FADE IN:

**MOVING THROUGH A DENSE, DARK FOG - NIGHT**

Nothing is visible but a wet, thick blanket around us until we catch GLIMPSES of CITY LIGHTS. Looming. Finally, we emerge from the fog to find --

Independence Hall. Market Street. The Liberty Bell. Welcome to *Philadelphia*.

**EXT. BRIDGE - NIGHT**

Fog rolls across the bridge; its massive weight seems suspended on a bank of clouds. A ship's FOG HORN blows. HAZY police lights.

WE drift high through the CABLES and slowly descend as finally we reveal --

*JIMMY, 18, outside the safety rails, holds a knife against a COLLEGE GIRL'S throat. His breathing ragged, expression desperate, gazing down into...*

The dark, churning waters two hundred feet below them. A POLICE BOAT, its spotlight trained on....

The bridge's cordoned off for the press hordes, dishes beaming coverage skyward. ONLOOKERS.

DET. MALONE, 40s, African-American, rumpled. Cynical, burnt out, tries to reason with him.

NEGOTIATOR

You know why we're here? It's to help. Do you understand? Help.

A Porsche 911 TURBO races up.

*DR. ANGELA KRIEGER, 40s, jumps out, hastily put together in terms of hair, blouse, skirt, weathered trench coat. The consummate presence of a tiger pacing in a cage. Ferocious, calculating, and in the end, impossible to take your eyes off of.*

Angela, a vaguely English accent.

DET. MALONE

Can I help you?

(CONTINUED)

CONTINUED:

ANGELA

Yes, I'm Dr. Krieger. Jimmy  
Duncan. He's a patient of mine.

HOSTAGE NEGOTIATOR

You know this nut?

ANGELA

That's judgmental language. He's  
an obsessive of highly suggestible  
mentality. Might respond to  
suggestion.

Reluctant, hands her the mike to the PA system.

INTERCUT ANGELA AND JIMMY

ANGELA

Listen to the sound of my voice,  
Jimmie. Watch the light.

He recognizes her voice. He's responding, becoming  
increasingly hypnotized.

ANGELA

That's it. You will do nothing but  
listen to my voice...and watch the  
light. You want to do as I say.  
You trust me, Jimmie. You know I'm  
here to help you. Your eyes are on  
the light. You cannot do this,  
you're tired. Loosen your hands.  
Your hands...

A few tense moments, almost imperceptibly unravels his  
hands, the officers who latch onto Jimmie, take him down.

ANGELA

Let them help you. Help you.

EXT. NEIGHBORHOOD - NIGHT

The street is quiet, empty of people and traffic...

A stocking-faced man in a suit and overcoat, navigates  
the deserted street, staying close to the walls,  
preferring the pockets of shadow and concealed area...

His gloved-hand snapping his Zippo lighter open/shut.  
Until something else catches his eye...

**EXT. SEEDY APARTMENT BUILDING - NIGHT**

A less-than-desirable neighborhood, even at this early hour, crackheads and whinos mill about.

Angela exits, shrugs on her trench coat, starts down the street....She hears faint footfalls behind her. After two or three more steps, she stops, listens.

She looks back, nothing, shakes it off, She continues, her senses are heightened, our paranoia growing...

She unlocks the door of her Porsche 911 Turbo parked along the curve with an audible CHIRP when --

The Rapist grabs Angela who screams: "Hel--" before he clamps a hand over mouth-- drags her into --

**EXT. BACK ALLEY - NIGHT**

Down the trash strewn alley...

And suddenly he pulls her toward him, tearing open her silk blouse. She tries to scream but he's now out of control, a 'rape is in progress.

Angela, is strong, manages to fight him off at first but he's too powerful. He rips off her panty hose. She tries to scream, but his hand finds her face, a crumpled pink panty tight against her mouth and nose.

She struggles fiercely. The chloroformed panties takes effect; she slips towards unconsciousness...

He UNDOES HIS ZIPPER and goes to PENETRATES HER when--

A BUM stumbles into the forlorn alley, holding a 40 oz, crashing against garbage cans.

Angel and her rapist acknowledges the bum's presence.

He reaches into his coat, swings a .357 through a quick 90-degree arc, fires an inch above the bums head.

A brick shatters, sprays down on him, and the RICOCHET SCREAMS. The bum runs. She wrestles free.

Angela seizes the moment, slams her knee up between the Rapist's legs, momentarily paralyzes him. Gasping.

She breaks loose, follows through with a heel-palm to the sternum, grabs his arm, gives him a judo twist, sends him on his ass, nearly breaking his arm.

He fights for breath, slithers down the alley.

**INT. PUBLIC RESTROOM - NIGHT**

The incessant rumble of a passing SUBWAY TRAIN, shakes the cramped cubicle. Lights flicker. Graffiti riddled.

A wet Angela sits on the edge of the sink, a feet propped up on the toilet seat. Her skirt pushed up, slips off her pumps, rips away her torn panty hose.

Wraps them in a ball, goes to throw them away. Notes her moist fingers. Then, seemingly out of nowhere: Holds them to her face, inhaling her scent.

She checks her skirt for come stains, takes off her trench coat. Her blouse is soaked, erect nipples visible. Grabs paper towels, wets them, soap, and takes a whores bath.

**EXT. KRIEGER'S HOME - NIGHT**

A very attractive home in a fairly-affluent suburb of Philadelphia. Angela pulls in. She deboards, fumbles through her clutch for keys.

**INT. KRIEGER'S HOME - LIVING ROOM - NIGHT**

Equestrian trophies, medals, and plaques on the mantel.

BILL, 40s, ivy-league handsome, wears a bow-tie and sweater, and glasses, watches, as Angela makes her stealthy way into the room

She watches herself on TV briefly, enters the circle of lamp-light, exhaling on the sofa, slips off sexy shoes, massages her feet, presumably they hurt..

BILL

My students were impressed. They watch the news, read the papers.

ANGELA

I assume I made the grade? I'm surprised you're up.

BILL

I'm up. You can't sleep when I snore, so I can't fall asleep before you.

(CONTINUED)

CONTINUED:

ANGELA

I could sleep in the guest room.

BILL

No you can't. House guest.  
He's a former student of mine.

He hands her a file - reluctant, Angela peruses it.

ANGELA

Pretty lurid details. Battery on a  
Person. Resisting an officer. B&E,  
First-degree robbery: A registered  
sex offender.

She glares at Bill - as if he's got a major screw loose.

**INT. KRIEGER'S HOME - MASTER BATHROOM - NIGHT**

A romantic bedroom suite, at the moment, a little untidy.  
Bill is in bed, grading essays, absorbed in some notes.

Angela stands in the doorway in a white satin and lace  
trim slip and pumps; *a great recreation of the look Liz  
made famous in "Cat On a Hot Tin roof."*

She nurses a tumbler of whiskey on the rock.

ANGELA

How is his manners? Is he  
possible?

BILL

He had a football scholarship.  
Went to a reform school for boys.

She joins him, kisses Bill. He kisses her forehead and  
goes back to grading papers. Sighs. This is her life.

ANGELA

It's okay. You've had a crazy  
day. You're tired. I am too.

BILL

Don't do that. Don't start  
psychoanalyzing me.

ANGELA

That's my job, Bill.

BILL

You're not at work. Screw you.

(CONTINUED)

CONTINUED:

ANGELA

You never seem to be able to  
anymore.

**INT. KRIEGER'S HOME - LIVING ROOM - NIGHT**

Light from the pool bouncing off the walls, casting  
bizarre shadows across the dark room.

Angela uncaps a bottle of scotch, pours herself a drink.

A man, silhouetted, seated in a chair, flips the top of  
his Zippo open and shut. Snap. Snap. Snap.

Angela jumps, splashes scotch. The lamp clicks on.

JAREK, 20s, plays cat's cradle with a string. He's good,  
creating intricate patterns and undoing them. He wears  
drawstring pants. No shoes. No shirt.

His eyes linger on her slip that makes no secret of her  
body. He smiles up at Angela.

Angela doesn't return it. Her demeanor is all icy,  
controlled professionalism, but there's fury below that  
surface. She pours herself another scotch.

ANGELA

I see you've made yourself at  
home.

JAREK

Oh, you don't approve.

ANGELA

It doesn't matter what I want.  
He thinks your worth saving.

JAREK

And you don't?

ANGELA

I don't mind this little  
experiment. Although I think it's  
a waste of time. But you interest  
him, so I'll do all I can for  
you... whether it's therapy, or  
teaching you proper etiquette, but  
this is my house too, and I won't  
tolerate your shenanigans.

She studies his eyes, overcome with a sense of déjà vu.

ANGELA

Have we met before?

JAREK

Don't think so.

Jarek squirms like a convict waiting for sentencing. Angela isn't satisfied, but lets it go for now.

She flops down on the sofa, grabs a pack of cigarettes. Realizes no lighter.

Jarek moves towards her, flicks his zippo's flint wheel and ignites the celluloid.

Reluctant, she leans in closer as he lights it.

Angela's distracted by the big cock lurking beneath his pants. A 10-inch anaconda, pushing the underwear's fabric to the limit. She covers her subtle jaw-drop.

JAREK

You're English, aren't you?

ANGELA

And you're little Caesar!

His face ices over. He sits down. Angela notes his bruised wrist. How he favors his arm.

There's a flash of recognition on Angela's face, but she stays mum. Bill has stepped into the room.

BILL

I see you two have already met.

ANGELA

Twice. Good night.

**EXT. SKYLINE - DAY**

Then, as the SUN RISES over the Philadelphia skyline --

**INT. KRIEGER'S HOME - BATHROOM - DAY**

The lavish master bath. Classic walnut and marble and a huge vanity with a big mirror/separate power room.

Angela saunters past, NAKED, slips into the lavish stall. Turns on the shower, *preheated water RAINS DOWN*, as STEAM BEGINS TO MIST THE GLASS...

(CONTINUED)

CONTINUED:

After a beat we realize, she's touching herself, bringing herself to orgasm. But we stay out here where...

Jarek has been masturbating in the steam while he watches the suds accentuating her curves. Angela comes to a noisy climax. Done, she feels watched.

Peers behind her. Wipes condensation from the glass, no one's there. Jarek's lone gone.

**INT. KRIEGER'S HOME - KITCHEN - DAY**

A Better Homes & Gardens kitchen. Angela enters to find -  
- Bill woofs down breakfast.

BILL

How's our guest doing?

ANGELA

Keeping his hands to himself.

**INT. POLICE STATION - THERAPIST OFFICE - DAY**

Her office is modern but not stark. A placard reads:  
*'Sergeant Elizabeth Steiger' PhD - Police and Public  
Safety Psychotherapist'.*

Malone enters to find --

ELIZABETH, 40s, dark, suburban/sexy with a fondness for men, women, and booze. *We clock her badge and gun clipped to her belted sheath dress.* She dresses in dark hues.

She pops a couple of tablets, dry-chewing them.

DET. MALONE

What've you got there, Beth?

BETH

Malone. Tums. You give me heartburn. Lunch?

DET. MALONE

No can-do. Gotta see Dr. Krieger.

BETH

Now there's a real tiger for you. Just don't let her sink her claws into you. Once she gets a hold, she never lets go.

**INT. PENN PRESBYTERIAN - PSYCH WARD - DAY**

Angela escorts Malone through an antiseptic corridor with metal doors either side. A prison ward.

ANGELA

Jimmy has been diagnosed with everything from being a recluse to a schizophrenic with paranoid tendencies. Raging to the bizarre.

DET. MALONE

What does that mean?

ANGELA

He's a tough nut to crack.

She opens a hatch. Malone peers into a cell. Iron bars on a window. Jimmy cowers, mumbling to himself.

DET. MALONE

You ever used hypnosis on him?

ANGELA

Never. Jimmy's a criminal of high suggestibility, low intelligence. I used simple suggestion.

DET. MALONE

But you did put him in a trance.

ANGELA

I used no hypnotherapy.

Suddenly Jimmy jumps up right in front of the hatch!

Malone stumbles backwards, letting out an involuntary scream! Angela smirks, slams the hatch shut.

ANGELA

It's OK, if you're not paranoid -- you're crazy.

(pager beeps)

Another consult. ICU. Excuse me--

**INT. KRIEGER'S HOME - SECOND FLOOR - DAY**

Angela escorts Jarek, notices him still rubbing his arm.

ANGELA

Hurt yourself?

(CONTINUED)

JAREK

Old rotator cuff injury.

ANGELA

Of course, my judo training.

*A raspberry-like "chuffing" from a TIGER(her ring tone).*  
Angela checks her cell. Hits ignore, ushers him into --

**INT. KRIEGER'S HOME - ANGELA'S OFFICE - DAY**

A pleasant wood panelled psychiatric office. It's dark, windowless, but intimate and cozy. Meditation-Spiritual books line the shelves.

Behind her desk, AN EPIC DEER HEAD MOUNTED ON THE WALL BEHIND HER, grotesque. One of her hunting trophies.

Jarek lounges on a recliner. Angela sits across from him, her legs crossed suggestively. She writes with an Apple Pencil on an iPad Pro.

Catches him admiring her legs. Jarek doesn't register any embarrassment. If anything, his eyes continue to linger.

A psychiatric beat... as they both wait for the curtains to part, and the inner drama to begin to play itself out.

JAREK

I'm afraid I'm not good at this.

ANGELA

That's okay. I am. How many crimes the police don't know about have you committed?

JAREK

I'm not a murderer.

ANGELA

You tried to kill that bum?

JAREK

No! I just wanted to scare him.

Jarek glances up at the DEER HEAD ON THE WALL.

JAREK

That's what? A ten point?

(CONTINUED)

ANGELA

Twelve. There are two drop tines coming off the back. Can't see them from this angle.

JAREK

Nice. Rifle?

ANGELA

Muzzleloader.

