek's shirt into the fire. It's incinerated in seconds.

**EXT. CHOP SHOP - NIGHT**

A sound. Tires on gravel. A car rolls INTO VIEW. The ENGINE and headlights TURNED OFF. It stops. Silence.

Angela exits in black; a leather skirt and jacket, a knit turtleneck. Her legs look scrumptious and the leopard print fuckme pumps set them off.

All this only makes her more sexy, dangerous, even, as she throws on leather gloves, notes a light on in an upper office.

**INT. CHOP SHOP - NIGHT**

The doorknob jiggling, the door opens -- Angela gets up from her knees, pockets her lock picking tool. Slips in.

As Angela climbs the stairs, she eyes an ASTON MARTIN almost completely chopped. There's just enough left for us to recognize it.

**INT. CHOP SHOP - OFFICE - DAY**

Dirty, grungy, auto parts strewn everywhere, Popeye snorts coke, looks up when Angela enters. Her presence startles him. .

ANGELA

Don't get up. Relax. Door was unlocked.

He rises meekly, pulls out a Glock, aims it at Angela.

POPEYE

Bitch, take your sloppy ass out the room now, before I bust a knuckle on you!

ANGELA

Look, I know this isn't my place, but I was hoping we could patch things up.

(re: his gun)

You're the shot-caller, Popeye.

Popeye swigs on the bottle of rum.

ANGELA

You mixing rum and Oxy again?

POPEYE

Straight Oxy don't do shit. Pain I got make you puddle up like the candy-ass bitch you are.

He lowers the gun, sticks it in the small of his back.

POPEYE

I'm dyin' to tap that culo, too But gimme that bj. He said he went to another fucking planet. That it was like being sober and on three hits of ecstasy at the same time.

ANGELA

Ah. Ok. To be fair, it will blow your mind.

Angela moves towards him, undoes his pants and starts to go down on him briefly, before rising... she starts to slowly undress...

ANGELA

Lay back...

**MOMENTS LATER...**

Popeye's leaned back in his chair, stares at Angela, in a trance-like haze -- intermittent FLASHING RED LIGHT on his face.

(CONTINUED)

A HYPNOSIS INDUCTION gadget. A pensize light. Like a metronome. RHYTHMICALLY, FLASHING. ON. OFF. Angela's HYPNOTIZING Popeye.

ANGELA

You can't stay awake another minute. Your eyelids... they are getting heavier and heavier. You need to close them. You want to close them. You just want to sleep. Sleep deeply. Your whole body is limp. You feel yourself floating deeper. Can you hear me?

POPEYE

Yes, I hear you.

ANGELA

You're unable to lift your limbs. Try to lift your arm.

He tries, and cannot.

Angela smirks, grabs the revolver used in the robbery, unloads it, but leaves a single bullet in it, then snaps the chamber closed.

She lays it on the desk, retrieves the stolen cash from her jacket, and places it in a drawer.

She whispers something in his ear, then starts to bring him out of his hypnotic state.

ANGELA

Okay, Popeye, I'm going to count backwards from five and when I get to one you will be perfectly relaxed...

**INT. CHOP SHOP - OFFICE - NIGHT**

Popeye spins the chamber, then holds the gun, trancelike, compelled -- thumbs back the hammer. Puts the gun up to his head and PULL! -

A DEAFENING SHOT. BLOOD SPATTERS onto the desk lamp and paperwork, creating a gruesome still life. We hear the BODY FALL onto the floor.

INT. ANGELA'S HOME OFFICE - DAY

Jarek shakes a cigarette out of the pack, puts it in his mouth and flicks his zippo. He's being questioned by Malone. Beth lurks nearby. Angela looks on.

DET. MALONE

We found one of the suspects in connection to the robberies. Benji Garza. He killed himself last night.

A heavy beat, Jarek takes a deep breath.

ANGELA

You find the stolen cash? The weapon?

DET. MALONE

Yes, how convenient. But there were two suspects. And right now the only other murder suspect we have is YOU!

JAREK

Murder? What the hell are you talking about?

DET. MALONE

The store owner died last night.

Jarek freaks, obsessively snapping his zippo.

DET. MALONE

You and Mr. Garza's been friend since grade school, right?

JAREK

And we did time together in San Quentin. But I'm sure you know that.

DET. MALONE

Your whereabouts? Two nights ago?

JAREK

Lemme see. That was a Sunday night. I was here. All night.

ANGELA

I can vouch for that.