JAREK

My father use to take me hunting.

ANGELA

Big game? Deer? Buffalo? Moose?

JAREK

Naw, Rabbits. Squirrels. I hated it. My mom would tell me to suck it up and do it for my dad. Hell, that bastard would threatened to shoot and kill my pets. Honestly, I tried to enjoy it, but I always felt guilty from the killing. When I was in fourth grade I threw a rock over a fence at a robin during recess. I thought it would fly away or my aim would just be off, but I hit that fucker and he fell over dead. I still feel bad about it to this day.

ANGELA

Remorse show us we're not a psychopath.

**INT. KRIEGER'S HOME - LIVING ROOM - NIGHT**

Angela lounges on a sofa, drinking gin and tonic and commiserating with Bill -- in a Lazy-boy, engrossed in a crossword puzzle.

BILL

What's a five letter word for psychological Aberration.

ANGELA

Crazy.

BILL

(amused)  
Yea, it fits.

(CONTINUED)

The wide GLASS DOORS look out onto the backyard where Jarek exercises. Shirt off - toned, sweaty. Angela stares at him lustily.

ANGELA

Beth want be to keen on us having a criminal as a house guest. I'm not so sure, either.

BILL

What do you think?

ANGELA

He's a bad boy with a bundle of anger. But he's far more intelligent than he lets on. And i think frightened under that hard shell of his. But that's what makes him so interesting.

BILL

If you don't like the idea we can call the whole thing off.

ANGELA

Well it's one thing to treat a patient on a prison ward, it's something else to have one in idea circumstances. If I can find out what makes him tick I can probably straighten him out. Besides we've never had a criminal for a house-guest. May be interesting.

BILL

Could be dangerous.

ANGELA

Quick tempered too. And I'm not a bit scared.

**EXT. KRIEGER'S HOME - NIGHT**

Headlights sweep the house as Beth's vintage SPORTS CAR races up the driveway. Angela stumbles out, giggles. Moves to the drivers side.

They kiss. Too passionate for a public, but they're rather tipsy. Unlike with Bill, it's passionate.

BETH

What was that? No tongue.

(CONTINUED)

ANGELA

You lose points for hooking up

sixers.

They laugh. Best friends? Lovers? Hard to tell, but the  
*residual sexual tension between them is palpable.*

BETH

'K bye.'

Beth peels off, burning rubber.

Angela fumbles through her clutch for keys. She tugs  
surreptitiously at her too-tight gown.

**INT. KRIEGER'S HOME - LIVING ROOM - NIGHT**

Angela strolls in from the foyer, the house is quiet.  
Jarek's in a comfy chair shuts a book with a *PHOTO OF*  
*ANGELA* on *THE COVER*. The awkwardness is palpable...

A *FLICKER OF PANIC* crosses Angela's face. She moves in  
such a way to conceal the split in her gown, which isn't  
easy, or possible

JAREK

Sorry, I didn't realize you were --

ANGELA

Oh, um...it's all right, just help  
yourself to anything you want.

JAREK

Anything?

Is he hitting on me? Angela seems interested, then pulls  
back as she uncaps a bottle of scotch, fills a tumbler.

ANGELA

Of course.

He lifts a photo of Angela on a horse, holding a trophy.

JAREK

Maybe you could take me for a  
ride.

ANGELA

Perhaps?

(CONTINUED)

ANGELA

I'm sorry, Mr. Spector, if I gave you the wrong impression. I do hope you're comfortable.

JAREK

Why?

ANGELA

Why? Because you're a guest in my house.

JAREK

No, I'm not a guest, Mrs. Krieger. I'm a prisoner. A condition of my parole was court-mandated counseling. Either this, or go back to prison. Why pretend it's anything else?

ANGELA

One more and it's time for bed.

JAREK

Is that an invitation.

ANGELA

There also needs to be boundaries, Mr. Spector. And we both know you've never been good at that.

JAREK

I've always enjoyed the challenge of self-improvement.

ANGELA

Can I offer you some advice?

JAREK

Everyone else is.

ANGELA

Don't mistake my kindness for weakness.

He sits in front of the piano, begins to riff on "*Piano Concerto Number Twenty-four in C Minor*." He plays passionately.

Angela listens, caught up in the beautiful music... enjoying him play.

ANGELA

Don't stop. I love Mozart.

(Jarek resumes)

Did you know when he wasn't writing one of his masterpieces, he wrote kinky letters. In one to his cousin, he told her he wanted to "shit on her nose" and watch it "drip down her chin.

Angela gestures towards the piece Jarek plays.

ANGELA

That's right, the same genius that wrote "Piano Concerto Number Twenty-four in C Minor."

A beat, then - Jarek gets up, moves closer to her.

ANGELA

What? You thought you were the only one with an utterly depraved sex life. When Einstein wasn't sciencing the shit out of everything -- he was pulsating his dick into as many women as humanly possible.

Then asks the burning question:

ANGELA

Would you have raped me if I hadn't gotten away?

JAREK

Yes. Why do you ask? Does it fascinate you.

As she eases herself up from the sofa, her displeasure is evident, but him as a potential prospect intrigues her.

ANGELA

No, it makes me sick. I despise criminals. They're not the one bit glamorous. There just wild, stupid animals who belong in cages. I can respect a rebel if it's intelligent rebellion but...I hate stupidity.

Angela downs her drink. Gracefully as she can, Angela saunters past him. Jarek stares, drawn, drooling...

**INT. KRIEGER'S HOME - HALLWAY - DAY**

Angela saunters down the hall, looking hot in Equestrian riding outfit that fits like a glove, but pauses outside the guest bedroom door first.

She cracks it just a sliver, enough to peek in at -

Jarek grips a bar, fastened to the doorjam. Pull ups. He locks eyes. Angela heads out. Jarek hurries out of his room, catches up with her.

JAREK

Hang on. I'll come with you.

ANGELA

If you want.

**EXT. OPEN FIELD - DAY**

The stallion jumps the fence, gallops into the field. Angela rides hard, Jarek clinging to her torso.

**EXT. HORSE BOARDING FACILITY - DAY**

Jarek hops off, helps Angela down. Reluctant at first, she accepts. They are a little closer together than is socially acceptable.

Before he can respond, Angela heads for her Porsche.

**EXT/INT. PHILADELPHIA - PORSCHE - DAY**

Angela drivers. Jarek rides shotgun. He casually throws his arms around the back of her seat.

ANGELA

That's not necessary, Jarek.

JAREK

(removes his arm)

Oh, I'm sorry.

ANGELA

It's neither cute nor innocent.  
Like back there. But you can't

JAREK

Am I that easy to read?

ANGELA

It's really not that hard.

JAREK

You can afford to be smug. Where  
as I...am the product of a broken  
home. A child of divorce.

ANGELA

Well, that doesn't give you a  
license to commit crimes.

JAREK

It's a mitigating circumstance.  
Ask any psychologist.

He grins. His arrogance, or rather his acknowledgement of  
his arrogance, is oddly charming. Angela rolls her eyes.

JAREK

I had no mother to guide me in my  
formidable years. And when my  
father was sent to prison for the  
second term I suffered a trauma.  
And my aunt tried to bring me out  
of my acute melancholia  
schizophrenic tendencies by  
showing me how to rob stores.

ANGELA

And you thought this would cheer  
you up. And make life rosier for  
you, huh? You looking for pity?

JAREK

You don't like me, do you?

ANGELA

Like? You don't matter to me.  
You're just a pet project. Here  
today. Gone tomorrow.

(off his look)

What? You think you're the first  
reclamation project he's brought  
home for me to rehabilitate?

ANGELA (CONT'D)

JAREK

And what is that?

ANGELA

Something sick.

JAREK

You sound like my parole officer.

ANGELA

They think you had a bad  
childhood. It's just an excuse.  
Lots of people come from broken  
homes.

A long agonizing beat.

ANGELA

I got a raw deal too. Still am.  
But that hasn't made me bitter.  
I've learned to embrace everything  
that happens to me in life with  
open arms and try to make the best  
of it.

She pulls into the driveway. He grabs her arm. She tries  
to pull away, but he holds tight.

JAREK

Dr. Krieger, you're fake. I know  
your type so well. Cool, calm,  
sophisticated, icy and  
untouchable. But beneath the  
surface lies an inner fire.

ANGELA

Inner fire?

JAREK

Don't get me wrong. I like the  
updo. It's just that it's a  
little... tight. Almost like you  
feel the need to bind yourself up,  
because you're afraid of what  
might happen if you just let it  
all go.

Her face ices briefly before she recovers.

**INT. KRIEGER'S HOME - ATTIC - DAY**

A dank attic crammed with storage boxes. A section of the ceiling sags precipitously. A thrift store bed with a bare mattress.

Jarek, jeans, t-shirt, drops his tool bag on a work bench. Rips a piece of molding on a table saw.

Angela approaches with sandwiches and an ice cold beer. She looks around, satisfied, at his progress.

JAREK

About time, I'm starving to death.

She points out the sound a door makes when you close it.

ANGELA

This squeaks and needs to be adjusted.

JAREK

You're in a good mood.

ANGELA

Why shouldn't I be?

JAREK

What's for dessert?

ANGELA

Well big cats are subject to sudden shifts in mood. Playful one second. Deadly the next.

**INT. KRIEGER'S HOME - LIVING ROOM - NIGHT**

Jarek watches a Sixers game on the TV, he's bored stiff. He flips off the TV with the remote, then rises, paces.

He glances at his watch, debating... In the b.g., Angela studies him from the staircase.

Jarek sits at the piano and plays "*Piano Concerto Number Twenty-four in C Minor.*"

JAREK

So, what'cha reading?

She reads from her kindle, "The Road Not Taken" aloud.

ANGELA

wood, and I took the one less  
traveled by, And that has made all  
the difference."*

JAREK

Ah, Robert Frost's "The Road Not Taken." It's about life and taking chances.

ANGELA

Ha, Is that what you think? It's about a path in the woods. How is that about taking chances? Ha, that's a laugh. Whatever a fool believes...

JAREK

I take it you don't?

ANGELA

It's about... a dirty old perv who leaves his wife for a virgin.  
*"...long I stood and looked down  
one as far as I could to where it  
bent in the undergrowth."* That's his wife. She's old. Bent over.  
*"Then took the other, as just as  
fair, and having perhaps the  
better claim, because it was  
grassy and wanted wear..."* Grassy and wanted wear. That's the virgin. That's how I look at it.

A beat, Jarek stops playing, moves closer to her.

JAREK

Not a whore, a virgin. A whore would make no sense. How is a whore a road less traveled?

ANGELA

Was. Now she's just a whore.

There's something deeper to that statement.

JAREK

You ever been locked up?

ANGELA

Not the way you mean.

JAREK

I don't care what way it is. Some people can stand it and some people can't. The ones who can't would kill themselves and anybody else just to get out for five minutes.

JAREK

Sure, I've hurt people that stopped me from doing what I wanted to do.

ANGELA

And what's that?

JAREK

Get away. Escape.

ANGELA

Perhaps I know what you're talking about.

**INT. KRIEGER'S HOME - MASTER BEDROOM - NIGHT**

Angela and Bill are in bed together, she reads a kindle. He grades papers. No eye contact. No words exchanged. Just two people who were once in love, but now merely roommates.

**INT. CHOP SHOP - NIGHT**

Stolen cars in various states of disassembly are being worked on in the bays. One GREASY MECHANIC is pounding fenders, another is spray painting a hood.

A third - POPEYE, 20s, a beefy/Latino thug, dismantles a Bentley, pulling off its rims. Jarek looks on.

POPEYE

They're caged up. You Man so waddup? Is it me? Or is it we?

JAREK

A guy need a reason. For practice. A man's gotta keep his chops up.

**EXT. NEIGHBORHOOD - NIGHT**

The buildings are run down. A SUITED MAN passes an alley, a thug grab him. Drag him into --

**INT. ALLEY - NIGHT**

Jarek and Popeye. Both are stocking-faced. Popeye pins him against the wall, his forearm pressed hard against the base of his neck.

JAREK

Hey, looks like we got a good one.

SUITED MAN

Take it easy. I'm not putting up a fight.

JAREK

That's good.

Popeye puts him in a full nelson and roughly turns him to face Jarek, who reaches inside the man's jacket, removes his wallet. Pulls out wads of cash.

Popeye punches him, knocks him out cold.

**INT. KRIEGER'S HOME - MASTER BEDROOM - NIGHT**

Angela hasn't slept well, listening to Jarek and a woman having very vocal and savage sex. Bill, a pillow over his head, blocking out the world.

**INT. KRIEGER'S HOME - BASEMENT - NIGHT**

An unfinished basement. Of all the repairs and upgrades their home needs, its the most neglected. Cement floor. Exposed insulation.

Angela, barefoot, with an armload of laundry, bounds down the steps. Pulls the chain on a hanging bulb, the light illuminates...

A small laundry room. Tight quarters. A clutter of washers and dryers churning in steady rhythm. The room... hot. Steamy hot.

She tosses clothes into a washer: She notices lipstick on the collar of Bill's dress shirt.

Angela stares, her face reveals nothing. She pulls the dry load out and places it into the basket on a machine. As she sorts through clothes...

Suddenly a washer starts acting like a caged animal, roaring and bucking wildly, trying to escape the closet.

She just stares, then panics, tries to contain a terror in her eyes, even if we don't know exactly why.

Angela flushes as some sort of transitive euphoria pumps through her.

Presses her body into it. Holds onto the washer. Stares at a crack in the ceiling, the sensation overwhelms her.

**INT. ANGELA'S HOME OFFICE - DAY**

Beth in a sheath dress, belted, badge and gun clipped, studies an ink blot card, flips it upside down, can't make heads or tails out of it.

Angela in full regalia, a blue lab coat, I.D. tags, stethoscope, and a brass lapel tag bearing her name.