DET. MALONE

What makes you so sure he didn't slip out after you went to bed?

ANGELA

We were together.

DET. MALONE

Oh. uh-huh. He could have left while you your sleeping.

ANGELA

We weren't sleeping.

The revelation throws Det. Malone for a sec, then -

ANGELA

He's not answering any more questions. Not without his lawyer.

Angela dismisses Jarek. Malone cricks his neck, keeping his composure.

DET. MALONE

You're not calling the shots, Dr. Krieger! You best start helping yourself.

ANGELA

I beg your pardon.

DET. MALONE

For starters, hampering a criminal investigation.

ANGELA

You found your suspect, with the stolen cash, and the murder weapon in his possession. His prints on the gun. No reliable eyewitnesses. A grainy surveillance video.

DET. MALONE

I know what I got.

ANGELA

No case. Sorry, I couldn't be more helpful.

Malone says nothing for a beat, then...

DET. MALONE

Isn't it unethical for a doctor to be sleeping with a patient?

(CONTINUED)

CONTINUED: (2)

ANGELA

So arrest me. Or get the fuck out.

DET. MALONE

Did you know your husband was having an affair?

Angela looks unreadable, her poker face in full effect...

ANGELA

No. Why do you ask?

DET. MALONE

From what little we could get out of him, Jimmy's got this notion he may have been under mind control.

(then)

Doesn't it strike you as odd. That a patient of yours attempted to kill a woman your husband is having an affair with? In my line of work, no such thing a coincidence.

A laugh accidentally escapes from Angela.

DET. MALONE

Something funny, Dr. Krieger?

ANGELA

Really, detective. It doesn't work that way. Forget 'The Manchurian Candidate' idea of a hypnotist making someone their robot to go out and do their evil bidding.

BETH

Maybe post hypnotic suggestion. But that certainly couldn't get someone to kill.

ANGELA

Of course not. You see hypnotism is only a person's own imagination. So you can never get them to do things against their own moral code. Unless you're hypnotizing a murderer.

DET. MALONE

So it is possible?

(CONTINUED)

CONTINUED: (3)

ANGELA

The dirty little secret is yes, it's possible but rare and such a person must already be inclined to undertake such activities. One with a predisposition to commit crime or one with a deviant personality. But people can be misled, with or without hypnosis.

DET. MALONE

Such as...?

ANGELA

For one, coercion. You know what that is, don't you? Convincing a normal person to admit to a crime they didn't commit is extremely likely, it happens all the time!

Det. Malone smirks, but clearly she's struck a nerve. She motions towards the clock, like any good therapist.

ANGELA (CONT'D)

I see our time is up.

**INT. KRIEGER'S HOME - LIVING ROOM - DAY**

Jarek slumped on the sofa staring into space. Angela fills a tumbler with ice, splashes some bourbon into it, hands it to him. Fixes one for herself.

JAREK

Popeye's dead.

ANGELA

I won't lie, Jarek. Don't expect condolences from me.

JAREK

I don't expect anything from you, least of all a sense of charity.

Angela shakes her head. So this is how it's going to be.

ANGELA

Oh, I see. Blame me. You wouldn't listen. You had to do it. I tried to tell you, but you knew better. It's like you don't care. You have absolutely no passion for anything but screwing me to the wall.

**INT. ANGELA'S HOME OFFICE - NIGHT**

Angela's at her desk, fighting insomnia, sips scotch, reviews a file, Jarek's photo clipped to it. It's late, the house is quiet.

A barefooted Beth saunters in, holding her heels. She wears a club skirt and top. Badge and gun clipped. Sexy is an understatement.

ANGELA

Fine. It just kinda... happened.

BETH

A torrid sexual relationship with a mental patient doesn't 'just kinda happen --

ANGELA

It was a mistake --

BETH

Oh you've transcended the realm of simple mistake. You're deep in abject betrayal territory here.

BETH

Everything ok...?

ANGELA

He takes nothing seriously because there's no consequences for his actions. He tries to joke or con his way out of everything. He'll never learn, he'll never grow. I think in some way he resents me because I remind him of his mother.

BETH

I love you. You know that. So I hate to be the one to break this to you -- but every doctor has limitations. Even you.

ANGELA

I'm not going to pretend that a little vacation from Jarek wouldn't be nice. But what's the alternative? If he goes back he's finished, I'm sure of that.

**INT. KRIEGER'S HOME - BEDROOM - NIGHT**

Angela, sultry in a see-through negligee, lies on her side, facing away from Jarek. She shuts her eyes, feigning sleep. He gets amorous from behind.