BETH

Apparently I have dissociative personality disorder because I see an accrual inkblot. Rather than an imagined image. Thankfully I think all of this is a pile of piss that can't possibly indicate a specific personality trait. My other personalities disagree though.

They chuckle.

ANGELA

So what brings you here?

BETH

Mr. Spector. You should have told me.

ANGELA

I knew you wouldn't approve.

BETH

No, I wouldn't say that. It's a condition of his parole.

Has he been behaving himself?

ANGELA

I've kept my eye on him.

BETH

That's not what I asked.

ANGELA

Look, if I am to gain his confidence, I can't leave him caged up. He's got to be given a certain amount of freedom.

BETH

Mr. Spector is far too dangerous to be living under your roof.

Beth takes Angela's hand. Their faces inches apart. A kiss imminent.

ANGELA

I have you on speed dial.  
He should be here soon. Care to talk to him?

BETH

That won't be necessary. I'm sure I'll see him soon enough.

**INT. ANGELA'S HOME OFFICE - DAY**

On her desk, a display of Newton's pendulum have grabbed Angela's attention. She can't resist, grabs the balls and starts playing with them.

A long beat. Jarek enters. She gets up, slams the door shut... none to pleased.

JAREK

Excuse me? Is this where I go to get my head shrunk?  
(off her look)  
Look, I just lost track of time.

ANGELA

Not buying it.

ANGELA

Yea, it sort of comes out like a lie.

JAREK

Precisely, because I told a lie because you expected to hear one. It's human nature as predictable as sunrise and sunset.

ANGELA

Boundaries, Mr. Spector. I'm your therapist, not part of your posse. You show up at your appointment times -- not before, not after.

(takes her seat)

Mr. Spector, why don't you have a seat? We should get started.

Jarek gives her a wan smile as he sits across from Angela who subconsciously does lots of shoeplay, heel-popping, heels dangling, it's hot.

ANGELA

Bill tells me you found a shorter path from the hot water heater, so there's less waste as it warms. Who taught you how to work with copper?

JAREK

Yea, my old man.

ANGELA

He teach you anything about wood?

JAREK

He was a carpenter by trade.

ANGELA

What happened to him?

JAREK

He took off when I was sixteen.

JAREK

So what is a Rorschach?

ANGELA

Oh, ummm... It's a psychological test. Of perceptions. Interpretations. You know... The ink blots. You look at them and without over-thinking things, You say what you think you see.

Angela hands him one. He studies it.

JAREK

Well I was a student of art. When I look at them the thing that comes to mind is negative space. Like the image was trying make me see something that ain't there.

ANGELA

Humor me.

JAREK

Ok. I see a war is over and two people are getting bodies ready for burial. These two people they love each other and they wanna kill each other but if one of them is to die the other one is to die too.

She hands him another.

JAREK

I don't know why you're showing me such mixed up pictures, and I don't think I want to look at any more.

ANGELA

Just one more. I promise.

Angela senses she may finally be getting somewhere.

**INT. KRIEGER'S HOME - STUDY - DAY**

Books. Awards, framed Doctorates for Education. Bill in robe and slippers, enjoy a tray of milk and cookies.

Bill unscrews caps of half a dozen different bottles of prescription meds - he begins taking them with water.

**EXT. OPEN FIELD - DAY**

Jarek and Angela riding their horse along a peaceful landscape. Can't make out their conversation but its animated. The air is thick with temptation.

JAREK

Raising livestock teaches you a few things about life. You learn how to compassionately end a life. And you learn about sex. Roosters are horny little beasts and, if given the chance, will fuck all sorts of hens all day long. That mares' vaginas wink at you when the horse is in heat. Why? Because every farm animal we've ever owned had rough sex. Uh huh. The males push the females around where they want them. When they mount, they place love bites up and down the female's back. Hell, stallions pull their mares' hair. And you know what? I love every one of those things when I fuck. Every. Single. One.

She flushes as a transitive euphoria pumps through her. This is a side of Jack she's never seen. And likes it.

ANGELA

It's a power thing. I get that, you're tapping into your primal animal urges.

But in rabbits, if the females don't want to breed, they won't. The buck may throw a fit. They may, literally, kick and scream and bite, but the doe won't put out unless she wants to. All human sex should be safe, sane, and consensual. Period. No questions. No gray area. But that doesn't mean it can't be rough. Because, in my thoughts, it's supposed to be. Sex is carnal. Instinctual. Primal. It's raw and vivid and lewd. Yes, gentle, passionate and sensual sex is fine. But... rough sex is where it's at. It's getting late.

Angela nods, picks up the pace as Jarek races to catch up – alpha female and alpha male trying hard not to compete, but competing just the same.

**INT. KRIEGER'S HOME - KITCHEN - DAY**

Angela cooks dinner. She stares at Jarek.

He buries himself with removing light fixtures. The kitchen is steaming and the wife beater looks practically painted onto his muscles.

ANGELA

Aren't you supposed to shut the power off before you do that?

JAREK

Not if you know what you're doing.

She tries to look away but she can't. She's in lust.

The heat overwhelming her, she grabs the ends of the counter to prop herself up and finds herself holding A LARGE RIPE PLANTAIN.

She stares at it, then at Jarek. She heads into..

**INT. KRIEGER'S HOME - HALLWAY - NIGHT**

Barefoot, Angela, in a sexy black satin lace trim slip that accentuates her body, stands in the doorway. She nurses tumbler of whiskey. She's a bit tipsy.

Jarek changes the sheets - her speech is slurred.

JAREK

You look like you might be feeling slightly promiscuous tonight- ?

ANGELA

No different than any other night.

(re: bed)

Wet dream?

(off his nod)

Well, you see me in the morning, you see me at night. So you shouldn't be surprised that I started popped up in your dreams.

Jarek, thrown by her directness. Angela blinks - didn't entirely mean to say that out loud.

JAREK

I'd like to talk more about dreams. I think there are more to them than most people think, don't you?

ANGELA

So did Sigmund Freud.

He steps forward, presses his body against hers and kisses her. Angela's eyes open wide, caught unawares.

ANGELA

Wait, what are you doing?

Feeling his erection, she takes a giant step back. Jarek's embarrassed to have so misread the signs.

ANGELA

Goodnight.

Jarek and Angela stroll the meandering walk-aways between cages and habitats. A mist falls throughout the scene. The mist has become a drizzle.

They pause before a habitat. A TIGER pacing in its cage - 200 pounds of coiled muscle and rippling haunches. It's beautiful and terrifying.

She's staring back at Angela, mesmerized. Almost like a warning. No fear in its eyes. But none in hers, either.

ANGELA

Have you noticed why they use every space in the cage? They're making it as large as they can.

JAREK

He's looking for a way out.

ANGELA

It's a she.

Jarek can't hide his embarrassment - manages a smile.

JAREK

I don't usually make that mistake.

ANGELA

Not any more. She's just waiting.

JAREK

For what?

ANGELA

Her keeper.

The day has darkened, a downpour accompanied by a thunderclap. It's one of those showers that comes on fast and strong. They run for cover.

Angela runs off. He watches for a beat then following.

**EXT./INT. KRIEGER'S HOME - PORSCHE - DAY**

Jarek climbs in. Angela beside him. Suddenly, it's intense in the small space... body heat fogging the windshield as rain hammers the car, falling even harder.

JAREK

I don't know what to do with everything I feel about you.

ANGELA

Not this. And even if I were interested, it's against the law. Not to mention unethical. I have responsibilities with my patients and I've almost abused everyone of them with you. Look, I care about you. But this can't happen. 'We' can't happen. I'm sorry. The answer is 'no.

Angela feels bad saying it, but not as bad as Jarek does hearing it.

JAREK

ANGELA

I'm sorry. I just -- had one too many.

JAREK

Steam fills the room like a dense fog. The shower runs. Jarek, towel around his waist, shaves before the mirror.

Angela slips inside, leans back against the door, locks it. Sips from a tumbler of whiskey and ice.

She's for sure a little drunk already, but she has a look in her eye. A born interrogator.

ANGELA

Can I talk to you a minute?

JAREK

Sure. Your house, your rules.

ANGELA

Where did you go the other night?

Oh, wasn't aware I had a curfew.

Seems there's been a rash of robberies. You know anything about them?

They eye each other. She backs up imperceptibly. There is a knowing in her eye. He sees it. He takes a deliberate step toward her. She moves to her left...

ANGELA

I understand, but tell me something. What were you thinking of? I'm not that kind of woman. I am married and respectable. And perhaps that simple fact has less importance for you than it has for me.

JAREK

And I don't appreciate being manipulated. Does it give you some kind of perverse thrill to lead me on, always staying just out of reach.

Angela hauls off and slaps him. Really lets him have it. Angela spins and tries to run out, but Jarek's quicker.

He grabs Angela. She twists away, doesn't have time to turn around before his hand pins her head down on the sink, his other hand lifts the bottom of her robe..

He takes her, doggy style, right there. She let's out a primal moan. He thrusts so fast and furious, it looks like he's having an ass-spasm. She's not complaining. Her face turns into one of enjoyment and extreme lust. It is the first hint of emotion Angela has exhibited...

Angela catches her reflection in the densely fogged mirror with the humid residue of desire. she stares at it, a wild look in her eye, like she's afraid of herself-- she starts to panic.

It's the look she had in the laundry room.

ANGELA

Do it Jarek! Do it now! I can't stand it any longer! I've got to have a fuck! I've just got too! Please, Jarek! Stick it back in and fuck me! Finish what you started!

**INT. KRIEGER'S HOME - MASTER BEDROOM - NIGHT**

Dawn just creeping in...

The headboard slamming into the wall, chipping away at plaster, as Angela and Jarek have rushed, morning sex. As a middle-aged woman, Angela's desperate to believe she's still got it. Her esteem has metastasized into a bit of an angry chip on her shoulder.

And from here on in, all this comes out when she fucks.

Angela, trying to juggle a chaotic morning routine; slides bacon onto a plate of over easy eggs and pancakes in front of Jarek.

He shakes salt and pepper on them.

Angela grabs a bottle of vodka, pours herself a drink. Jarek deposits more bags. They embrace, converse between kisses.

Angela walks away, LAUGHING.

You have no shame. I respect that. What's shocking is how bad you are at hiding what a pervert you are.

JAREK

So is it -- y'know -- great?

ANGELA

The best. Ever.

JAREK

If you do decide to tell Bill? You may want to leave that part out.

Hanna's relaxed in the Eames chair across from Angela who swivels her chair back around. The first few buttons of Hanna's blouse are undone.

ANGELA

Smoking's just a symptom, I was asking about your boyfriend.

HANNA

Still married. And thanks for bringing it up.

ANGELA

It's kind of my job to bring it up. Last week you were ready to call it off.

HANNA

Waiting on him to leave his wife will kill me faster than smoking, I know it. But if I can't even quit cigarettes, how will I get the guts to leave him?

ANGELA

Take a deeper breath. Now, let your eyes close tighter, and imagine you're staring at a wall... now look down. You're holding a paintbrush. See it? You can repaint. Any color you choose...

HANNA

She throws back some beer, savors the last drop.

Jarek kisses her neck. She squirms but loves it -- him.

ANGELA  
Your old stomping ground, huh?

JAREK  
Yea. I did time with those  
animals. You feel me?

He notes the hickey's on her neck and shoulders.

JAREK  
Sorry, hopefully he won't notice.

ANGELA  
I doubt it. And, if he does, I'll

Popeye plops down on the stool beside Angela and finishes his beer. She eyes him with utter contempt.

Popeye can't help but chuckle at his own joke.

Angela sees Jarek with KIMBER, 40ish; an aging sorority girl, and there's something cosy about the way they're talking. Almost intimate.

ANGELA

I have two options. Do nothing or do something. And the first one isn't really an option.

POPEYE

The slice of passing headlights casting fractured light across their faces.

Apparently we're not the only ones you think up places like this.

JAREK

JAREK

And what am I?

ANGELA

You're strength, excitement, and depravity! There's a certain corruption inside of you that would drive most women away, but not me...

They look at each other. There's something intimate between them. RAW, SLIGHTLY UNPLEASANT, BUT REAL.

**INT. KRIEGER'S HOME - GUEST ROOM - NIGHT**

In bed, Angela stares at Jarek as he's dozing, smiling post-coital peace. His eyes open, unnerved, then smiles.

She looks into his eyes, kisses him tenderly. She's really falling for him.

She has to work at it to get his zippo to light. Finally it does. And lights up, inhaling the sweet, fleeting carbon monoxide relief.

She passes the cigarette to him.

ANGELA

JAREK

Already did. It running low on

ANGELA

I'll just get you a new one.

JAREK

No, it has sentimental value.

She tosses the zippo on a bedside table processing what she just heard --next to a box of green pills, Rohypnol.

JAREK

Face it, you're in love with me.

She looks at him with a discerning eye.

ANGELA

I'm not in love with you.

JAREK

Then why do you have sex with me?!  
I'm not even that good looking.

ANGELA

I don't know! It's like when you  
have a painful sore in your mouth  
but you can't stop playing with  
it.

Jarek nods, believing this. Or pretending to.

ANGELA

There are different types of addictions. Things that give us comfort when we feel out of control that become...habit forming. Some people are addicted to alcohol, some to drugs... for me it was sex.

She's tortured by this. It eats her up inside. Still...

ANGELA

Yeah... my addictions jump around. When I was younger, I definitely had a sex addiction of some kind, yes—that everything could be fixed by sex. You know what I'm saying? Drinking too. At one point I hit "rock bottom." That's the thing about me: I can go cold turkey. I am a binger, and I always have to watch myself, and I can just get obsessed with things. It's not what you're doing but how you're with it. Why you're doing it. It's the behavior that's attached to it, because if you want to have a lot of sex, that's great, but why are you having all that sex? That's what you've got to look at.