Angela is NOT feeling it. She shoves him away. He slaps her arm away - it's almost a slap fight.

ANGELA

I'm not a car, Jarek. You can't just start me up whenever you want.

JAREK

Since when did you become such a high class bitch?

ANGELA

I have an idea. Let's try something new tonight.

JAREK

Yeah, what?

ANGELA

Conversation.

JAREK

Ha! Conversation Angie? I don't think that's my strong suit.

ANGELA

When we first started seeing each other, your doctor sent me your medical records. There's a reference here to a brief stay at - Sutherland York psychiatric facility.

Jarek suddenly looks concerned, but tries to cover.

JAREK

So.

ANGELA

You were treated for A heart arrhythmia. It reared its ugly head while you were under hypnosis. So I terminated it earlier than I would have liked too.

ANGELA (CONT'D)

I want us to try again -- without the beej.

A reluctant Jarek paces agitated.

ANGELA

Your Parasomniac. You know what causes it? Extreme anxiety. Unresolved issues. Repressed memories. There's something you've locked away. It's the root cause of your problems. I want to put you back under hypnosis.

*Jarek moves her face-down, ass up.* She tries to extricate herself -- when he grips her shoulders, violently pinning her down, thrusting harder. Somewhere between hate and love. Good for both, as always, but cruel.

He grips her neck. Then, like a gasp for air -

ANGELA

What're trying to do, kill me?

Jarek squeezes. Tight -- crushing her throat. All while rambling...

He cums. She sucks up oxygen. It takes a moment for his expression to change to guilt.

JAREK

Oh God, no. I'm sorry.

ANGELA

About what?

JAREK

I got kind of... carried away.

ANGELA

You're obviously, trying to work something out. You want to talk about it?

Disappointed in his reaction, she looks back at herself. Angela's face changes: she calms down and becomes serene. She's made a decision.

She gets up, assessing the situation - she's trying to piss him off. And she is.

ANGELA

Your mother was a whore, wasn't she?

(CONTINUED)

Incensed, Jarek gets right in Angela's face.

JAREK

You don't know anything about my mother!

ANGELA

Considering she couldn't keep her panties on for five minutes -- she'd probably have some useful insight.

Jarek shakes his head, becoming increasingly emotional. Angela presses the issue...

ANGELA

Never thought your mom and me would have so much in common. And that whore, Tina, too.

JAREK

Why are you telling me this?

Jarek, feeling more and more like a cornered animal -

Angela SLAPS him HARD. He wasn't expecting that.

He grabs her around the throat, pressing his thumbs against her windpipe. His face is grim, set, his body rigid. *He is a killer. Her face distorted, chocking.*

Angela fixes him with FEARLESS, COLD EYES.

ANGELA

Well, go on. Fuck me. Kill me. Do something.

*A subliminal FLASH; Jarek (is 16 here) with his hands around his MOTHER'S THROAT, her eyes are bloodshot, slurred speech.*

JAREK

*I didn't want this to happen. I tried to make everything nice for you...I did...like it was before...why couldn't it be like before...*

*Another flash: She tumbles down the stairs, a long, hard, painful fall, there are unmistakable CRUNCHING sounds and finally she lands in a grotesquely tangled heap of arms and legs at the bottom of the stairs.*

*Jarek stands at the stop in a catatonic state. Over this, sounds of Angela gasping for air..*

ANGELA (V.O.)

*Jarek! It's me, Angela.*

**RESUME SCENE**

A horrified Jarek let's go of Angela. He staggers back, sobs.

A triumphant grin spreads across Angela's face as she instinctively grabs her throat, catches her breath.

ANGELA

You had your hands on her throat.  
Like you had your hands around  
mine.

JAREK

She was drunk. We argued. She  
slapped me. I sometimes can still  
feel the sting.

Subconsciously, Jarek touches his left cheek.

ANGELA

You're a lot of things, Jarek, but  
you're no killer.

(then)

You went into shock. And never  
came out of it until now. The  
truth, After you let go, she lost  
her footing.

JAREK

They kept telling me "It's YOUR  
fault.. It's YOUR fault..." They'd  
never let me forget it, either.

ANGELA

It's not your fault. She locked  
you out of her life since you were  
a baby, and that night was no  
different. And you didn't know how  
to deal with it, so you turned to  
a life of crime. In her own way,  
she did love you.

On and on his sobs go - so intense. Despite her frustration, Angela reaches to hug him, he weeps on her shoulder.