**INT. KRIEGER'S HOME - BEDROOM - NIGHT**

Thunder and rain. Angela and Bill, asleep. Until there's movement near the bed. Suddenly, a lightning flash reveals --

Jarek, naked, a *HYP-NO-TIZED* zombie, pulling back the covers, pulling up Angela's sexy nightdress. He's on top of her, moving frantically, as fast as he can.

Angela jerks awake. Reflexively pushing him off when she see there's no life in Jarek's eyes. Then it dawns on her... he's sleepwalking.

Jarek seems shocked by her response, by the very fact that she awakened. Stares at her in horrified disbelief. Bill snores himself awake.

Angela, with a wave and a "shush" gesture. In a quavering, intense, sharp voice...

ANGELA

I'm trying to wake him. I need to be careful. He could become angry, violent. Possibly hurt himself or us.

Bill, none the wiser - reluctantly nods.

ANGELA

Mr. Spector?

Jarek snaps out of it, stares at her, then Bill.

**INT. KRIEGER'S HOME - GUEST ROOM - NIGHT**

A disturbed Jarek in boxers sits on the edge of the bed. Marla returns with a stocking.

JAREK

I swear...I don't even remember getting out of bed. It won't happen again.

ANGELA

How? How can you promise not to do something you can't even control?

She touches his lips, shushing him.

Angela ties a stocking around his wrist before tying the other end to his bedpost. No sleepwalking tonight...

ANGELA

Just for tonight. I'll write you a prescription for benzodiazepine in the morning.

**INT. KRIEGER'S HOME - KITCHEN - DAY**

Angela sits at the island, her laptop open, sipping coffee. Jarek searches the fridge finds some bacon, a hotdog, some luncheon meat.

Dumps all of it in the same frying pan. Angela gives his food the stink-eye.

JAREK

Prison. You sort of get use to it.

ANGELA

I know with a good amount of certainty that you've sustained some sort of trauma in your past.

JAREK

Trauma. Like what?

ANGELA

I don't know. You may be the only person who knows what it was.

JAREK

I'm sure I don't

ANGELA

Sleepwalking, or violent dreams. Clearly whatever happened has been repressed by your consciousness.

JAREK

Why?

ANGELA

To avoid pain. It's not uncommon, Jarek. I've had patients who were abused as children for instance you can't remember a thing in their life before the age of ten. The human body has some very powerful defense mechanisms.

Jarek's awkward expression says it all: weird.

JAREK

Well I wish whatever it is would just stay there because I can't deal with it.

ANGELA

That's the problem you see - trauma that's been repressed are usually too powerful to be forgotten. So that manifest themselves through different ways like in sleepwalking.

She studies his worried face.

ANGELA

We have to work hard on trying to get you to remember whatever it was and then we can deal with it.

INT. APARTMENT - DAY

It's dark, no personal touches whatsoever.

TWO WOMEN FENCERS in full equipment, masks on, go at it. One wears black. Black lunges. White keeps up with her. A few more lunges and parries, then as Black lunges, white drops and hits her from below. The bout is over.

Black takes off her mask, trying to pretend she's not pissed. *Angela*. The other fencer takes off her mask -- Beth

ANGELA

His behavior suggest some trauma  
and when I ask him about his past  
nothing seems to be out of the  
ordinary.

Beth sits there. Sometimes her job is just to listen.

ANGELA

I'm seriously considering  
hypnosis. I think it's the next  
logical step. He doesn't remember  
a thing. I'm convinced he's  
suppressing some severe trauma  
back then.

BETH

Hypnosis. Do you think that a  
help?

ANGELA

I'm not sure but I'd like to try  
though.

She shakes pills from a prescription bottle, pops them in her mouth, takes a swing of water.

BETH

First Amphetamines to stay awake  
and then downers to calm your  
nerves... what's gotten into you?

ANGELA

I'm a doctor. I know what I'm  
doing.

BETH

Doctor's make their own worse  
patients.

Beth shifts in her chair, unsure if she should say this.

(CONTINUED)

BETH

Maybe it's wrong to tamper with people. Maybe he'd solve his own problems if he was left alone.

ANGELA

You think he should be left alone?

BETH

You tell me. You're the one with the God-like complex - and don't pretend you don't like winding people up like toys.

ANGELA

You think I like to wind people up like little toys?

BETH

You say that with your authoritative tone, and even though I know better, I almost believe you. And like a toy that's been wound too tightly, they eventually explode.

She glares at Beth, trying to read the tea leaves.

**EXT. KRIEGER'S HOME - BACKYARD - DAY**

The concrete slab is set and the wooden framework is mostly complete for a GAZEBO but there's not even a roof yet.

Angela approaches with a tray of sandwiches and an ice cold beer, Jarek, jeans, tool belt on, gladly accepts.

ANGELA

Roast beef on rye. The house specialty.

Jarek gives Angela the grand tour. She smiles, pleased...

**INT. POOL HOUSE - DAY**

In the semi-darkness, squeaky bedsprings, clothes strewn on the floor.

Angela, is on the DINGY BED with Jarek, fucking his brains out (shot tastefully). They climax, settle back, exhausted, damp with sweat.

They laugh.

ANGELA

Put it on you to-do list.

JAREK

God, woman, enough. You're  
killing me.

ANGELA

Then you'll die happy, won't you?  
You know what I want for brunch?

Jarek has a pretty good idea. He's resistant...

JAREK

I still have some work left to do  
on your house.

ANGELA

And leave me her with nothing to  
do?

JAREK

Haven't you done enough.

ANGELA

I'm a bit fatigued myself.

JAREK

Thank God. I'd hate to think I  
was the only one.

ANGELA

Are you glad this happened?

JAREK

I'm not depressed. That's for  
sure.

ANGELA

(nods towards vanity)  
I meant what I said. He had that  
vanity put in. Use to like me to  
hop up on it and get on all fours,  
hanging my rear over the edge so  
that he could do me doggy. We  
haven't done that in years.

**INT/EXT. ANGELA'S PORSCHE - NIGHT**

Jarek, an intense look in his eyes, drives down the long highway between Oakland and San Francisco, knuckles white on the steering-wheel, jaw taut.

Sounds of a sloppy and enthusiastic blowjob. After a long moment, he shudders, relaxes.

SCREEEEEEEECHING out of a hard turn through an intersection. They've just cut off a PICK-UP TRUCK, its HORN BLARING.

Angela lifts her head from his lap under the steering-wheel, pulls kleenex from the glove box, wipes cum off her to see the wheeler chasing them. Fuck!

The truck RAMS them from behind.

The Porsche swerves out of control and jumps a curb. A stop sign SNAPPING in half across the hood, then coming to a stop.

**EXT. STREET - NIGHT**

The TRUCKER, 30s, a whale of a man, climbs down from the cab, a tire iron in hand, runs towards the Mustang and --

**INT/EXT. ANGELA'S PORSCHE - NIGHT**

He smashes the driver window with a tire iron.

They recoil from the shattered glass. Jarek PUNCHES his face - the trucker yanks him out the window - Drops him on the pavement.

Jarek's a beast, a full on brawl. He smashes the trucker's head against the side of the car -- several times, finally denting the door panel.

Angela scrambling from the Porsche - watching the brutal beating through STROBES OF headlights from passing cars.

Jarek yanks him up like a rag-doll, slams his head repeatedly on the hood of her car.

JAREK  
You wanna fuck with me?! Take

The vicious assault continues, Angela watches in horror. There's a crazed look in Jarek's eyes, it scares Angela.

A beat, she struggles to pull Jarek off...

ANGELA  
YOU'RE KILLING HIM!!!

Sirens in the distance. Angela ushers him towards the Mustang, they get in. She's at the wheel... tries to start it, no dice. *Shit. Shit.*

After several more attempts, the engine fires up and they get the hell outta there.

**EXT. CHOP SHOP - DAY**

Angela's damaged Porsche turns into the yard. Popeye working under the hood of a car nearby. He looks up and comes to greet Angela as she climbs out.

His eyes roam over her, fresh meat for the taking.

ANGELA  
Can you fix it.

POPEYE  
Give me twenty-four hours.

**INT. ANGELA'S HOME OFFICE - DAY**

LOGAN, 40s, a parole officer, unshaven, - is with Angela. The two stare each other down, icy.

ANGELA  
Is there any chance -- any chance  
at all -- that you can let him off  
with a warning?

LOGAN  
No, Dr. Krieger. He missed  
another appointment. He violated  
his parole. Those are the rules.

ANGELA

How about this? You let him go with a warning this one last time. And I will personally see to it that he gets there on time and early. I'll bring him myself. No harm, no foul, right?

LOGAN

Seriously? Why? I mean -- why?

Logan studies her, something complicated playing behind his eyes. Angela thinks better of it, shakes her head.

ANGELA

Here's the thing. May I call you Logan? There's a sleeping tiger. The wild impulses that sleep within us, awaiting to be awakened.

Angela flashes a checkbook. Logan stares, unmoved.

ANGELA

All of us are capable of anything given the right circumstances. You see -- Jarek was abused as a child and it almost drove him to kill. And I'm trying to destroy his urge to commit crime.

LOGAN

Bribery is a felony in California, punishable by a year in prison.

ANGELA

Oh c'mon... there must be something you want.

Logan's already made up his mind. His eyes travel up and down Angela lasciviously.

**INT. KRIEGER'S HOME - KITCHEN - DAY**

Angela slices vegetables. She hears the front door open and close, and then Jarek comes in. She eye-fucks him, not pleased.

Continues slicing. Jarek embraces her from behind. She flinches a little.

ANGELA

You have a good day?

JAREK

Mm hm.

JAREK

Nah.

Angela wheels around and Jarek has to jump back to avoid getting gutted by the carving knife.

ANGELA

Like, for example, meeting with your parole officer.

JAREK

Oh, shit. I'm sorry. I completely-

Angela stabs the air to emphasize her point.

ANGELA

This is the second time this month. What's your problem, you're illiterate? How hard is it to make a simple appointment?

Jarek steps back and Angela advances on him with the knife. She's kidding, of course, but it's hard to tell.

JAREK

Could you put the knife away?

ANGELA

I'll put the knife away. You want me to put the knife away?

Slam! She SHOVES him up against the fridge, making out furiously... ravenously. Magnets CLATTER to the floor.

**INT. KRIEGER'S HOME - FOYER - DAY**

Angela gets to the door to find Malone and TWO UNIFORMED COPS with him.

ANGELA

What can I do for you, detective?

DET. MALONE

Dr. Krieger? If it's not too much trouble,

Malone reaches into his jacket pocket, produces a warrant, hands it over to Angela.

DET. MALONE

Search warrant. We'll start in his room.

Angela attempts to hide her concern.

**INT. KRIEGER'S HOME - LIVING ROOM - DAY**

She slides off her sexy shoes, pours herself a drink. She's suddenly conscious of Bill, directly behind her.

BILL

A suspect in a string of robberies.

ANGELA

They're just doing their job.

BILL

You believe that idiot?

ANGELA

Please, just... give him a chance. Don't ostracize him even more.

A silence stretches between them.

BILL

Do you believe him?

ANGELA

It's a little more complicated than that.

BILL

What's so goddamn complicated -

ANGELA

Language, Bill. Please.

(then)

If they had any actual evidence, he'd already be under arrest. Let's not jump to any conclusions.

BILL

I'd like a vodka, please. With a splash of lemon juice.

ANGELA

And maybe a twist of Xanax.

**INT. KRIEGER'S HOME - HALLWAY - DAY**

Bill smashes Jarek in the mouth, hard enough to knock him unconscious. THUD. His face slams into the wall.

Bill's behind him, forearm around his neck. Bill whispering in his ear:

BILL

You little prick. Don't forget why you're here. We better not have this talk again.

Angela appears, rage in her eyes, gets between them, anger directed at Bill now. Jarek is spitting blood.

ANGELA

*Enough*. What the hell is wrong with you?

Bill, just stares at Angela. Grabs his keys, and leaves.

**INT. KRIEGER'S HOME - DINING ROOM - NIGHT**

Bill, Jarek, and Angela sit around the dinner table eating lasagna, and *Caprese salad with Pesto Sauce*. She pours herself more wine...

BILL

Okay, enough of the artsy-fartsy mumbo-jumbo. Let's just get down to brass tacks here.

JAREK

The wall in your sun room is a good place for a TV. The wood will have to go.

A beat..

JAREK

This lasagna is the best lasagna I've ever had. I can't even -- there are no words --

Angela passes a basket of garlic bread to Jack.

BILL

Jarek, slight change in plans. I want you to re-pipe the house.

ANGELA

Bill grows quiet, intense. She wants Bill to know she's fucking Jack, she wants him to know they're enjoying it.

**INT. KRIEGER'S HOME - KITCHEN - NIGHT**

Angela is working through a mountain of washing up. Jarek, scraping his dinner plate in the trash.

ANGELA

I'll kill myself if I ever have to eat Italian again.

JAREK

I still want us to try Greek.

She laughs spontaneously.

ANGELA

Can we not go there again? It isn't up for debate.

Start kissing like crazy. It's sexy and intense. He slides his hand up her dress. Between kisses.

JAREK

Tonight? My room?

ANGELA

Yes. And yes.

The sound of footsteps. They separate as if nothing happened and walk in opposite directions, Angela casually straightening her dress.

**INT. KRIEGER'S HOME - GUEST ROOM - NIGHT**

*In bed, Angela and Jarek. Angela dips a hand beneath the sheets, gently caressing, but his mind is elsewhere.*

ANGELA

*You okay?*

*She means his dick. It's not getting hard.*

*Jarek flicks his zippo's flint wheel and ignites the celluloid, again and again.*

*Jarek is a tad insulted by the direction this is going.*

JAREK

*That would make me look guilty.*

ANGELA

*You are. You need money-- come to me.*

**INT. KRIEGER'S HOME - MASTER BATH - DAY**

Angela opens a cabinet and grabs prescriptions meds with "Bill's name on the label.

Maybe we can see the absolute rage and fury burning like molten steel in her eyes. Maybe we can't, but...

She dumps two tablets out, flushes the toilet, watches his pills circle the bowl before disappearing into obscurity.

Then pulls a handful of pills from her pocket and dumps them into the empty bottle. Presumably placebos.

She recaps the bottle and returns it to the cabinet.

**INT. PIZZA PARLOR - DAY**

A locals-only spot. Plastic, checkered tablecloths.

Jarek watches, annoyed, as Angela sips a Diet Mountain Dew. A half-eaten pizza on paper plates in front of them.

ANGELA

You never asked me once about that inkblot. Aren't you the least bit curious?

(off his look)

It's supposed to reveal how you really feel about your mother.

ANGELA

Let me finish, Jarek. Please.

poor maternal relations. Not to  
mention a vulvar fixation.

A waitress TERRI-JO, 40, a MILF re-fills their glasses.

ANGELA

I want you to talk under hypnosis,  
please cooperate with me.

JAREK

I'm pretty sure hypnosis will not  
work for me, so don't waste your  
time.

ANGELA

Let me be the judge of how well  
you perform under hypnosis.

JAREK

I can't be hypnotized.

ANGELA

Some are more suggestible than  
others. There's a test for it,  
actually. Would you like me to  
give it to you? If you pass -- you  
win. If you lose -- you have to go  
under.

He bites into her slice of pizza, shrugs, agreeing.

ANGELA

Follow my lead.

She interlaces her hands as if in prayer, then lifts her  
index fingers so they're aligned, but not touching. Jarek  
does the same. Terri-Joy looks on.

ANGELA

I want you to imagine a powerful  
magnetic force is pulling your  
fingertips together. You're  
fighting it, but you can't resist.  
It's getting stronger. Even  
stronger. It's too strong. *THERE!*

His fingertips close. Jarek shrieks and jumps back.

TERRI-JO

Whoa!

JAREK

That's just -- I was just going along with what you were saying.

ANGELA

Exactly. Most hypnosis is self hypnosis.

(off his look)

Besides hypnosis is a hell of a drug. I wanna give you the most mind-bending, dick-splitting orgasm found anywhere on the planet. I'm going to literally blow your mind.

**INT. PENN PSYCH WARD - ANGELA'S OFFICE - DAY**

Jarek plops into the Eames chair across from Angela who swivels in her chair. She starts to unbutton his shirt.

ANGELA

Don't get any ideas. I have to monitor your vitals. A few years ago I had a patient under, while we progressed he starting having heart palpitations. Almost lost him. Since then I've made it a requirement.

A beat, she kisses his chest, as she undoes his zipper and slips a hand inside, smiles conspiratorally...

ANGELA

The side effects can be dangerous. Panic attacks, a distorted sense of self, sexually aberrant behaviors, unexpected trance-like state, delusional thinking. I'm not screwing around. If you're not paranoid, you're crazy!

Jarek nods, settling in. Angela's voice is low and even.

ANGELA

Why don't we begin.

Now she stands over him. Clocks his erection. Oddly amused. *'Psycho.'*

JAREK

I choose blue. Like the ocean.

ANGELA

Blue. Okay. Start painting.

Angela goes back down on him...

**EXT. A BEACH - NIGHT**

*A quiet stretch of beach, waves rushing up and away, in constant motion... soothing and hypnotic.*

ANGELA (V.O)

*When the wall is covered in this new shade of blue, you'll be completely relaxed and at ease.*

**INT. PENN PSYCH WARD - ANGELA'S OFFICE - DAY**

Back with Jarek, Angela's voice fades down as her inner thoughts become audible in V.O. We cut back and forth between Angela's serene office and the ocean waves.

ANGELA (V.O.)

*"Where is the little boy when not awake? Victorious and glorious in his dream state..."*

Jarek deep in hypnosis, jaw taut, raucous sounds of a sloppy blowjobbing. And whatever else Angela is doing down there is... just... holy shit...

Jarek shudders, relaxes while Angela elongates her climax with a muffled and crescendoing SCREAM. After a moment...

Angela lifts her head from his lap. His heart is beating through his chest.

Angela readies her stethoscope in her ears, checks. His heart races, pounds, flutters. Her concern is evident, she makes a decision.

She whispers something in his ear...

ANGELA

Ok, Jarek, your hypnosis is now concluded; I will count to ten, and bring you out of the trance...ten... nine... eight...

Jarek, back from the dead... woozy, awash in the glow, almost dizzy-no, giddy-with enjoyment.

JAREK

Jesus. Doesn't even come close to describing it. It's like being completely sober and on three hits of ecstasy at the same time. Where did you learn that?

ANGELA

As a child, I'd open a Cracker Jack box and wolf through the molasses nubbins and nuts to get to the prize. I have simply swapped to a less sugary snack.

ANGELA

Our mouth, the nerves around our gastrointestinal conduct are connected to the terminations that control sexual arousal and excitement. Uh-huh. Remember the film "Deep Throat?" Linda Lovelace wasn't able to have orgasms until a doctor discovered her clit was where her tonsils should be. As strangely wonderful as it is for a man, deep throating is such an intense, overwhelming experience for me. It pushes me over the edge. So do not ever think that I'm doing it solely for you.

**INT. KRIEGER'S HOME - STUDY - DAY**

Bill enters his study, quietly frantic, cell pressed to his ear, waiting. The dead ring of an unanswered call throbs on the other end of the line.

Bill struggles to stave the violence he feels surfacing within him. He rubs his hands hard through his hair, as if physically trying to hold on to himself.

Angela appears, eye-fucks him.

A beat as he tries to make sense of this, he eyes his wife, fuming. His violence comes closer to the surface.

Bill slams Angela against the wall. Practically choking her. Jarek tries to stop him, but he's done lost control, his grip too tight.

Beth rushes in.

Angela starts turning red... then white. It takes Jarek and Beth to finally pry Bill, hold him back.

Angela struggles to catch her breath. Beth runs to Angela to make sure she's okay, then turns back to Bill.

Racing down the hall is Angela, with a bottle of sedative. She preps the syringe. Beth's on her heels.

ANGELA

Symptoms of schizophrenia can build for years before a psychotic break.

BETH

When was the last time he had a psychosis episode?

ANGELA

Four years I think.

BETH

Well something provoked him into a violent psychotic outburst. Honestly, what do you really think is happening?

ANGELA

I wished I knew.

SARA

Um, you're not think about having him committed?

ANGELA

You've seen him. He's very unstable, unpredictable...and dangerous to his and my well-being. Hell, his episodes are well documented. I swear he just might do it.

Jarek sits there. He bites a nail, nervous. Something is clearly bothering him. Angela fixes herself a scotch.

ANGELA

Mmm hm. You wanna tell me what else is wrong?

JAREK

You swapped his meds for placebos. What you did was cruel.

ANGELA

What *I* did was cruel?

Her eyes flash with anger for a sec then she backs off.

ANGELA

It's what we wanted. I was just the only one with enough guts to do something about it. You're welcome.

She holds his look a moment too long, then turns back to her drink. Angela continues--

ANGELA

For Bill, his illness came quickly, out of the blue, really, when he suffered acute depression followed by a psychotic episode. He spent six months in the psych ward. Some make a full recovery, other's require long term care. Bill's the latter.

She sets her drink next to the picture of her and Bill on a beach somewhere, happy.

ANGELA

I cant help feeling sorry for him, worrying about him, but you wouldn't understand that.

Angela takes her drink and relaxes on the sofa.

JAREK

Paying him back for that?

ANGELA

I loved him, only he didn't realize it until it was too late.

JAREK

Why didn't you leave him?

ANGELA

I was going to, but he wanted to try again. That's like Bill, he's always breaking something and trying to put it back together. He insisted if we were alone things would be different...didn't work out.

JAREK

You can't keep him locked up.

ANGELA

I can keep him locked away indefinitely.

This gives him pause.

ANGELA

Promise that you'll never leave me.

JAREK

I never will.

Angela looks for any sign of deception. Sees none. The weight lifts a bit.

**INT. LIQUOR STORE - NIGHT**

A TEENAGE GIRL exits the restroom unaware of what's going on and startles Jarek, who pivots, the SOUND of a DOUBLE-BARRELED SHOT GUN snapping shut.

Jarek swings back around, too late.

The Old Man has a gun trained on him. He blows one barrel, sending Jarek scurrying under a hail of shot and exploding liquor bottles.

The terrified Teen-age Girl runs back into the bathroom.

Another hail. Jarek ducks. Raises the gun over his head and unloads without looking. Glass and debris settle.

The doorbell tinkles. Popeye hurries in, pops off a few rounds. He approaches the counter, leans over it, looks down. The Clerk lies there motionless.

Jarek rises up from behind the aisle, stands there. Fuck.

POPEYE

I'll be goddamned, Jarek, would you look at this shit.

**EXT. STREET - NIGHT**

Jarek runs. Police sirens wail. As the police sirens get closer, Jarek hurls himself into a garbage dumpster and the lid crashes down. The cop cars pass. Jarek opens the dumpster lid and climbs out, dirty.

**INT. GETAWAY CAR - NIGHT**

Popeye drives. Jarek rides shotgun. He fucked up. He knows it. Popeye knows it. His cell lights up with a new text.

POPEYE

Your phone's been blowing up. Who the hell keeps calling? You're girlfriend?

JAREK

She's not my girlfriend. She's got her claws in me. I can't stand it.

POPEYE

You gonna pout like a bitch all night?

JAREK

Goddammit. You didn't have to shoot 'im?

POPEYE

We. Suck it up, goddammit. It was either him or us.

**INT. KRIEGER'S HOME - GUEST BEDROOM - DAY**

Jarek lies awake. Shaking, snapping his Zippo open/shut. Angela walks in, staring at him.

ANGELA

What's going on Jarek?

Jarek, considering the question.

JAREK

I don't know.

ANGELA

I don't know? You run out in the middle of the night and don't come back until eight in the morning, no phone call, no explanation, looking like someone tried to murder you? Don't tell me I don't know.

**INT. KRIEGER'S HOME - LIVING ROOM -DAY**

Angela is transfixed by the TV, scanning news channels: a car chase seen from a helicopter. A store being robbed by two masked men.

For a split second, she hesitates. Then, quickly --

**INT. KRIEGER'S HOME - GUEST BEDROOM - DAY**

A panicked Angela cases the room, drawers, closet, the bedside tables, tearing it apart... desperately searches for something, while she speed dials her phone with her thumb.

Until she notices the mattress. She looks under it, finds a bundle of cash and a gun.

**INT. ANGELA'S HOME OFFICE - DAY**

Angela paces throughout like a caged animal.

A beat as she takes in his face. From her drawer she pulls a bagged gun, cash, throws them at him.

ANGELA

You lied to me.

JAREK

Trust me, Angie -- sometimes the truth is worse than the lie.

JAREK

You don't own me.

ANGELA

No, but let's just say I invested heavily.

JAREK

Oh, is that all it was an investment?

ANGELA

That's what it looks like. And a bad one at that.

Now they're at each other's throat.

JAREK

Shut the fuck up, Angie, you're not my fucking mother!

She looks back at him, unsure how exactly she wants to tear him apart.

ANGELA

Shrinks didn't even exist until a hundred or so years ago. You know who people listened to before then? Their *MOTHERS!*

(then)

You're a guest in my house. Don't you talk down to me like you did again. Ever.

JAREK

No, prisoner. I might as well be back in jail.

ANGELA

That's exactly where you belong. It's like you don't care. You have absolutely no passion for anything but screwing me to the wall.

She grabs a snow globe, hurls. The globe barely misses the head of Jarek as it explodes against the wall:

Angela has had enough. It's time for some tough love.

ANGELA

Tell me. You're going to tell me. Or you can tell it to the police.

That freaks Jarek out.

JAREK

Look, Popeye's in debt to some big time drug dealers. We just needed some quick cash-- shit went south. We've pulled jobs like that a dime a dozen. He went crazy and just shot him -- I swear. I screwed up. You'll fix it. You always fix it.

Angela takes him in, sighs. That's his perspective and she doesn't want it to crumble.

**INT. KRIEGER'S HOME - LAUNDRY ROOM - NIGHT**

Angela, barefoot, opens a washer, shifts through the wet load, finds Jarek's shirt. The one he wore the other night.

She takes out and lays it flat. Spattered with blood. A beat, Angela disappears out the back door.

**EXT. KRIEGER'S HOME - BACKYARD - NIGHT**

ON A FIRE PIT as it ignites in a fireball with a tremendous. WHOOOMF!

(CONTINUED)

Angela stares at the flames for a moment before tossing Jarek's shirt into the fire. It's incinerated in seconds.

**EXT. CHOP SHOP - NIGHT**

A sound. Tires on gravel. A car rolls INTO VIEW. The ENGINE and headlights TURNED OFF. It stops. Silence.

Angela exits in black; a leather skirt and jacket, a knit turtleneck. Her legs look scrumptious and the leopard print fuckme pumps set them off.

All this only makes her more sexy, dangerous, even, as she throws on leather gloves, notes a light on in an upper office.

**INT. CHOP SHOP - NIGHT**

The doorknob jiggling, the door opens -- Angela gets up from her knees, pockets her lock picking tool. Slips in.

As Angela climbs the stairs, she eyes an ASTON MARTIN almost completely chopped. There's just enough left for us to recognize it.

**INT. CHOP SHOP - OFFICE - DAY**

Dirty, grungy, auto parts strewn everywhere, Popeye snorts coke, looks up when Angela enters. Her presence startles him. .

ANGELA

Don't get up. Relax. Door was unlocked.

He rises meekly, pulls out a Glock, aims it at Angela.