**INT. KRIEGER'S HOME - KITCHEN - NIGHT**

Early morning. Angela enters and finds Beth getting breakfast ready— She holds a fresh poured mug of coffee, hands it to Angela.

BETH

I just don't think it's healthy to be so obsessed with one patient.

ANGELA

I don't think it's healthy, either. But if I don't help him, no one else will. He's alone in the world. Look, I have an issue with talk therapy, you know that. The coddling, the unequivocal support. It doesn't do anyone any good.

BETH

Oh, and provoking a psych patient into a violent outburst is effective?

ANGELA

It worked.

**INT. KRIEGER'S HOME - MASTER BEDROOM - NIGHT**

The room is blanketed in shadows. Angela sleeps. Jarek rustles beside her. He quietly gets out of the bed. Throws on clothes. He leaves the room.

With Angela, her eyes shoot open. She hears a CAR ENGINE. She goes to the window-- her Mustang is pulling out of the driveway.

Angela, suddenly frantic as a hundred emotions rise up.

**EXT. KRIEGER'S HOME - DAY**

Angela's Porsche pulls frantically out of the driveway, she's alone in it.

**EXT. ROAD - NIGHT**

Angela desperately scans the road for her Mustang-- nothing. Grabs her cell, pulls up a GPS tracker, taking a right onto the Freeway out of town.

**EXT. FREEWAY - NIGHT**

Angela's cranes her frantic eyes to keep contact with Jarek and her Mustang in the near distance, finally it signals right--

**EXT. APARTMENT COMPLEX - NIGHT**

And her Mustang pulls into the parking lot of an apartment complex. Angela pulls over to the side of the road and watches--

Jarek gets out and KNOCKS on the door of an apartment. The door is opened, Kimber, half-wrapped in a hello-kiss kimono answers.

Off Angela, completely gutted. Jarek is lying to her. And as we linger on this image of her destroyed face.

**EXT. KRIEGER'S HOME - VERANDA - NIGHT**

Angela nurses a tumbler of scotch, watching the sun rise over the sleeping city. She's wrapped in a long cardigan sweater, but hasn't slept, an emotional storm is brewing, and the tides are rough.

Grabs her cell, punches re-dial. It goes straight to voicemail. She slams her drink, dark thoughts swirling.

**INT. KRIEGER'S HOME - FAMILY ROOM - NIGHT**

Lights off, the place is lit only by a dim and hazy blue of pre-morning.

Jarek comes in, a lamp switches on -- there is Angela, waiting calmly in a chair. Clearly been up all night.

She pours another bourbon. Like in a sultry Southern noir, Angela swirls her drink and eyes him over the rim. He speech is a bit slurred.

ANGELA

Did you finally get your friend  
put to bed? I watched her  
apartment for hours.

JAREK

And?

JAREK

You're making a fool of yourself.

ANGELA

I have I been waiting a longtime, Jarek. You think the time went faster for her?

JAREK

She's done everything she can --

ANGELA

That includes cooking dinner for you among other things. Great. She knows how to cook. Getting to your heart through your stomach. This whole discussion is making me sick to mine.

Then - a switch flips. Rage flares in his eyes. He gets in her face. He's a lot bigger than she is.

JAREK

Your smothering me. I can't breathe.

**INT. ANGELA'S HOME OFFICE - DAY**

She embraces him...

ANGELA

I made a terrible mistake and I have to set it right some way. So here I am. Feeling very small and very bare. I know I haven't any right to say this to you. It's like an atheist who calls a priest to his deathbed, but I love you. I can't bare to lose you.

ANGELA

Excuse me?

JAREK

I don't think talk therapy is all that effective. For me, at least. I think it's time to try something else.

A beat. Angela is hurt, but tries not to let it show.

ANGELA

Well, I think it's interesting that you want to leave just when you're starting to understand the underlying issues--

JAREK

What good is understanding why you're miserable if you're still miserable? Understanding's like a booby prize.

ANGELA

I don't agree, Jarek. I've seen tangible behavioral improvement in you. You've been so much more confident and optimistic these past few months--

JAREK

I'm taking *Prozac*. My doctor prescribed it for me.

ANGELA

Okay...I wished you had told me.  
(then)  
And you obviously think it's helping.

JAREK

Well you noticed the difference...so yeah. It gives you confidence, keeps you from bottoming out, you know? Like if I weren't on it, I don't think I have the guts to leave you.