POPEYE

Bitch, take your sloppy ass out the room now, before I bust a knuckle on you!

ANGELA

Look, I know this isn't my place, but I was hoping we could patch things up.

(re: his gun)

You're the shot-caller, Popeye.

Popeye swigs on the bottle of rum.

(CONTINUED)

ANGELA

You mixing rum and Oxy again?

POPEYE

Straight Oxy don't do shit. Pain I got make you puddle up like the candy-ass bitch you are.

He lowers the gun, sticks it in the small of his back.

POPEYE

I'm dyin' to tap that culo, too  
But gimme that bj. He said he went to another fucking planet. That it was like being sober and on three hits of ecstasy at the same time.

ANGELA

Ah. Ok. To be fair, it will blow your mind.

Angela moves towards him, undoes his pants and starts to go down on him briefly, before rising... she starts to slowly undress...

ANGELA

Lay back...

**MOMENTS LATER...**

Popeye's leaned back in his chair, stares at Angela, in a trance-like haze -- intermittent FLASHING RED LIGHT on his face.

A HYPNOSIS INDUCTION gadget. A pensize light. Like a metronome. RHYTHMICALLY, FLASHING. ON. OFF. Angela's HYPNOTIZING Popeye.

ANGELA

You can't stay awake another minute. Your eyelids... they are getting heavier and heavier. You need to close them. You want to close them. You just want to sleep. Sleep deeply. Your whole body is limp. You feel yourself floating deeper. Can you hear me?

POPEYE

Yes, I hear you.

ANGELA

You're unable to lift your limbs.  
Try to lift your arm.

He tries, and cannot.

Angela smirks, grabs the revolver used in the robbery, unloads it, but leaves a single bullet in it, then snaps the chamber closed.

She lays it on the desk, retrieves the stolen cash from her jacket, and places it in a drawer.

She whispers something in his ear, then starts to bring him out of his hypnotic state.

ANGELA

Okay, Popeye, I'm going to count backwards from five and when I get to one you will be perfectly relaxed...

**INT. CHOP SHOP - OFFICE - NIGHT**

Popeye spins the chamber, then holds the gun, trancelike, compelled -- thumbs back the hammer. Puts the gun up to his head and PULL! -

A DEAFENING SHOT. BLOOD SPATTERS onto the desk lamp and paperwork, creating a gruesome still life. We hear the BODY FALL onto the floor.

**INT. ANGELA'S HOME OFFICE - DAY**

Jarek shakes a cigarette out of the pack, puts it in his mouth and flicks his zippo. He's being questioned by Malone. Beth lurks nearby. Angela looks on.

DET. MALONE

We found one of the suspects in connection to the robberies. Benji Garza. He killed himself last night.

A heavy beat, Jarek takes a deep breath.

ANGELA

You find the stolen cash? The weapon?

DET. MALONE

Yes, how convenient. But there were two suspects. And right now the only other murder suspect we have is YOU!

(CONTINUED)

JAREK

Murder? What the hell are you talking about?

DET. MALONE

The store owner died last night.

Jarek freaks, obsessively snapping his zippo.

DET. MALONE

You and Mr. Garza's been friend since grade school, right?

JAREK

And we did time together in San Quentin. But I'm sure you know that.

DET. MALONE

Your whereabouts? Two nights ago?

JAREK

Lemme see. That was a Sunday night. I was here. All night.

ANGELA

I can vouch for that.

DET. MALONE

What makes you so sure he didn't slip out after you went to bed?

ANGELA

We were together.

DET. MALONE

Oh. uh-huh. He could have left while you your sleeping.

ANGELA

We weren't sleeping.

The revelation throws Det. Malone for a sec, then -

ANGELA

He's not answering any more questions. Not without his lawyer.

Angela dismisses Jarek. Malone cricks his neck, keeping his composure.

DET. MALONE

You're not calling the shots, Dr. Krieger! You best start helping yourself.

ANGELA

I beg your pardon.

DET. MALONE

For starters, hampering a criminal investigation.

ANGELA

You found your suspect, with the stolen cash, and the murder weapon in his possession. His prints on the gun. No reliable eyewitnesses. A grainy surveillance video.

DET. MALONE

I know what I got.

ANGELA

No case. Sorry, I couldn't be more helpful.

Malone says nothing for a beat, then...

DET. MALONE

Isn't it unethical for a doctor to be sleeping with a patient?

ANGELA

So arrest me. Or get the fuck out.

DET. MALONE

Did you know your husband was having an affair?

Angela looks unreadable, her poker face in full effect...

ANGELA

No. Why do you ask?

DET. MALONE

From what little we could get out of him, Jimmy's got this notion he may have been under mind control.

Doesn't it strike you as odd. That a patient of yours attempted to kill a woman your husband is having an affair with?

DET. MALONE (CONT'D)

In my line of work, no such thing  
a coincidence.

A laugh accidentally escapes from Angela.

DET. MALONE

Something funny, Dr. Krieger?

ANGELA

Really, detective. It doesn't work  
that way. Forget 'The Manchurian  
Candidate' idea of a hypnotist  
making someone their robot to go  
out and do their evil bidding.

BETH

Maybe post hypnotic suggestion.  
But that certainly couldn't get  
someone to kill.

ANGELA

Of course not. You see hypnotism  
is only a person's own  
imagination. So you can never get  
them to do things against their  
own moral code. Unless you're  
hypnotizing a murderer.

DET. MALONE

So it is possible?

ANGELA

The dirty little secret is yes,  
it's possible but rare and such a  
person must already be inclined to  
undertake such activities. One  
with a predisposition to commit  
crime or one with a deviant  
personality. But people can be  
misled, with or without hypnosis.

DET. MALONE

Such as...?

ANGELA

For one, coercion. You know what  
that is, don't you? Convincing a  
normal person to admit to a crime  
they didn't commit is extremely  
likely, it happens all the time!

Det. Malone smirks, but clearly she's struck a nerve.  
She motions towards the clock, like any good therapist.

ANGELA (CONT'D)

I see our time is up.

**INT. KRIEGER'S HOME - LIVING ROOM - DAY**

Jarek slumped on the sofa staring into space. Angela fills a tumbler with ice, splashes some bourbon into it, hands it to him. Fixes one for herself.

JAREK

Popeye's dead.

ANGELA

I won't lie, Jarek. Don't expect condolences from me.

JAREK

I don't expect anything from you, least of all a sense of charity.

Angela shakes her head. So this is how it's going to be.

ANGELA

Oh, I see. Blame me. You wouldn't listen. You had to do it. I tried to tell you, but you knew better. It's like you don't care. You have absolutely no passion for anything but screwing me to the wall.

**INT. ANGELA'S HOME OFFICE - NIGHT**

Angela's at her desk, fighting insomnia, sips scotch, reviews a file, Jarek's photo clipped to it. It's late, the house is quiet.

A barefooted Beth saunters in, holding her heels. She wears a club skirt and top. Badge and gun clipped. Sexy is an understatement.

ANGELA

Fine. It just kinda... happened.

BETH

A torrid sexual relationship with a mental patient doesn't 'just kinda happen --

ANGELA

It was a mistake --

BETH

Oh you've transcended the realm of simple mistake. You're deep in abject betrayal territory here.

BETH

Everything ok...?

ANGELA

He takes nothing seriously because there's no consequences for his actions. He tries to joke or con his way out of everything. He'll never learn, he'll never grow. I think in some way he resents me because I remind him of his mother.

BETH

I love you. You know that. So I hate to be the one to break this to you -- but every doctor has limitations. Even you.

ANGELA

I'm not going to pretend that a little vacation from Jarek wouldn't be nice. But what's the alternative? If he goes back he's finished, I'm sure of that.

**INT. KRIEGER'S HOME - BEDROOM - NIGHT**

Angela, sultry in a see-through negligee, lies on her side, facing away from Jarek. She shuts her eyes, feigning sleep. He gets amorous from behind.

Angela is NOT feeling it. She shoves him away. He slaps her arm away - it's almost a slap fight.

ANGELA

I'm not a car, Jarek. You can't just start me up whenever you want.

JAREK

Since when did you become such a high class bitch?

ANGELA

I have an idea. Let's try something new tonight.

JAREK

Yeah, what?

ANGELA

Conversation.

JAREK

Ha! Conversation Angie? I don't think that's my strong suit.

ANGELA

When we first started seeing each other, your doctor sent me your medical records. There's a reference here to a brief stay at -  
- Sutherland York psychiatric facility.

Jarek suddenly looks concerned, but tries to cover.

JAREK

So.

ANGELA

You were treated for A heart arrhythmia. It reared its ugly head while you were under hypnosis. So I terminated it earlier than I would have liked too.

(then)

I want us to try again -- without the beej.

A reluctant Jarek paces agitated.

ANGELA

Your Parasomniac. You know what causes it? Extreme anxiety. Unresolved issues. Repressed memories. There's something you've locked away. It's the root cause of your problems. I want to put you back under hypnosis.

*Jarek moves her face-down, ass up. She tries to extricate herself -- when he grips her shoulders, violently pinning her down, thrusting harder. Somewhere between hate and love. Good for both, as always, but cruel.*

He grips her neck. Then, like a gasp for air -

ANGELA

What're trying to do, kill me?

Jarek squeezes. Tight -- crushing her throat. All while rambling...

He cums. She sucks up oxygen. It takes a moment for his expression to change to guilt.

JAREK

Oh God, no. I'm sorry.

ANGELA

About what?

JAREK

I got kind of... carried away.

ANGELA

You're obviously, trying to work something out. You want to talk about it?

Disappointed in his reaction, she looks back at herself. Angela's face changes: she calms down and becomes serene. She's made a decision. Grabs her cell, speed dials.

**INT. BAR - NIGHT**

A place to get drunk and be left alone. And Beth's striving for both. Heels on the neighboring stool.

Her cell chimes. She checks, it's from "Beth - 911."

**INT./EXT. DODGE CHARGER - NIGHT**

A Dodge Charger(a police ghost cruiser) races through the hilly, narrow streets of San Fran. Lights and sirens on. Sirens too.

Beth darts through traffic, making hairpin turns, hauling ass like she's in *Days of Thunder*. Anxiety on her face.

**INT. KRIEGER'S HOME - BEDROOM - NIGHT**

She gets up, assessing the situation - she's trying to piss him off. And she is.

ANGELA

Your mother was a whore, wasn't she?

Incensed, Jarek gets right in Angela's face.

JAREK

You don't know anything about my mother!

ANGELA

Considering she couldn't keep her panties on for five minutes -- she'd probably have some useful insight.

Jarek shakes his head, becoming increasingly emotional. Angela presses the issue...

ANGELA

Never thought your mom and me would have so much in common. And that whore, Tina, too.

JAREK

Why are you telling me this?

Jarek, feeling more and more like a cornered animal -

**EXT. KRIEGER'S HOME - NIGHT**

Gun drawn, Beth races towards the front door, digs for something, keys. Shit. Shit. Then she remembers:

Rosa lifts up a PLANTER BOX on the side of front door, producing a HIDE-A-KEY. *For emergencies. This qualifies.*

**INT. KRIEGER'S HOME - BEDROOM - NIGHT**

Just then - Beth comes through the door, but Angela's eyes pleading, waves her off as...

Angela SLAPS him HARD. He wasn't expecting that.

He grabs her around the throat, pressing his thumbs against her windpipe. His face is grim, set, his body rigid. *He is a killer. Her face distorted, chocking.*

Angela fixes him with FEARLESS, COLD EYES.

ANGELA

Well, go on. Fuck me. Kill me. Do something.

*A subliminal FLASH; Jarek (is 16 here) with his hands around his MOTHER'S THROAT, her eyes are bloodshot, slurred speech.*

JAREK

*I didn't want this to happen. I tried to make everything nice for you...I did...like it was before...why couldn't it be like before...*

*Another flash: She tumbles down the stairs, a long, hard, painful fall, there are unmistakable CRUNCHING sounds and finally she lands in a grotesquely tangled heap of arms and legs at the bottom of the stairs.*

*Jarek stands at the stop in a catatonic state. Over this, sounds of Angela gasping for air..*

ANGELA (V.O.)

*Jarek! It's me, Angela.*

**RESUME SCENE**

A horrified Jarek let's go of Angela. He staggers back, sobs.

A triumphant grin spreads across Angela's face as she instinctively grabs her throat, catches her breath.

ANGELA

You had your hands on her throat.  
Like you had your hands around mine.

JAREK

She was drunk. We argued. She slapped me. I sometimes can still feel the sting.

Subconsciously, Jarek touches his left cheek.

ANGELA

You're a lot of things, Jarek, but you're no killer.

(then)

You went into shock. And never came out of it until now. The truth, After you let go, she lost her footing.

JAREK

They kept telling me "It's YOUR fault.. It's YOUR fault..." They'd never let me forget it, either.

ANGELA

It's not your fault. She locked you out of her life since you were a baby, and that night was no different. And you didn't know how to deal with it, so you turned to a life of crime. In her own way, she did love you.

On and on his sobs go - so intense. Despite her frustration, Angela reaches to hug him, he weeps on her shoulder.

**INT. KRIEGER'S HOME - KITCHEN - NIGHT**

Early morning. Angela enters and finds Beth getting breakfast ready- She holds a fresh poured mug of coffee, hands it to Angela.

BETH

I just don't think it's healthy to be so obsessed with one patient.

ANGELA

I don't think it's healthy, either. But if I don't help him, no one else will. He's alone in the world. Look, I have an issue with talk therapy, you know that. The coddling, the unequivocal support. It doesn't do anyone any good.

BETH

Oh, and provoking a psych patient into a violent outburst is effective?

ANGELA

It worked.

**INT. KRIEGER'S HOME - MASTER BEDROOM - NIGHT**

The room is blanketed in shadows. Angela sleeps. Jarek rustles beside her. He quietly gets out of the bed. Throws on clothes. He leaves the room.

With Angela, her eyes shoot open. She hears a CAR ENGINE. She goes to the window-- her Mustang is pulling out of the driveway.

Angela, suddenly frantic as a hundred emotions rise up.

**EXT. KRIEGER'S HOME - DAY**

Angela's Porsche pulls frantically out of the driveway, she's alone in it.

**EXT. ROAD - NIGHT**

Angela desperately scans the road for her Mustang-- nothing. Grabs her cell, pulls up a GPS tracker, taking a right onto the Freeway out of town.

**EXT. FREEWAY - NIGHT**

Angela's cranes her frantic eyes to keep contact with Jarek and her Mustang in the near distance, finally it signals right--

**EXT. APARTMENT COMPLEX - NIGHT**

And her Mustang pulls into the parking lot of an apartment complex. Angela pulls over to the side of the road and watches--

Jarek gets out and KNOCKS on the door of an apartment. The door is opened, Kimber, half-wrapped in a hello-kiss kimono answers.

Off Angela, completely gutted. Jarek is lying to her. And as we linger on this image of her destroyed face.

**EXT. KRIEGER'S HOME - VERANDA - NIGHT**

Angela nurses a tumbler of scotch, watching the sun rise over the sleeping city. She's wrapped in a long cardigan sweater, but hasn't slept, an emotional storm is brewing, and the tides are rough.

Grabs her cell, punches re-dial. It goes straight to voicemail. She slams her drink, dark thoughts swirling.

**INT. KRIEGER'S HOME - FAMILY ROOM - NIGHT**

Lights off, the place is lit only by a dim and hazy blue of pre-morning.

Jarek comes in, a lamp switches on -- there is Angela, waiting calmly in a chair. Clearly been up all night.

JAREK

And?

ANGELA

Don't try to brush me off. When I  
stick. I stick hard.

JAREK

You're drunk. Fix yourself some  
coffee.

ANGELA

Sure I'm drunk. That  
figures...from that bottle of  
scotch you left out for me.

JAREK

You're making a fool of yourself.

ANGELA

I have I been waiting a longtime,  
Jarek. You think the time went  
faster for her?

JAREK

She's done everything she can --

ANGELA

That includes cooking dinner for  
you among other things. Great. She  
knows how to cook. Getting to your  
heart through your stomach. This  
whole discussion is making me sick  
to mine.

Then - a switch flips. Rage flares in his eyes. He gets  
in her face. He's a lot bigger than she is.

JAREK

Your smothering me. I can't  
breathe.

INT. ANGELA'S HOME OFFICE - DAY

She embraces him...

ANGELA

I made a terrible mistake and I have to set it right some way. So here I am. Feeling very small and very bare. I know I haven't any right to say this to you. It's like an atheist who calls a priest to his deathbed, but I love you. I can't bare to lose you.

JAREK

I'm leaving you.

Angela is taken completely by surprise. Her eyes flash with anger for a sec then she backs off.

ANGELA

Excuse me?

JAREK

I don't think talk therapy is all that effective. For me, at least. I think it's time to try something else.

A beat. Angela is hurt, but tries not to let it show.

ANGELA

Well, I think it's interesting that you want to leave just when you're starting to understand the underlying issues--

JAREK

What good is understanding why you're miserable if you're still miserable? Understanding's like a booby prize.

ANGELA

I don't agree, Jarek. I've seen tangible behavioral improvement in you. You've been so much more confident and optimistic these past few months--

JAREK

I'm taking *Prozac*. My doctor prescribed it for me.

ANGELA

JAREK

Well you noticed the  
 difference...so yeah. It gives you  
 confidence, keeps you from  
 bottoming out, you know? Like if I  
 weren't on it, I don't think I  
 have the guts to leave you.

ANGELA

Look, why don't you take a week  
 and think about it. Then on  
 Friday, if you still feel like  
 taking a break--

JAREK

Actually I need my own space,  
 authorize me an apartment.

Her eyes flash with anger for a sec then she backs off.

**INT. APARTMENT - DAY**

*Jarek looks around a sparsely-furnished one bedroom  
 apartment as Angela paces nervously.*

ANGELA

*It's too small. There's no place  
 to go if we want to escape.*

JAREK

*I haven't even moved in together  
 and you're already looking for an  
 emergency exit.*

ANGELA

*Okay, I admit, that was a bit  
 dramatic, and I'm sorry. It's fine  
 that you closed the door. It  
 doesn't have to be a metaphor for  
 our relationship. I just think you  
 should give it some more thought.*

*Angela sits at a table, a pit forming in her stomach.*

ANGELA

And while that doesn't mean you're  
obligated to love me back -- I do  
think you owe me the truth about  
how you feel.*

*Jarek looks out the window, clearly stressed.*

JAREK

*I care about you, Angie. Without  
you I wouldn't be back here now.  
But the fact is -- I'm just trying  
to keep my head above water. And  
you're asking me a question I  
can't answer -- the truth is I  
don't know how I feel.*

*Angela taps her wedding ring on the table. Slow and  
sharp. A ticking bomb. Then just when she seems about to  
lunge across the room and rip his throat out...*

*Angela simply rises...*

ANGELA

*Well you need to figure it out.  
Don't make me angry.*

**INT. ANGELA'S PORSCHE - NIGHT**

She PUNCHES THE STEERING WHEEL, SLAMMING IT OVER AND OVER, as a roar of pure rage and frustration escapes her throat.

**INT. KRIEGER'S HOME - LIVING ROOM - DAY**

Pacing, Angela becomes panicked, paranoid. She stares at her cell phone. She dials again, seconds later, gets his answering machine...

ANGELA

*Jarek, can we please talk?  
You probably never want to talk to  
me again, I get it...but Jarek, I  
have so much I want to say. I'm so  
sorry about everything. I'm just  
crazy jealous. But I still love  
you. I never stopped. So whenever  
you decide you want to talk, I'll  
be around.*

INT. KRIEGER'S HOME - HALLWAY - DAY

Angela paces like a caged animal. The drink in her hand is not her first. Jarek, suitcase in hand, ready to leave.

A beat, Jarek tries a different tact.

JAREK

When I first came here it was for all the wrong reasons. Bill's been good to me. Like a father. He spoke up when no one would. Got me the help I needed. And you did Angie. And for that I am forever grateful. My point is, I know you and Bill, and I think there's a real deep love there.

ANGELA

You do?

JAREK

Absolutely. Sometimes, with busy jobs, and kids, people get out of synch. You just need to find some time alone to reconnect. And I'm giving it to you.

Angela almost starts to laugh at his ridiculous notion.

ANGELA

You're amazing, you really are. God, I could even believe you, if I wanted to.

JAREK

And if it doesn't work out, I'll be back.

ANGELA

If what don't work out? Me and Bill, or you and Kimber? And come back with more of your lies! I hate you! Wasting my fucking life!

JAREK

Sssh, calm down. I don't want to fight with you on my way out the door. Love is funny.

ANGELA

You have yet to convince me that you know what love is.

JAREK

Do you even know?

Angela can barely speak; finally she gets out:

ANGELA

I know it's not this. Whether Bill's intentions were honorable or not, he felt I could help you. I did that. It was always an interim arrangement. I'm glad we made some progress -- the fact of the matter is -- It's been fun, and we had a good time, but really, we've run our course.

JAREK

You'll never let me go. You can't. I'm all you have.

ANGELA

I'd rather have nothing. GET.  
THE. FUCK. OUT.

He kisses her. She breaks away. He sneers, reaches for her dress and rips it.

Angela tries to extricate herself, Jarek grabs her breast--HARD. She tries to push him back, he gets rougher, grabs her ass, pulls her into him,.

ANGELA

No! Let me go! I said no!  
Get your hands off me.

JAREK

You're a far bigger fruitcake than I ever was! Putting on an act of how normal and proper who were but you were really concealing the fact how much of a disturbed and self-destructive woman you are. Maybe you should be the one seeing a shrink.

Jarek's hit a raw nerve. She picks up the bottle.

He turns around and Angela bashes him in the face with a wine bottle. Crash! The bottle shatters. Blood and glass flies everywhere. Jarek goes down in a wet heap.

Angela stares down at his unconscious body.

**INT. KRIEGER'S HOME - LIVING ROOM - NIGHT**

Angela ascends the stairs, rage climbing with each step.

**INT. KRIEGER'S HOME - GUEST ROOM - NIGHT**

A beat. Angela eyes the unmade bed, the sheets from hers and Jarek's debauchery. She goes ballistic.

Rips the sheets off the bed. Now tearing the room apart like some escaped mental patient. Overturning everything. She throws a lamp at the mirror, SHATTERING it.

Then tears come. She slumps against a wall.

**EXT. KRIEGER'S HOME - BACKYARD - NIGHT**

CLOSE ON a SLEDGEHAMMER. Presently being carried across the backyard by Angela, resolute.

She lifts the sledgehammer and winds up -- smashing the half-erect gazebo. Once, twice. It comes crashing down.

**EXT. KRIEGER'S BACKYARD - NIGHT**

She stuffs them into that barbecue grill, sprays them with lighter fluid, sets them on fire.

**INT. KRIEGER'S HOME - LIVING ROOM - NIGHT**

Angela in distress, ranting and raving, combative, screaming, out of control. Beth is trying to corral her.

ANGELA

Let me go!

Beth hauls off and slaps Angela's face with full force. It a moment that takes them both by surprise. Angela falls into her arms.

Beth comforts her, holding Angela in her arms.

**INT. KRIEGER'S HOME - KITCHEN - DAY**

Angela stares out the window, lost in thought. Beth comes up behind her with a cup of hot java. Angela smiles in appreciation.

This surprises Angela, a glimmer of hope in her eyes.

ANGELA

I'm going. I have to see him.

Beth stares - you've got to be kidding me. But capitulation is clearly the path of least resistance.

BETH

You know, I should book you for an MRI.

**EXT. STREET - DAY**

Angela rushes through a steady drizzle, and dashes into a crusty, old, brown-brick building.

**INT. JAREK'S APARTMENT - DAY**

A tiny, shit-hole of an apartment. Jarek opens the door cinches his track pants, his head bandaged.

JAREK

*You did this to me!*

ANGELA

*I know, and I feel bad.*

JAREK

*Do you?*

*Angela nods, almost paternally. She chokes back a sob..*

Only this time, Jarek's not flattered... or surprised. Instead, he looks regretful, ashamed.

ANGELA

(consoling)

I wanted it as much as you did.

JAREK

It doesn't matter.

She moves closer, kisses his shoulder. He shuts his eyes, sighs. In another context, it's almost romantic. But here, he quickly shakes it off with a shudder.

JAREK

Stop it! Get away from me!

ANGELA

Don't you love me?

JAREK

No. I know it's a cruel thing to hear - but you need to accept this, Angie.

ANGELA

Please. You-- you don't know what you're saying.

Angela stares at them for a moment, losing her shit.

ANGELA

Oh I see it now, you were just using me, a naive sex starved wife, huh, and now that you've had your fun you're going to just toss me to the side, well I will not be ignored, Jarek!

Angry, she shoves the table. Chinese take-out cartons flies off the table, spilling food everywhere.

ANGELA

That was my fatal attraction impression.

A discernible menace in his smile. She meets his eyes.

JAREK

Maybe you don't understand the severity of your situation.

ANGELA

The severity of my situation.

JAREK

Hippocrates warned against it. Freud condemned it.

With all of that comes tremendous responsibility.

ANGELA

Son of a bitch! It was mutual.

JAREK

There's no such thing as consensual. It wasn't an equal relationship. And you know it. Ask me how I feel. I want to kill you and then myself. A love suicide. Like a Romeo and Juliet. Ridiculous as it sounds.

ANGELA

Oh, I agree it's ridiculous to think because a brief lapse in judgment, that you'd have no compunction about fucking up my life.

JAREK

Oh, I'd hardly call it a brief lapse in judgment. The first time, okay. But after that, all hell broke loose, and you wanted it ALL the time. Like, constantly. Hell, you raped me under hypnosis. I almost considered filing a restraining order. So. I'm going to slap you and that hospital with a three million dollar lawsuit.

*Angela just stares. She should have known better.*

**INT. PENN HOSPITAL - CONFERENCE ROOM - DAY**

DR. BROWN, 38, sits at the table, reading a medical Journal. Angela pours coffee...

ANGELA

Dr. Brown -- I'd like to step in on this one, if you don't mind.

DR. BROWN

Not at all. You're better suited.

Very cute apartment tastefully designed.

Bill follows Hanna into the living room. She doesn't sit. Just picks up a glass of wine - not her first - and stands there, anxious and tense.

HANNA

You look tired.

BILL

I'm alright. What's the matter?

HANNA

Bill, I know what you came here to discuss. But before you say anything, you need to know: I met somebody.

BILL

I'm sorry?

HANNA

I met someone.

BILL

What do you mean? Met who?

HANNA

It doesn't matter.

He's stunned. Trying to work it out, work it through.

BILL

What do you mean? When?

HANNA

Just go home, Bill.

BILL

This is my home.

HANNA

No, not anymore.

**INT. ANGELA'S HOME OFFICE - NIGHT**

The METRONOME. A finger comes into frame. Starts the pendulum rod. Tick... tick... tick...

Angela paces like a caged animal, dark thoughts swirling through her mind. Tick... tick... tick...

A sound. From downstairs. Angela freezes. Another sound.

**INT. KRIEGER'S HOME - LIVING ROOM - NIGHT**

She comes down and sweeps her eyes across the room, the gun barrel following, before realizing that the sliding door to the backyard is open.

ANGELA

That you, Bill?

A form takes shape in the shadows outside. ANGELA gasps and staggers back several steps, swinging the gun about crazily, half out of control.

The shadowy form moves closer, entering the house. ANGELA continues to retreat, every breath threatening to seize control of her.