JAREK

Actually I need my own space, authorize me an apartment.

Her eyes flash with anger for a sec then she backs off.

**INT. APARTMENT - DAY**

*Jarek looks around a sparsely-furnished one bedroom apartment as Angela paces nervously.*

ANGELA

*It's too small. There's no place to go if we want to escape.*

JAREK

*I haven't even moved in together and you're already looking for an emergency exit.*

ANGELA

*Okay, I admit, that was a bit dramatic, and I'm sorry. It's fine that you closed the door. It doesn't have to be a metaphor for our relationship. I just think you should give it some more thought.*

*Angela sits at a table, a pit forming in her stomach.*

ANGELA

*I begged, lied, cheated for you. And while that doesn't mean you're obligated to love me back -- I do think you owe me the truth about how you feel.*

*Jarek looks out the window, clearly stressed.*

JAREK

*I care about you, Angie. Without you I wouldn't be back here now. But the fact is -- I'm just trying to keep my head above water. And you're asking me a question I can't answer -- the truth is I don't know how I feel.*

Don't make me angry.*

She PUNCHES THE STEERING WHEEL, SLAMMING IT OVER AND OVER, as a roar of pure rage and frustration escapes her throat.

**INT. KRIEGER'S HOME - LIVING ROOM - DAY**

Pacing, Angela becomes panicked, paranoid. She stares at her cell phone. She dials again, seconds later, gets his answering machine...

ANGELA

*Jarek, can we please talk?  
You probably never want to talk to me again, I get it...but Jarek, I have so much I want to say. I'm so sorry about everything. I'm just crazy jealous. But I still love you. I never stopped. So whenever you decide you want to talk, I'll be around.*

**INT. KRIEGER'S HOME - HALLWAY - DAY**

Angela paces like a caged animal. The drink in her hand is not her first. Jarek, suitcase in hand, ready to leave.

A beat, Jarek tries a different tact.

JAREK

*When I first came here it was for all the wrong reasons. Bill's been good to me. Like a father. He spoke up when no one would. Got me the help I needed. And you did Angie. And for that I am forever grateful. My point is, I know you and Bill, and I think there's a real deep love there.*

JAREK

Absolutely. Sometimes, with busy jobs, and kids, people get out of synch. You just need to find some time alone to reconnect. And I'm giving it to you.

ANGELA

You're amazing, you really are. God, I could even believe you, if I wanted to.

JAREK

And if it doesn't work out, I'll be back.

ANGELA

If what don't work out? Me and Bill, or you and Kimber? And come back with more of your lies! I hate you! Wasting my fucking life!

JAREK

Sssh, calm down. I don't want to fight with you on my way out the door. Love is funny.

ANGELA

You have yet to convince me that you know what love is.

JAREK

Do you even know?

Angela can barely speak; finally she gets out:

ANGELA

I know it's not this. Whether Bill's intentions were honorable or not, he felt I could help you. I did that. It was always an interim arrangement. I'm glad we made some progress -- the fact of the matter is -- It's been fun, and we had a good time, but really, we've run our course.

He kisses her. She breaks away. He sneers, reaches for  
her dress and rips it.

Angela tries to extricate herself, Jarek grabs her breast-  
-HARD. She tries to push him back, he gets rougher, grabs  
her ass, pulls her into him,.

ANGELA

No! Let me go! I said no!  
Get your hands off me.

JAREK

You're a far bigger fruitcake than  
I ever was! Putting on an act of  
how normal and proper who were but  
you were really concealing the  
fact how much of a disturbed and  
self-destructive woman you are.  
Maybe you should be the one seeing  
a shrink.

Jarek's hit a raw nerve. She picks up the bottle.

He turns around and Angela bashes him in the face with a  
wine bottle. Crash! The bottle shatters. Blood and glass  
flies everywhere. Jarek goes down in a wet heap.

Angela stares down at his unconscious body.

**INT. KRIEGER'S HOME - LIVING ROOM - NIGHT**

Angela ascends the stairs, rage climbing with each step.

**INT. KRIEGER'S HOME - GUEST ROOM - NIGHT**

A beat. Angela eyes the unmade bed, the sheets from hers  
and Jarek's debauchery. She goes ballistic.

Rips the sheets off the bed. Now tearing the room apart  
like some escaped mental patient. Overturning everything.  
She throws a lamp at the mirror, SHATTERING it.

Then tears come. She slumps against a wall.

**EXT. KRIEGER'S HOME - BACKYARD - NIGHT**

CLOSE ON a SLEDGEHAMMER. Presently being carried across the backyard by Angela, resolute.

She lifts the sledgehammer and winds up -- smashing the half-erect gazebo. Once, twice. It comes crashing down.

**EXT. KRIEGER'S BACKYARD - NIGHT**

She stuffs them into that barbecue grill, sprays them with lighter fluid, sets them on fire.

**INT. KRIEGER'S HOME - LIVING ROOM - NIGHT**

Angela in distress, ranting and raving, combative, screaming, out of control. Beth is trying to corral her.

ANGELA

Let me go!

Beth hauls off and slaps Angela's face with full force. It a moment that takes them both by surprise. Angela falls into her arms.

Beth comforts her, holding Angela in her arms.

**INT. KRIEGER'S HOME - KITCHEN - DAY**

Angela stares out the window, lost in thought. Beth comes up behind her with a cup of hot java. Angela smiles in appreciation.

BETH

He doesn't want to press charges.

This surprises Angela, a glimmer of hope in her eyes.

ANGELA

I'm going. I have to see him.

Beth stares - you've got to be kidding me. But capitulation is clearly the path of least resistance.

BETH

You know, I should book you for an MRI.

**EXT. STREET - DAY**

Angela rushes through a steady drizzle, and dashes into a crusty, old, brown-brick building.

**INT. JAREK'S APARTMENT - DAY**

A tiny, shit-hole of an apartment. Jarek opens the door cinches his track pants, his head bandaged.

JAREK  
You did this to me!

ANGELA  
I know, and I feel bad.

JAREK  
Do you?

Angela nods, almost paternally. She chokes back a sob..

Only this time, Jarek's not flattered... or surprised. Instead, he looks regretful, ashamed.

ANGELA  
(consoling)  
I wanted it as much as you did.

JAREK  
It doesn't matter.

She moves closer, kisses his shoulder. He shuts his eyes, sighs. In another context, it's almost romantic. But here, he quickly shakes it off with a shudder.

ANGELA  
You're in love with me, aren't you?

She tries to kiss him but this only angers Jarek. He finally shoves her away.

JAREK  
Stop it! Get away from me!

ANGELA  
Don't you love me?

JAREK  
No. I know it's a cruel thing to hear - but you need to accept this, Angie.

Angela stares at them for a moment, losing her shit.

ANGELA

Oh I see it now, you were just using me, a naive sex starved wife, huh, and now that you've had your fun you're going to just toss me to the side, well I will not be ignored, Jarek!

Angry, she shoves the table. Chinese take-out cartons flies off the table, spilling food everywhere.

ANGELA

That was my fatal attraction impression.

A discernible menace in his smile. She meets his eyes.

JAREK

Maybe you don't understand the severity of your situation.

ANGELA

The severity of my situation.

JAREK

Hippocrates warned against it. Freud condemned it.

(then)

With all of that comes tremendous responsibility. And for lack of a better word, a lot of power. Power to help. Power to exploit. I was vulnerable, confused, and looking for someone to trust. And you violated it, misused your authority. You outta be in jail.

ANGELA

Son of a bitch! It was mutual.

JAREK

There's no such thing as consensual. It wasn't an equal relationship. And you know it. Ask me how I feel. I want to kill you and then myself. A love suicide. Like a Romeo and Juliet. Ridiculous as it sounds.

ANGELA

Oh, I agree it's ridiculous to think because a brief lapse in judgment, that you'd have no compunction about fucking up my life.

JAREK

Oh, I'd hardly call it a brief lapse in judgment. The first time, okay. But after that, all hell broke loose, and you wanted it ALL the time. Like, constantly. Hell, you raped me under hypnosis. I almost considered filing a restraining order. So. I'm going to slap you and that hospital with a three million dollar lawsuit.

*Angela just stares. She should have known better.*

**INT. PENN HOSPITAL - CONFERENCE ROOM - DAY**

DR. BROWN, 38, sits at the table, reading a medical Journal. Angela pours coffee...

ANGELA

Dr. Brown -- I'd like to step in on this one, if you don't mind.

DR. BROWN

Not at all. You're better suited.

ANGELA

...he demonstrates no danger to himself or others. Given our current bed situation, I feel I can recommend this patient's release with some degree of confidence.

**INT. BROWNSTONE - DAY**

Very cute apartment tastefully designed.

Bill follows Hanna into the living room. She doesn't sit. Just picks up a glass of wine - not her first - and stands there, anxious and tense.

HANNA

You look tired.