ANGELA

This gun is loaded! I'll shoot!  
I'll shoot, damn it!

Bill steps into the light. He stares at her with angry, murderous eyes.

ANGELA

I could have killed you. I did  
what I thought was best.

BILL

For who? Me or you?

Bill explodes, grabs her by the shoulders.

ANGELA

What're you going to do, Bill? Hit  
me? Think that'll make you feel  
like a real man? Go ahead, Bill!  
Hit me!

His eyes bug out. For a moment it appears he is, indeed, going to hit her. Instead walks away.

ANGELA

I had hoped you'd make a full recovery, but you required long term. So I stood by your side faithfully, even when I knew you weren't...

Angela whirls on him, her anger pouring out.

ANGELA

you stole years from me. You caged me like an animal. You made me...inhuman. With Jarek, it was mostly the sex, but there was a psychological component to it. I can't remember the last time we've been truly intimate. When you turn to the person lying in bed next to you, try to initiate sex, and you get rejected. And it hurts and builds resentment then that resentment spills into other areas. And for what? Hanna?!

BILL

Once in a while a man has to be himself, Angie. There comes a time in every man's life when he has to be a failure in front of someone. You know everything about art, politics, fine wine but with Hanna I was on my own dead level. I could tell her my personal troubles. The stupid mistakes I've made. I could be me.

ANGELA

You could have told me. I'm so fucking angry. I hate you for bringing me into this. I wanted to come home and make things better between us. Now your mistakes are going to cost us. Whatever deal you previously made with him has now expired. He cut himself a new one -- he's suing me and the hospital for three million dollars.

A flicker of disbelief, horror as Bill realizes Angela might be telling the truth. She continues, dead-calm.

none. He gets up - pounds his fist into the wall.

BILL

All I want to do is get my hands  
on that sonofabitch!

He grabs Angela by the shoulders. Pained, almost  
irrational.

BILL

Where is he?

**INT. SPORTS BAR - NIGHT**

At the bar, Angela nurses a drink. Behind the bar, a  
plasma TV, on mute, *the BIG BREAKING NEWS of a TIGER*  
*escaping from the ZOO.*

Angela, staring intently. An almost imperceptible smile  
on her face. Almost.

Beth and Angela spill out of the seedy bar in south

They're a little bit tipsy. Oh, hell. They're drunk.

Jarek is distraught. A knock at the door. He answers.

With unexpected speed, Bill grabs Jarek by the throat and  
hurls him into the room! Slamming the door behind them.

Jarek's terribly burdened by his troubles. Too far gone to stop now. He hits the off-camera Bill again... and again.

Jarek can feel Beth right behind him so he stops and throws a haymaker. Beth slips it and drives a right cross into his jaw, then front kicks him onto his ass.

Beth grabs her gun and stands over Bill, stares at him. Adrenalin pumping.

Just then, Angela gets between Beth and Jarek.

ANGELA

No, Beth!

Beth drills her with a look; whose side are you on? It gives Jarek enough time to run out the door...

Suddenly Angela throws her arms around Beth's neck.

ANGELA

The roar of HEAVY RAIN. A run-down Philadelphia neighborhood. Angela slows, stares out the windshield. For the first time in her life, it seems, she knows just what to do.

A hunched figure hustles through the downpour and into the waiting car --

The figure shakes the rain from his head, and we now see: it's Jarek.

**EXT/INT. ROAD/PORSCHE - NIGHT**

Angela drives fast. Tires glide dangerously over wet road. He looks back constantly, no one following them at the moment. It's tense.

JAREK

As a child, I'd open a Cracker Jack box and wolf through the molasses nubbins and nuts to get to the prize. I have simply swapped to a less sugary snack.

ANGELA

You asked me where did I learn how to do that. I had lots of practice. In college, I got pretty drunk one night. I was up in my boyfriend's room kind of passed out. I woke up sucking a dick and thinking it was him. I really got into it. He came in my mouth really, really fast and pulled out, but a few moments later he was back. Still hard. So I continued to suck. In my drunken haze I was sort of amazed until I realized that it wasn't my boyfriend but his roommates. I must've sucked about a dozen different dicks that night. Some twice. I was cumming like popcorn.

ANGELA

Our mouth, the nerves around our gastrointestinal conduct are connected to the terminations that control sexual arousal and excitement.

(stoked)

Uh-huh. Remember the film "Deep Throat?" Linda Lovelace wasn't able to have orgasms until a doctor discovered her clit was where her tonsils should be. As strangely wonderful as it is for a man, deep throating is such an intense, overwhelming experience for me. It pushes me over the edge. So do not ever think that I'm doing it solely for you.

They laugh.

ANGELA

JAREK

God, woman, enough. You're killing me.

ANGELA

Then you'll die happy, won't you? You know what I want for brunch?

Angela rises wraps her arms around Jarek and tries to pull him back to bed. He's resistant...

JAREK

I still have some work left to do on your house.

ANGELA

And leave me her with nothing to do?

JAREK

Rosa grabs her gun and stands over Bill, stares at him. Adrenalin pumping.

Just then, MARLA gets between Rosa and Bill.

MARLA

No Rosa! I don't have a life right now. This is my only chance of getting it back.

(whispering)

You fought like a tiger.

Bill gives Rosa a murderous look. Gestures roughly to MARLA that 'They're going.'

**EXT. PARKING LOT - DAY**

Distant SIRENS. Bill ushers MARLA through a parking lot. Keeps the gun loosely trained on MARLA throughout.

His face goes hard, searches for a getaway car.

BILL

We need new wheels. They'll be looking for ours. Surely you remember how to do it now.

Bill spots a Bentley... shoves her in that direction.

MARLA

It's no good. We need an older model.

Bill spots a beat-up Corvette. SMASHES its window with his gun. They climb in, MARLA hot-wires it, race off.

**EXT/INT. RURAL ROAD/CORVETTE - NIGHT**

MARLA drives fast. Tires glide dangerously over wet road. Bill looks in the rear view mirror. They're not being followed yet. It's tense.

BILL

Whoa. Slow down. Or Maybe you want the cops to stop us.

She does... just a little.

A SIREN interrupts their conversation. Bill looks back, a police car in hot pursuit.

**EXT/INT. ROAD/DODGE CHARGER - NIGHT**

Lights and sirens. Rosa drives like a madwoman, darting through traffic, making hairpin turns, hauling ass like she's in Days of Thunder. Anxiety on her face.

Grabs her cell, tracking a GPS signal...

**INT. CORVETTE - NIGHT**

MARLA turns down a dark, rural road, surrounded by woods. Bill is suspicious, jams the gun into her face - frantic... MARLA swerves.

BILL

Where are we headed. I don't know this road.

MARLA

You're paranoid. You are. Relax I know this road. No cops out here.

MARLA

Is there someplace I could drop you off?

BILL

Are you getting car sick, Angie? Did you give him your wildcat breakfast, too? I think he regrets it now

The speedometer CLIMBS...

MARLA

Did you kill him, Bill?

BILL

That son of a bitch said they don't have TVs on death row. I like TV.

MARLA

Hanna was a patient of mine, Bill. She never made the connection that I was your wife.

Bill's in shock - didn't expect that.

BILL

You had your claws in her too?

MARLA

Did you ever read about Br'er Rabbit when you were a kid?

BILL

Who?

MARLA

An old folktale from the South. Br'er Rabbit is this trickster type of character, a hustler with a line of patter who can talk his way out of any jam. Remind you of anybody?

MARLA

Anyway, ol' Br'er Rabbit gets himself grabbed by Br'er Fox. Says whatever you do, kill me, cook me, eat me, please don't toss me into the briarpatch. Which looks thorny and twisted and gnarly...but that's where the rabbit was raised. He knew every inch of the terrain - the hiding places, the escape routes

BILL

The fox tosses him and he lams?

MARLA

The genius was making the fox think it was his idea all along.

A realization dawn on him, he's been set you...

BILL

You knew?

MARLA

The whole time.

BILL

The honest truth is, I bungled the job.

MARLA

What makes you think you're getting any better at this?

BILL

Just shut up and drive!

MARLA

You stole years from me. You caged me like an animal. You made me...inhuman.

BILL

And now? Then it's over.

Just then -- someone or thing skirts out into the middle of the road! They see -- THE TIGER.

MARLA

For us!

The car fish tales, spins out of control, side-swipes the TIGER, and smashes through a railing... sails through the air and crashes headfirst into a ravine 30 feet below. A bone-crushing THUD.

ON THE STREET ABOVE -

MARLA escapes the horrible wreckage. She's shaken, torn dress, bruises but mostly unscathed.

Bill can be seen still trapped inside.

**EXT. RAVINE - NIGHT**

MARLA approaches the Porsche, gasoline spewing from the ruptured gas tank. She turns to see Bill still crushed inside.

He reaches a hand out and grabs her ankles. She trips and falls in a puddle of gasoline. He produces a zippo, it's Jarek's. *Oh shit.* MARLA tries to break free.

He flicks and flicks, trying to produce a flame... a spark, anything.

BILL

For better or for worse. Can you smell it, all that gasoline. Got a light? One flick of the wrist Angie and we go out in a blaze o' glory.

Finally, MARLA stops struggling, realizing something.

MARLA

You used him to bring out my paranoid and insane fantasies which in the end backfired, by you two underestimating just how fuckin' crazy I am until..he decided to break up with me. He pushed the panic button in my paranoid brain. But what you didn't quite realize is it wasn't him, but you who raised the *TIGER!*

MARLA escapes his grasp, he laughs but there's no humor in it as he eye-fucks the useless zippo.

MARLA

*A revenge so exquisite, it should be in the Smithsonian under glass.*

Rosa rushes to her: they embrace, escorts Marla up the ravine, reaches the roadway.

**EXT. ROADWAY - NIGHT**

Flashing lights, Sirens. Police cars. A Truck screeches to a halt. It's a GAME WARDER.

MARLA

He's stuck inside. My God, somebody help him!

**INT. SUNDERLAND YORK - DAY**

The door burst open, two ORDERLIES can barely hold Jarek, kicking and screaming like some escaped mental patient.

They slam him onto a bed, strap his wrists down. MARLA indicates more straps. Her expression unreadable.

**EXT. SUNDERLAND YORK - DAY**

Portentous storm clouds gather on the horizon. Distant lightning. A chill in the air. Jarek, in a wheelchair, wrapped in an afghan, stares blankly.

MARLA stands behind him. Thunder rumbles. It spooks him. She places a hand on his shoulder to reassure him..

MARLA

It's okay, if you're not paranoid, you're crazy!

JAREK

You gave me a fresh start, it was my chance at a new beginning, then you had to go and take that away. Whatever lies you told him -- he was stark raving mad when he forced himself into my apartment. I tried to reason with him, but he was irrational. He was going to kill me. I knew right then and there my life was over. No thanks to you. It's what you wanted all along, wasn't it?

Just then -- someone or thing skirts out into the middle of the road! They see -- THE TIGER.

JAREK

You fuckin' bitch!

Angela jumps from the car, breaks her fall, rolls away as the car fish tales, spins out of control, smashes through a railing... sails through the air and crashes headfirst into a ravine 30 feet below. A bone-crushing THUD.

They fight for control of the wheel. The driver drives recklessly through the streets, weaving through the city traffic, over sidewalks, past construction barriers...and the wrong way down a one-way

street.

Suddenly, a the lost TIGER appears in the roadway. The Porsche swerves to avoid it but too late-- the driver of the car skids wildly, crashes into a concrete barrier, and bursting into flames.

It's hard to imagine there will be survivors.

ON THE STREET ABOVE -

Angela stands there. She's shaken, torn dress, bruises but mostly unscathed.

Jarek can be seen still trapped inside.

As he flicks and flicks, trying to produce a flame... A spark. Finally...

ANGELA

Bill used you to bring out my paranoid and insane fantasies! Which in the end backfired on him by underestimating just how crazy I really am until you decided to break up with me. Sara rushes to her: they embrace, escorts Angela away.

JAREK

So, what'cha reading?

ANGELA

The study of bio-chemistry of sexuality and aggression. Physiological proof of a well known theory that most crimes of violence linked with sex is not about sex at all, but power.

It's over. now it's all over FOR ME and you.

**INT. KRIEGER'S HOME - KITCHEN - DAY**

Angela's wearing an apron, rolling out dough for a pie crust. Jarek appears. He stands and watches for a moment.

ANGELA

Look. It's not appropriate. You know it and I know it.

JAREK

I get it.

ANGELA

This cannot go on. You understand me? I have a husband.

ANGELA (CONT'D)

I am not going to be that type of person. I cannot do this.

Angela goes back to rolling her pie crust. He grins.

ANGELA

Don't laugh at me.

JAREK

I'm not.

ANGELA

Don't belittle.

JAREK

I'm happy.

ANGELA

Don't be. We've just cheated on Bill. Fucking hell.

Jarek pulls her to him, kissing her hard on the mouth. They part. There's a moment when either of them could stop this. But neither of them wants to anymore.

They give in to their desire, crush together, kissing passionately. Now they're clumsily sweeping shit off the kitchen island, flour, dough, dishes crashing to the floor, and ripping at each other's clothes, Jarek lifts her up and puts her down on the surface covered with flour and dough. Now he's fucking her, this is not sweet, tender sex, it's grabby, sweaty, out of control sex, the closet to animal that two humans can get...

They kiss savagely and slump the floor as they climax together. Spent, they ROLL AWAY from each other. Her skirt around her waist. His pants halfway down.

They writhe on the floor trying to catch their breath.

**INT. KRIEGER'S HOME - BEDROOM - DAWN**

Heavy with sleep and rumpled sheets. Dawn just creeping in. Angela naked, on top of a man, her hair obscuring his face, cums, rolls off. No Bill in bed with her. Jarek.

ANGELA

I've fucked a lot of men in my life but it's always that one dick that does your pussy good.