I'm sorry?

HANNA

I met someone.

BILL

What do you mean? Met who?

HANNA

It doesn't matter.

He's stunned. Trying to work it out, work it through.

BILL

What do you mean? When?

HANNA

Just go home, Bill.

BILL

This is my home.

HANNA

No, not anymore.

**INT. ANGELA'S HOME OFFICE - NIGHT**

The METRONOME. A finger comes into frame. Starts the pendulum rod. Tick... tick... tick...

Angela paces like a caged animal, dark thoughts swirling through her mind. Tick... tick... tick...

A sound. From downstairs. Angela freezes. Another sound.

**INT. KRIEGER'S HOME - LIVING ROOM - NIGHT**

She comes down and sweeps her eyes across the room, the gun barrel following, before realizing that the sliding door to the backyard is open.

ANGELA

This gun is loaded! I'll shoot!  
I'll shoot, damn it!

Bill steps into the light. He stares at her with angry, murderous eyes.

ANGELA

I could have killed you. I did  
what I thought was best.

BILL

For who? Me or you?

Bill explodes, grabs her by the shoulders.

ANGELA

What're you going to do, Bill? Hit  
me? Think that'll make you feel  
like a real man? Go ahead, Bill!  
Hit me!

His eyes bug out. For a moment it appears he is, indeed, going to hit her. Instead walks away.

ANGELA

I had hoped you'd make a full  
recovery, but you required long  
term. So I stood by your side  
faithfully, even when I knew you  
weren't...

Angela whirls on him, her anger pouring out.

ANGELA

you stole years from me. You caged  
me like an animal. You made  
me...inhuman. With Jarek, it was  
mostly the sex, but there was a  
psychological component to it. I  
can't remember the last time we've  
been truly intimate.

ANGELA (CONT'D)

When you turn to the person lying in bed next to you, try to initiate sex, and you get rejected. And it hurts and builds resentment then that resentment spills into other areas. And for what? Hanna?!

BILL

Once in a while a man has to be himself, Angie. There comes a time in every man's life when he has to be a failure in front of someone. You know everything about art, politics, fine wine but with Hanna I was on my own dead level. I could tell her my personal troubles. The stupid mistakes I've made. I could be me.

ANGELA

You could have told me. I'm so fucking angry. I hate you for bringing me into this. I wanted to come home and make things better between us. Now your mistakes are going to cost us. Whatever deal you previously made with him has now expired. He cut himself a new one -- he's suing me and the hospital for three million dollars.

A flicker of disbelief, horror as Bill realizes Angela might be telling the truth. She continues, dead-calm.

ANGELA

First me, now Hanna. That's right - she left you for him. Isn't that a laugh. He had us both at your expense!

Bill paces as if seeking escape - an outlet - but there's none. He gets up - pounds his fist into the wall.

BILL

All I want to do is get my hands on that sonofabitch!

He grabs Angela by the shoulders. Pained, almost irrational.

Beth and Angela spill out of the seedy bar in south Philadelphia. Angela's clinging to Beth like a lifeboat. They're a little bit tipsy. Oh, hell. They're drunk.

**INT. APARTMENT - NIGHT**

Jarek is distraught. A knock at the door. He answers.

With unexpected speed, Bill grabs Jarek by the throat and hurls him into the room! Slamming the door behind them.

Jarek is flung across the room. Goes tumbling head over heels. Bill edges closer to Jarek. Takes a moment of pure malevolent pleasure in Jarek's desperation.

Bill doesn't speak rationally.

BILL

Tell me something, when you were having dinner at my house, did you stop to think for one second that maybe your actions --

(punches his face)

Look at me! Weren't altogether honorable?

JAREK

Honorable?

BILL

Bill, seeing red, he charges at Jarek. Bill starts to PUNCH HIM. Pent up rage spilling out. The fight turns ugly. Primal.

JAREK

How does it feel? To be on the receiving end? Not so good, huh?

Jarek is instantly upon him, beating Bill relentlessly, over and over, It's nasty, a prison beating.

Finally Jarek lets up. Bill, now beaten so badly that he throws up all over the floor.

Jarek's terribly burdened by his troubles. Too far gone to stop now. He hits the off-camera Bill again... and again.

Beth and Angela come in, pleasantly buzzed, Angela starts getting out of her sexy shoes, so does Beth.

The sounds of their ardor are drowned out by FRANTIC BANGING on the front door - it startles them.

Beth gestures for Angela to go to the bedroom, she does.

JAREK

Where is she?

BETH

JAREK

Don't fucking tell me to calm down. You're a vulture. SEE, RIGHT there, that fucking kills me. You just standing there with that smug look. You're pathetic, you know that? You find that fucking funny.

BETH

Yeah. Coming from you?

JAREK

You think I'm fucking joking?

BETH

She's not here. You need to --

Then, a familiar ring tone; a deep roar and growl to a raspberry-like "chuffing."

Jarek eye-fucks Angela's cell phone amongst a trail of sexy shoes, leading to the open door of Beth's bedroom.

Beth goes for her gun when bam -- she's blindsided by Jarek-- tackling her to a Persian rug. Beth's gun skitters across the floor.

Both lunge for it...

Jarek can feel Beth right behind him so he stops and throws a haymaker. Beth slips it and drives a right cross into his jaw, then front kicks him onto his ass.

Beth grabs her gun and stands over Bill, stares at him. Adrenalin pumping.

**INT./EXT. ANGELA'S PORSCHE - NIGHT**

The roar of HEAVY RAIN. A run-down Philadelphia neighborhood. Angela slows, stares out the windshield. For the first time in her life, it seems, she knows just what to do.

A hunched figure hustles through the downpour and into the waiting car --

The figure shakes the rain from his head, and we now see: it's Jarek.

**EXT/INT. ROAD/PORSCHE - NIGHT**

Angela drives fast. Tires glide dangerously over wet road. He looks back constantly, no one following them at the moment. It's tense.

JAREK

She does... just a little.

A SIREN interrupts their conversation. Jarek looks back, a police car in hot pursuit.

**EXT/INT. ROAD/DODGE CHARGER - NIGHT**

Angela turns down a dark, rural road, surrounded by woods. Jarek is suspicious.

JAREK

ANGELA

You're paranoid. Relax. No cops out here. What? You getting care sick, Jarek?

Jarek looks back - they're not being followed.

JAREK

No. I'm going to the police.

Angela looks irritated.

JAREK

Bill attacked me first. It was self-defense. I'm sure they'll see it my way once all the fact come out.

ANGELA

No they won't. That's a murder rap, Jarek. That's a long time. With your record, twenty... twenty-five years... You think you can do that, no need to listen to what I'm about to say.

ANGELA

For a long moment, there's only the sound of the rain and the wipers. Finally, Jarek eye-fucks Angela again.

Stop the car. Let me out. I'm going to turn myself in.

ANGELA

I can't let you do that.

JAREK

You have no choice. Then after that, you are not in this picture. Understand? I don't want to see you, I don't want to talk to you, I want nothing to do with you.

But Jarek jerks the wheel, the car swerves to avoid it but too late--

It's hard to imagine there will be survivors.-

Just then -- someone or thing skirts out into the middle of the road! They see -- THE TIGER.

JAREK

Angela jumps from the car, breaks her fall, rolls away as the car fish tales, spins out of control, smashes through a railing... sails through the air and crashes headfirst into a ravine 30 feet below. A bone-crushing THUD.

Angela approaches the Porsche, gasoline spewing from the ruptured gas tank. She turns to see Jarek still crushed inside.

He reaches a hand out and grabs her ankles. She trips and falls in a puddle of gasoline. He brandishes his zippo. *Oh shit.* Angela tries to break free.

JAREK

We're suppose to go together. Can you smell it, all that gasoline. One flick of the wrist Ang and we go out in a blaze o' glory.

As he flicks and flicks, trying to produce a flame... A spark. Finally...

ANGELA

You pushed the panic button in my paranoid brain. But what Bill failed to realize, it wasn't YOU who raised the TIGER...

Angela escapes his grasp, he laughs but there's no humor in it as he eye-fucks the useless zippo.

He gropes her butt, her sexy slip sliding up to reveal her bare ass as an aroused Angela walks away.

ANGELA

Jarek, that's a tiger tail you're reaching for.

He squeezes her affectionately from behind. She laughs. He sniffs her, deep, close, a rabid dog ready to pounce.

JAREK

You smell like sex.

ANGELA

Um... women usually feel more open and wet and are hotter and smell like sex even if she has washed.

(off his look)

Yep, men are like dogs you'll can tell... But that's not all bad for some men. A lot of women love to have sex with several men in the same day to feel she's being accepted. It is taboo and women love taboo, Jarek -- just like in the garden when Eve went and talked with the devil and let herself get bequiled. Some say that Satan tickled Eve's ass!
